CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: City Manager Department
SUBJECT: Community Action Board Presentation

RECOMMENDED ACTION: Receive presentation.

The Community Action Board of Santa Cruz County, Inc. (CAB) established a mission to partner with the community to eliminate poverty and create social change through advocacy and essential services.

Now celebrating 51 years of service, CAB continues to assist low income residents to move out of poverty by focusing on four service areas:

1. Homelessness prevention and essential services;
2. Immigration legal assistance and citizenship services
3. Employment and re-entry services
4. Community building and youth development

Through these four service areas, CAB operates six different programs that collectively serve well over 10,000 people with vital emergency, sustaining/self-sufficiency services every year.

The City of Capitola directly contracts with CAB to administer the City's Emergency Housing Assistance Program. This year's budget includes \$25,000 to fund this program, which helps low income residents who are facing eviction remain housed. In addition, CAB will receive \$1,378 as part of City's Community Grant Program in the current Fiscal Year.

Re: Agenda Item 9C

As a member of the traffic and parking commission I want to reiterate the firm belief that the In-Lieu Program should be available only to large projects, such as a hotel, which provide valet service. There is no other way to monitor these spaces to determine if they are being used by patrons of the business paying the in lieu fee.

As a property owner in the village, I wish to express my concern over a recent planning commission decision to eliminate the requirement to provide parking for an intensification of use for an existing business or conversion from retail to restaurant/bar use. The continued mix of commercial and residential uses in the village has been an important factor in the development of the village, even before I was on the city council. Keeping residences in and near the village "live-able" is the only way to insure that people will live there full time, thus maintaining the mix. As more people crowd to the beach and more homes convert to Air B & B, the stress on the full time residents is more intense.

Another concern of mine is shared parking. In my neighborhood of Pleasure Point, developers are overbuilding parcels with insufficient parking based on the concept that the residents are never home during the day when the businesses in the development are open. Obviously this is a ridiculous concept in a beach/vacation community and should never be considered in the village.

If either of these two concepts are going to be discussed or acted upon by the city council, they should be addressed in a public hearing, properly noticed to the businesses, residents and property owners.

Thank you for your consideration,
Carin Hanna

Cc: PLANNING COMMISSION
Subject: City Council Meeting Thursday and Village Parking Review

Hello, fellow Traffic and Parking Commissioners,

You have probably seen that there will be a discussion of Village parking issues by the City Council Thursday night. It is no secret that over the years parking requirements have effectively limited new development and intensification in our already crowded and congested Village. One of the top concerns that came out of the Vision Capitola process was the negative feelings of Capitola citizens about continued new development in the Village.

During the ongoing overhaul of Capitola’s Zoning Ordinance the Planning Commission has reviewed many suggestions from consultants which would potentially significantly reduce parking requirements for new development in the Village. During its detailed review the Planning Commission generally seems to have charted a reasonable course between helping existing businesses, particularly bars and restaurants, adapt to today’s business environment without letting loose the hounds of new bar and restaurant development and greatly exacerbating parking demand for the shrinking pool of parking spaces in the Village. As always I remind us all that the Village parking woes are also the parking woes of the adjacent residential neighborhoods. The linkage is direct and unrelenting.

Thursday night the City Council will give feedback to the Planning Commission, the staff and the consultant about what it thinks of the Planning Commission’s work on Village parking. A lot of hard work could be undone in just a few minutes and major changes in Village parking could be set in motion. I would urge you to attend and participate in this meeting. Some of the key subjects will likely include:

IN LIEU PARKING PROGRAM

This was created in 2013 as a tactic to reserve from the Coastal Commission’s inventory of public parking spaces 57 so-called “surplus” parking space in Lot #1. It was limited to a major Village hotel project which had to have overwhelming public benefit and had major safeguards including the context of a parking structure (essentially a public/private partnership), purchase at actual cost (\$35,000 plus per space), the requirement that the purchaser secure and operate these dedicated spaces and operate a valet or shuttle service between the business and the lot to effectively relieve the Village parking spaces of the parking burden of that new development. There appears to be a push to convert this program to the onesy-twozey sell off of these 57 spaces at wholesale prices to stimulate new Village development and without any requirements to transport customers to and from the parking lot. The Traffic and Parking Commission is on record against liberalizing this program.

PARKLETS

The conversion of parking spaces in the Village to more seating for restaurants, increasing restaurant capacity by reducing parking capacity while allowing diners the option of enjoying their meal between an Ford F-150 and power tailgate of a Toyota Minivan. No public process, no guidelines, no fees have been provided for this program.

NEW CONVERSION OF RETAIL TO BAR/RESTAURANT

Communication: Item 9.C. Public Communications regarding Village Parking (ADDITIONAL MATERIALS)

There have been discussions of allowing the conversion of existing retail commercial space to bar and restaurant uses without having to provide any additional parking. The inevitable negative parking impacts are clear. However, there is nothing in the proposed zoning ordinance at this time about this. Hopefully it stays that way.

