**RUDY ESCALANTE**  
CHIEF OF POLICE

Dear parents,

The Capitola Junior Guard program is an important part of our community. One of our goals is to help alleviate traffic congestion in the Village. To accomplish that, the City of Capitola will issue free parking permits for families enrolled in the Junior Guard Program. To receive your permit, please bring a copy of your paid registration to the Capitola Police Department. Permits will be issued accordingly: Session 1 AM/PM and Session 2 AM/PM. The permits are valid in **Lower Beach and Village parking lot** only, spaces 754 - 976. Vehicles parked in the Upper Beach and Village parking lot will need to pay. See map.

As a reminder, when picking up or dropping off, the white zone near Esplanade Park is a Temporary Loading/Unloading Zone. Vehicles left unattended or beyond the three minute maximum, will be cited. These permits are not valid in the village or neighborhoods.

Please accept our best wishes for safe and fun season.