SHARED PARKING

While the concept of “shared parking” might be viable in other areas of Capitola, it is a sham in the Village because of the extensive overlap of business hours and the extreme weekend and seasonal parking demands. It is little more than license for developers to dump their new parking demands onto the Village streets and into adjacent residential neighborhoods.

So I hope to see you at the Council Meeting tomorrow night.

Regards.

Nels

MEETING OF SEPTEMBER 8, 2016

FROM: City Manager Department

SUBJECT: Adopt the Proposed Resolution Rescinding Resolution No. 3990 and Adopting a Revised Conflict of Interest Code for the City of Capitola

RECOMMENDED ACTION: Adopt Resolution.

BACKGROUND / DISCUSSION: Under the California Political Reform Act, the City is required to designate employees and officials whose positions involve decision-making or participation in decision-making that may affect economic interests of the official or employee. Once designated, the individual occupying the position is required to make certain disclosures in a Statement of Economic Interest (Form 700) regarding their sources of income, investments, interest in real property, and any business positions held outside of their employment with the City, in order to avoid potential conflicts of interest.

Government Code 87200 requires the following positions to file a Form 700: mayors, city council members, planning commissioners, city managers, city attorneys, city treasurers, and other public officials who manage public investments. State law further requires local agencies to designate additional positions which may have potential conflicts of interest and also place those positions on the list. State law requires that local agencies update this list of designated positions biennially.

The draft Resolution indicates the positions who are required to file a Form 700 and reflects the addition of positions and the remaining or reclassification of positions in the City. The following positions are added: (1) Recreation Supervisor; (2) Maintenance Supervisor; and (3) Senior Mechanic. The designated categories of the following positions have also been amended to more accurately reflect the responsibilities of their job: (1) Administrative Service Director; (2) Environmental Project Manager; (3) Information Systems Specialist; and (4) Finance Director.

In addition, Appendix "B" describing the disclosure categories has been amended to further clarify Categories B, C, and D, and to make prior references to designated employees gender neutral.

FISCAL IMPACT: None.

DRAFT RESOLUTION

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CAPITOLA
RESCINDING RESOLUTION NO. 3990 AND ADOPTING A REVISED
CONFLICT OF INTEREST CODE FOR THE CITY OF CAPITOLA**

WHEREAS, the Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes; and

WHEREAS, the Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard conflict of interest code; and

WHEREAS, said standard conflict of interest code can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act.

NOW, THEREFORE, the City Council of the City of Capitola resolves as follows:

1. Effective September 8, 2016, Resolution No. 3990 is rescinded, and this resolution shall become effective.
2. This resolution does not pertain to the following offices because these offices are already regulated by and subject to Government Code Section 87200: Council Members, Planning Commissioners, City Manager, City Attorney, and City Treasurer.
3. The terms of 2 Cal. Code of Regs. Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix in which members and employees are designated and disclosure categories are set forth, constitute the Conflict of Interest Code of the City of Capitola.
4. Upon receipt of the statements of the Council Members, Planning Commission Members, City Manager, City Attorney, and City Treasurer, the City Clerk shall make and retain a copy and forward the original of these statements to the Fair Political Practices Commission. Designated employees shall file statements of economic interests with the City Clerk who will make the statements available for public inspection and reproduction (Government Code Section 81008). The City Clerk will retain statements for all designated employees.

I HEREBY CERTIFY that the foregoing Resolution was passed and adopted by the City Council of the City of Capitola on the 8th day of September, 2016, by the following vote:

In addition to other activities, a business entity is doing business within the jurisdiction if it owns real property within the jurisdiction. When a designated employee is required to disclose interests in real property, the person need only disclose real property, which is located in whole or in part within, or not more than two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency.

Designated employees shall disclose their financial interests pursuant to the appropriate disclosure category as indicated in Appendix "A".

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: Public Works Department

SUBJECT: Consider Declaring the Junior Guard Trailer as Surplus Property and Authorize Granting it to the Junior Guard Parents Club

RECOMMENDED ACTION: Declare the Junior Guard trailer as surplus property and approve granting it to the Junior Guard Parents Club.

BACKGROUND: In the mid-1990's the Junior Guards Parents Club bought and donated to the City a 1995 enclosed trailer (VIN:1WC200E10S44021868) for the purposes of transporting surfboards and other equipment to the Regional Junior Guard competition held annually in Southern California. For approximately 15 years the trailer was used and towed by a City Public Works truck for the regionals. For the past three years, the organizers of the trip south have determined it was easier to rent a panel truck to move the equipment and the trailer has been sitting unused at the City Corporation Yard.

DISCUSSION: In an effort to clean up the Corporation Yard, Public Works staff contacted the Recreation Department to discuss the current non-use of the trailer and the Parents Club expressed an interest in obtaining the trailer for their uses. If approved, the trailer would be registered, owned, and maintained by the Parents Club which is listed 501(c)(3) entity which may own property. In addition, the trailer would no longer be stored at the Corporation Yard.

FISCAL IMPACT: The existing trailer is on the City's fixed asset list with zero value. The transfer of ownership will not have any fiscal impacts.

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: Capitola Police Department
SUBJECT: Authorize the City to Surplus Two Police Motorcycles

RECOMMENDED ACTION: Authorize the Public Works Department to surplus the vehicles.

BACKGROUND: In order to assure proper response times, preserve our efficiency levels, ensure officer safety and maintain a professional appearance; the Police Department works with the Public Works Department to replace police vehicles as needed. Currently, the two Kawasaki 1000 police motorcycles (VIN# JKAKZCP22XB517221, VIN# JKAKZCP28XB517093), are over seventeen years. Due to their age, they have been reduced to police training motorcycles over the last five years. Their size and capabilities have limited patrol functionalities. These vehicles have been used as police traffic control units in the City for almost two decades. Parts for these vehicles are becoming difficult to obtain and very expensive to repair. In addition, these vehicles have recurring mechanical problems, which makes them cost ineffective and unreliable for daily patrol use.

Due to the limited use, mechanical upkeep, service costs and labor maintenance, the Police Department is no longer in need of the two 1998 Kawasaki 1100 motorcycles.

FISCAL IMPACT: It is anticipated that the sale of these two motorcycles will result in approximately \$500 in unanticipated revenues to the Equipment Acquisition and Replacement Fund.

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: City Manager Department

SUBJECT: Consider an Amendment to the Administrative Policy Pertaining to the Leave Donation Program

RECOMMENDED ACTION: Adopt amendment to the Administrative Policy.

BACKGROUND: The City of Capitola has an Administrative Policy which allows employees to donate paid-leave to a co-worker. The Administrative Policy allows for leave donations when, due to a serious health issue or the care of a family member with a serious health issue, significant work will be missed and it is a financial hardship. Donation of leave is available when the employee no longer has available paid leave balances to use.

DISCUSSION: City staff is proposing changes to Administrative Policy II-14, Leave Donation to allow regular employees on initial probation to request up to 120-hours donated leave and to include the use of donated leave for child birth.

FISCAL IMPACT: There is no anticipated fiscal impact.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

DRAFT ORDINANCE

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CAPITOLA ADDING CHAPTER 8.40 TO TITLE 8 OF THE CAPITOLA MUNICIPAL CODE REQUIRING THE SAFE DISPOSAL OF DRUGS AND SHARPS

The City Council of the City of Capitola hereby finds and declares the following:

WHEREAS, drugs and sharps are necessary medical technologies which allow us to live longer, healthier and more productive lives and reduce suffering at the end of life; and

WHEREAS, the public, particularly children, the elderly and public employees, are at significant and unnecessary risk of poisoning and injury due to improper or careless disposal of drugs and sharps; and

WHEREAS, our groundwater and drinking water are being contaminated by unwanted, leftover or expired drugs passing through our wastewater treatment centers; and

WHEREAS, there is no mandatory statewide stewardship program for unwanted drugs or sharps in California, and manufacturers, retailers and producers have not offered any support for a permanent collection program to date; and

WHEREAS, although state law (California Health and Safety Code Section 118286) requires that home-generated sharps be transported to a collection center in sharps containers or other containers authorized by the local enforcement agency, and prohibits the loose disposal of home-generated sharps waste in trash or recycling containers, many people continue to dispose of contaminated sharps in a manner that increases the risk that others will come into contact with them; and

WHEREAS, the lack of sufficient safe, convenient disposal locations for leftover, expired, and/or unwanted drugs creates significant risks to human health and to the environment. As a result, leftover, expired, and/or unwanted drugs are often left in homes where they can be accidentally ingested or abused by children, adults, and the elderly, increasing the risk of poisoning, addiction, and death; and

WHEREAS, unwanted drugs are also often flushed down toilets or sinks. However, municipal wastewater treatment plants are not designed to remove the complex compounds in the drugs that end up in the sewer system. As a result, drugs can pass through wastewater treatment systems and contaminate receiving waters; and

WHEREAS, an Environmental Protection Agency report on drinking water released in December 2013 tested effluent samples from 50 large wastewater treatment plants nationwide for active pharmaceutical ingredients and metabolites. Out of the 63 total compounds tested for, 43 were detected in at least one of the samples and all samples were found to contain at least one pharmaceutical compound. The presence of pharmaceuticals in surface water is well documented to have ecological impacts, including negative effects on fish and other aquatic life; and

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

WHEREAS, establishing a safe, convenient collection and disposal system for leftover, expired, and unwanted drugs will reduce unintentional poisonings and drug overdose deaths by making drugs less accessible to persons who might accidentally ingest or abuse them; and

WHEREAS, establishing a safe, convenient collection and disposal system for leftover, expired, and unwanted drugs will also reduce the quantity of pharmaceutical compounds that are discharged into the Monterey Bay National Marine Sanctuary and other environmentally sensitive waters throughout the City; and

WHEREAS, Extended Producer Responsibility (EPR) laws, sometimes referred to as Product Stewardship laws, place responsibility for end-of-life management of consumer products on the manufacturers and producers of the products, while encouraging product design that minimizes negative impacts on human health and the environment at every stage of the product's lifecycle; and

WHEREAS, many local and national governmental bodies support EPR, including CalRecycle (formerly the California Integrated Waste Management Board), the National Association of Counties, and the National League of Cities; and

WHEREAS, California has passed four significant products stewardship laws for mercury thermostats (AB 2347, enacted as Chapter 572 of the statutes of 2008), carpet (AB 2398, enacted as Chapter 681 of the statutes of 2010), paint (AB 1343, enacted as Chapter 420 of the statutes of 2010) and mattresses (SB 254, enacted as Chapter 388 of the statutes of 2013). All four laws require producers to establish and fund product stewardship programs for their waste streams; and

WHEREAS, in 2010, Congress passed the "Secure and Responsible Drug Disposal Act of 2010," Public Law No. 111-273, which authorized the Attorney General to expand the methods through which pharmaceuticals classified as controlled substances may be collected, including through collection at pharmacies. The goal of the bill was to increase opportunities for drug collection in order to reduce substance abuse, accidental poisoning, and the release of harmful substances into the environment. On October 9, 2014, the Drug Enforcement Agency promulgated regulations implementing that Act. These regulations, among other things, authorize retail pharmacies to maintain secure collection bins for controlled substances; and

WHEREAS, Mexico, a number of Canadian provinces, much of Europe and several other countries already have active, well-established EPR drug disposal programs in place. Many of the same drug companies that participate in these programs manufacture drugs sold in the United States; and

WHEREAS, in 2012, Alameda County became the first local government in the United States to pass legislation requiring pharmaceutical companies to design, fund, and operate a program to safely collect and dispose of unwanted drugs, similar to the take-back programs in Canada's pharmacies. On September 30, 2014, the Ninth Circuit Court of Appeal rejected a legal challenge to Alameda County's Ordinance brought by pharmaceutical trade associations. Pharm. Research & Mfrs. Of Am. v. Cty. of Alameda, 13-16833, 768 F.3d1037 (9th Cir. 2014). The U.S. Supreme Court subsequently declined to hear an appeal of this ruling; and

WHEREAS, King County, Washington as well as the City and County of San Francisco and the Counties of Santa Cruz, San Mateo, Santa Clara, San Luis Obispo and Marin have

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

enacted similar ordinances requiring drug manufacturers to design, fund, and operate programs to safely collect and dispose of local residents' unwanted drugs and/or sharps; and

WHEREAS, beginning in 2008, the County of Santa Cruz has operated a voluntary County-funded collection program, pursuant to which the County of Santa Cruz and the City have been working together with the cities of Watsonville, Santa Cruz and Scotts Valley to provide a convenient and permanent system to collect unwanted pharmaceuticals. As of October 2015, this program consists of 46 locations at pharmacies, police departments, and sheriff's stations, which collect both controlled and non-controlled substances, as well as city and county household hazardous waste disposal sites. Participation in collection and disposal of unwanted drugs is still voluntary, resulting in a patchwork of businesses participating in one or both programs, leading to confusion among consumers and sometimes improper disposal in the wrong containers; and

WHEREAS, on December 8, 2015, the Santa Cruz County Board of Supervisors passed an Ordinance (Ordinance No. 5214, effective the 31st day after the date of final passage) requiring the safe disposal of drugs and sharps and establishing a Product Stewardship Program to safely collect and dispose of unused/unwanted pharmaceutical and sharps waste from county residents. This City Ordinance is intended to compliment and be consistent with Santa Cruz County's Safe Disposal of Drugs and Sharps Ordinance (Santa Cruz County Code Chapter 7.95); and

WHEREAS, a manufacturer and/or producer-funded collection and disposal program in the City for unwanted drugs and sharps would significantly increase convenient disposal options for City residents' unwanted drugs and sharps, enabling collection of larger quantities of unwanted drugs and sharps and reducing risks to public safety, health, and the environment.

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAPITOLA AS FOLLOWS:

- GG. “Unwanted Products” means Covered Drugs or Sharps no longer wanted by the owner or that have been abandoned, discarded, or are intended to be discarded by the owner.

8.40.040 Product Stewardship Program

- A. Requirement for Sale. This chapter shall apply only to Producers whose Covered Drugs and/or Sharps are sold and/or distributed in the City and to Retailers who sell Covered Drugs and/or Sharps in the City. This chapter shall apply only to areas within the City limits. This chapter shall be administered and implemented by the City of Capitola City Manager’s Department. Each Producer shall participate in a Stewardship Program. Each Producer must:
1. Operate, individually or jointly with other Producers, a Product Stewardship Program approved by the Department; or
 2. Enter into an agreement with a Stewardship Organization to operate, on the Producer’s behalf, a Product Stewardship Program approved by the Department.
- B. Product Stewardship Program Costs.
1. A Producer, group of Producers, or Stewardship Organization must pay all administrative and operational fees and costs associated with their Product Stewardship Program and related Product Stewardship Plan, including, but not limited to, the cost of collecting, transporting, and disposing of Unwanted Products collected from Consumer Generators and the recycling and/or disposal of packaging collected with the Unwanted Product.
 2. No Person or Producer may charge a specific point-of-sale fee to consumers to recoup the costs of their Product Stewardship Program, nor may they charge a specific point-of-collection fee at the time the Unwanted Products are collected from Consumer Generators or delivered for disposal.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

3. A Producer, group of Producers, or Stewardship Organization must pay all costs and expenses incurred by the City, including but not limited to the Department, in the administration and enforcement of their Product Stewardship Program. Exclusive of fines and penalties, the City shall only recover its actual costs of administration and enforcement under this chapter and shall not charge any amounts under this chapter in excess of its actual administrative and enforcement costs.
4. A Producer, group of Producers, or Stewardship Organization must pay all collection and disposal costs and expenses as of the date that the ordinance codified in this chapter becomes effective. If the City incurs any costs or expenses due to delays in establishment of an approved Stewardship Plan, the Producer, group of Producers, or Stewardship Organization must reimburse the City in full for such costs.

8.40.050 Product Stewardship Plan

- A. Plan Content. Each Product Stewardship Program shall have a Product Stewardship Plan (which must be submitted, reviewed and approved in accordance with Section 8.40.050(B) below) that contains each of the following:
 1. Certification that the Product Stewardship Program will accept all Unwanted Products regardless of who produced them, unless excused from this requirement by the Department as part of the approval of the Plan;
 2. Contact information (including the name, physical and mailing address, telephone number, and email address) for the individual and the Entity submitting the Plan, the Plan Operator, and each of the Producers participating in the Product Stewardship Program;
 3. A description of the methods by which Unwanted Products from Consumer Generators will be collected and handled at all retail sale facilities of Sharps and Covered Drugs in the City, including without limitation a description of bins to be used and collection methods;
 4. A description of the methods by which Unwanted Products from Consumer Generators will be collected and handled at all public health facilities in the City, as well as at such other locations as designated by the Department, including without limitation a description of bins to be used and collection methods;
 5. The location of each collection site and locations where envelopes for a Mail-back Program are available (if applicable);
 6. A list containing the name, location, permit status, and record of any penalties, violations, and/or regulatory orders received in the previous five years by each Person that will be involved in collecting and/or transporting Unwanted Products and each Medical Waste or Hazardous Waste disposal facility proposed to participate in the Product Stewardship Program;

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

7. A description of how the Unwanted Products will be safely and securely tracked and handled from collection through final disposal and the policies and procedures to be followed to ensure security;
 8. A description of the public education and outreach activities required under this chapter and how their effectiveness will be evaluated;
 9. A description of how the scope and extent of the Product Stewardship Program are reasonably related to the amount of Covered Drugs and Sharps that are sold in the City, by the Producer or group of Producers;
 10. A starting date when collection of Unwanted Products will begin;
 11. A description of how support will be provided to any law enforcement agencies within the City that have, or later agree to have, a collection program for Controlled Substances, including, without limitation: (i) the provision of a collection kiosk with appropriate accessories and signage, (ii) an ability to accept Controlled Substances and other Covered Drugs, and (iii) technical support up to and including an appropriate Person to provide on-site assistance with the sorting and separation of Controlled Substances at no cost to a participating law enforcement agency;
 12. If more than one Producer will be involved in a proposed Product Stewardship Program, then the Product Stewardship Plan for that Program must include a fair and reasonable manner for allocating the costs of the Program among the participants in that Program, such that the portion of costs paid by each Producer is reasonably related to the amount of Covered Drugs and Sharps that Producer sells in the City.
- B. Existing County-Approved Product Stewardship Plan. If a Producer, group of Producers, or Stewardship Organization is/are operating a Product Stewardship Program within the County under an existing Product Stewardship Plan that has been approved by the County of Santa Cruz in accordance with Chapter 7.95 of the Santa Cruz County Code ("County-Approved Plan"), such Producer, group of Producers, or Stewardship Organization may comply with Section 8.40.050(A) above, by supplementing such County-Approved Plan to cover the City and include all items listed in Section 8.40.050(A) above. The Product Stewardship Plan, as supplemented, must be submitted to the Department for review and approval of the provisions relating to and/or applicable to the City in accordance with Section 8.40.050(D) below.
- C. Department Review and Approval; Updates.
1. No Producer, group of Producers, or Stewardship Organization within the City may begin collecting Unwanted Products to comply with this chapter until it has received written approval of its Product Stewardship Plan from the Department. The City may (in its discretion) continue collection on an interim basis if there is any delay in establishing a Stewardship Program as required under this chapter. Once approved by the Department, each Product Stewardship Plan must receive prior written approval from the Department for any proposed changes to the Plan.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

2. All Product Stewardship Plans must be submitted to the Department for approval. Each Producer, group of Producers, or Stewardship Organization operating a Product Stewardship Program shall submit its initial Product Stewardship Plan (conforming to the above requirements) to the Department for review within sixty (60) days after the effective date of this chapter, or at a later date as approved in writing by the Department.
3. Within sixty (60) days after the Department's receipt and review of a Product Stewardship Plan, the Department will determine whether the Plan complies with the requirements of this chapter and of any regulations adopted pursuant to this chapter. The Department may at its sole discretion conduct a noticed Public Hearing as part of this process.
 - a. As part of its approval, the Department may set reasonable performance goals for the Program.
 - b. If the Department approves a Plan, it shall notify the applicant of its approval in writing.
 - c. If the Department rejects a Plan, it shall notify the applicant in writing of its reasons for rejecting the Plan. The Department may reject a Plan without conducting a Public Hearing.
 - d. An applicant whose Plan has been rejected by the Department must submit a revised Plan to the Department within thirty (30) days after receiving notice of the rejection. The Department may require the submission of a further revised Plan or, at its sole discretion, the Department may (without any obligation to do so) develop, approve and impose upon the applicant the Department's own Product Stewardship Plan or an approved Plan submitted by other Producer(s) pursuant to this chapter. The imposed Plan will be presented at a Public Hearing. The Department is not required, and nothing in this chapter shall be interpreted as requiring, the Department to create or impose a Product Stewardship Plan.
 - e. If the Department rejects a revised Product Stewardship Plan or any other subsequently revised Plan, the City Manager may deem the Producer(s) at issue to be out of compliance with this chapter and subject to the enforcement provisions contained in this chapter.
4. At least every three (3) years, a Producer, group of Producers or Stewardship Organization operating a Product Stewardship Program shall update its Product Stewardship Plan, explaining any substantive changes to components of the Plan, and submit the updated Plan to the Department for review and approval.
5. A Producer who begins to offer a Covered Drug or Sharps for sale in the City after the effective date of this chapter, must submit a Product Stewardship Plan to the Department or provide evidence of having joined an existing approved Product Stewardship Program within sixty (60) days following the Producer's initial offer for sale of a Covered Drug or Sharp in the City.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

6. Any proposed changes to a Product Stewardship Plan must be submitted in writing to the Department and approved by the Department in writing prior to implementation of any change. Notwithstanding the foregoing, for County-Approved Plans, only those changes relating to and/or applicable to the City must be submitted in writing to the Department for review and approval before implementation.
7. Required Plan Amendment. Within 60 days of the final promulgation of rules by the California Board of Pharmacy regarding collection of controlled substances by retail pharmacies in conformity with the U.S. Drug Enforcement Agency regulations implementing the Secure and Responsible Drug Disposal Act of 2010, each Producer, group of Producers or Stewardship Organization operating a Product Stewardship Program shall submit to the Department for review and approval an update to its Product Stewardship Plan that describes how the Plan will, within 120 days, comply with and conform to the requirements of such final rules of the California Board of Pharmacy.
8. The Department may audit the records of a Producer, group of Producers, or Stewardship Organization related to a Product Stewardship Plan and/or Product Stewardship Program, or request that the Producer, group of Producers, or Stewardship Organization arrange for the Department to inspect at reasonable times the facilities, vehicles, and equipment used in carrying out the Product Stewardship Plan.

8.40.060 Disposal of Unwanted Products

- A. Compliance with Applicable Law. Each Product Stewardship Program must comply with all local, state, and federal laws and regulations applicable to its operations, including, but not limited to, laws, rules, and regulations governing the treatment and disposal of Unwanted Products.
- B. Treatment and Disposal. Each Product Stewardship Program must treat Sharps waste by high heat sterilization and dispose of all unwanted Covered Drugs by incineration at a Medical Waste or Hazardous Waste facility authorized to accept such waste. Each treatment and/or disposal facility utilized must be in possession of all required regulatory permits and licenses.
- C. New Technologies. Producers with Product Stewardship Programs may petition the Department for approval to use treatment and final disposal technologies, where lawful, that provide superior environmental and human health protection than provided by current Medical Waste or Hazardous Waste disposal technologies for Sharps and Covered Drugs if and when those technologies are proven and available. The proposed technology, at a minimum, must provide equivalent protection in each, and superior protection in one or more, of the following areas:
 1. Monitoring of any emissions or waste;
 2. Worker health and safety;
 3. Reduction or elimination of air, water, or land emissions contributing to persistent, bioaccumulative, and toxic pollution; and
 4. Overall impact on the environment and human health.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

- D. Packaging Separation. Each Product Stewardship Program shall encourage Consumer Generators to separate Unwanted Products from their original containers and packaging, when appropriate, prior to collection or disposal.

8.40.070 Product Stewardship Program Promotion and Outreach

- A. A Product Stewardship Program must promote the Program to Consumer Generators, pharmacists, Retailers of Covered Drugs and/or Sharps, and health care practitioners (including, but not limited to, doctors and other prescribers, veterinarians and veterinary hospitals) as to the proper and safe method to storage and dispose of Unwanted Products.
- B. A Product Stewardship Program shall include, but is not limited to, developing, and updating as necessary, educational and other outreach materials for use by Retailers of Covered Drugs and/or Sharps. These materials may include, but are not limited to, two or more of the following:
1. Signage that is prominently displayed and easily visible to the consumer.
 2. Written materials and templates of materials for reproduction by Retailers to be provided to the consumer at the time of purchase or delivery, or both.
 3. Advertising and/or other promotional materials related to the Product Stewardship Program.
- C. A Product Stewardship Program must prepare education and outreach materials that publicize the location and operation of collection locations in the City and disseminate the materials to health care facilities, Pharmacies, and other interested parties. The Program also must establish a website publicizing collection locations and Program operations and a toll-free telephone number that Consumer Generators can call to find nearby collection locations and understand how the Program works.

8.40.080 Retailer and Provider participation

- A. Every Retailer and every Provider of Covered Drugs and Sharps in the City shall establish a system consistent with the requirements of this chapter for the collection of consumer-generated Covered Drugs and Sharps waste for proper disposal during the Retailer's or Provider's normal hours of operation, except that:
1. A Retailer or Provider who does not sell or provide Sharps to consumers is not required to establish a collection system for Sharps waste; and
 2. A Retailer or Provider who does not sell or provide Covered Drugs to consumers is not required to establish a collection system for Covered Drugs waste.
- B. Each system established by a Retailer or Provider for the collection and disposal of consumer generated Covered Drugs and Sharps waste shall include, at a minimum, the following elements:
1. Subject to the limitations contained in subsection (A) of this Section above and subsection (E) of this Section below, each Retailer or Provider shall provide one of the following:

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

- a. On-site collection system. Receptacles for the collection of consumer-generated Covered Drugs and Sharps waste within the Retailer or Provider establishment. The receptacle shall meet applicable state and federal standards for safe disposal of Covered Drugs and/or Sharps. The Retailer or Provider shall provide for the management and disposal of all consumer-generated Covered Drugs and/or Sharps waste that is collected at the Retailer or Provider establishment in a safe manner consistent with all state and federal laws and regulations; or
 - b. Mail-back collection system. Prepaid and preaddressed mail-back envelopes in sufficient capacity for safe disposal of the Covered Drugs and/or Sharps sold or provided to a consumer and meeting applicable state and federal standards for safe disposal of Covered Drugs and/or Sharps.
2. Signage prominently displayed within five feet of every public entrance to the Retailer or Provider establishment and easily visible to the consumer, indicating that the Retailer or Provider establishment collects consumer-generated Covered Drugs and/or Sharps waste from consumers.
- C. A Retailer or Provider of Sharps must provide at no additional cost to the consumer an approved Sharps disposal container or containers sufficient to dispose of all Sharps purchased. A Retailer or Provider of Sharps may refuse to accept from a consumer Sharps waste that is not properly contained in an approved container. In the event of a refusal to accept Sharps waste, the Retailer or Provider shall provide the consumer with an appropriate container for proper disposal of said Sharps waste.
 - D. Sharps disposal containers shall be either a rigid puncture-resistant container with a sealable lid approved by the U.S. Food and Drug Administration for the purpose of transporting Sharps for disposal or a pre-paid mail-back container approved by the U.S. Food and Drug Administration for the purpose of transporting Sharps for disposal.
 - E. All costs of participation by Retailers and Providers shall be paid or reimbursed by the Producer, group of Producers, or Stewardship Organization as part of its Program as provided in this chapter. Retailers and Providers shall not be expected to incur any costs for participation in a Product Stewardship Program.

8.40.090 Lists of Producers and Manufacturers of Covered Drugs and Sharps

- A. Within sixty (60) days after the effective date of this chapter (or at a later date as approved in writing by the Department), each Drug Wholesaler that sells any Covered Drugs and/or Sharps in the City must provide a list of the Producers of those Covered Drugs and/or Sharps to the Department in a form prescribed by the Department. Drug Wholesalers must update and submit to the Department such list of Producers of Covered Drugs and/or Sharps by January 15th of each calendar year.
- B. Within six (6) months after the effective date of this chapter, or within six (6) months after a Retailer whose label appears on a Covered Drug or Sharps or on the Covered Drug's or Sharps' packaging starts selling the Covered Drug or Sharps in the City (or at a later date as approved in writing by the Department), and, thereafter, upon request from the

Department, a Retailer whose label appears on a Covered Drug or Sharps or on the Covered Drug's or Sharps' packaging must provide the contact information of the Manufacturer from whom the Retailer obtains the Covered Drug or Sharps, including the mailing address, physical address, telephone number, and email address of the Retailer's point of contact at the Manufacturer.

- C. Within six (6) months after the effective date of this chapter, or within six (6) months after a Covered Drug or Sharps repackaged by a Repackager is first sold in the City (or at a later date as approved in writing by the Department), and, thereafter, upon request from the Department, a Repackager whose label appears on a Covered Drug or Sharps or on the Covered Drug's or Sharps' packaging must provide the contact information of the Manufacturer from whom the Repackager obtains the Covered Drug or Sharps, including the mailing address, physical address, telephone number, and email address of the Repackager's point of contact at the Manufacturer.

8.40.100 Reporting

- A. On or before July 1, 2017 (or at a later date as approved in writing by the Department) and in each subsequent year, every Producer, group of Producers, or Stewardship Organization operating a Product Stewardship Program in the City must prepare and submit to the Department an annual written report describing the Program activities during the previous reporting period. The report must include, at minimum, the following:
1. A list of Producers participating in the Product Stewardship Program;
 2. A list of Retailers and/or Providers participating in the collection of consumer-generated Covered Drugs and/or Sharps waste;
 3. The amount, by type and by weight, of Unwanted Products collected from Consumer Generators collected at each drop-off site and in the entire City and, if applicable, the total amount by type and by weight collected by a Mail-back Program;
 4. A description of the collection system, including, without limitation, the location of each collection site and if applicable, locations where envelopes for a Mail-back Program are provided;
 5. The name and location of disposal facilities at which Unwanted Products were disposed of and the weight by type of Unwanted Products collected from Consumer Generators disposed of at each facility;
 6. Whether policies and procedures for collecting, handling, transporting, and disposing of Unwanted Products, as established in the Plan, were followed during the reporting period and a description of any noncompliance;
 7. Whether any safety or security problems occurred during collection, handling, transportation, or disposal of Unwanted Products during the reporting period and, if so, what changes have or will be made to policies, procedures, or tracking mechanisms to alleviate the problem and to improve safety and security;

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

8. A description of public education and outreach activities implemented during the reporting period and their effectiveness, including, without limitation, the methodology used to evaluate the outreach and Program activities;
 9. How the Product Stewardship Program complied with all other elements in the Product Stewardship Plan approved by the Department, including, without limitation, its degree of success in meeting any performance goals set by the Department as part of its approval of the Program; and
 10. Any other information that the Department may reasonably require.
- B. For the purposes of this section, "reporting period" means the period beginning January 1 and ending December 31 of the same calendar year.

8.40.110 Program Assessment and Collection of Data

- A. At least once per year, at a time to be determined by the Department, each Product Stewardship Program will conduct a detailed characterization study of Unwanted Products collected at specified locations to help assess effectiveness of the Product Stewardship Program
- B. Assessments shall be conducted in a secure location with proper supervision, in full compliance with federal and state laws, rules, and regulations, and in accordance with guidelines issued by the Department.
- C. Data collected from Program assessments shall be shared with the Department and other relevant agencies in a timely manner.
- D. The Department may require additional assessments as needed to address problems or to help determine Program needs.

8.40.120 List of Producers

The Department shall provide on its website a list of all Producers participating in Product Stewardship Programs approved by the Department and a list of all Producers the Department has identified as noncompliant with this chapter or any regulations adopted pursuant to this chapter.

8.40.130 Regulations and fees

- A. The City Manager may, after a noticed Public Hearing, adopt such rules and regulations as necessary to implement, administer, and enforce this chapter.
- B. The City Council authorizes the City Manager to charge Producers or a group of Producers participating in a Product Stewardship Program for any costs the City incurs in administering and enforcing this chapter. The amount charged shall not exceed actual costs to the City.

8.40.140 Enforcement

- A. The Department shall administer the penalty provisions of this chapter.

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

- B. It shall be unlawful for any person to violate any provision or fail to comply with any of the requirements of this chapter.
- C. Any Person, Producer, Plan Operator or Product Stewardship Organization that violates or continues to violate the provisions of this chapter shall be subject to the penalties, remedies, and criminal, civil and/or administrative enforcement actions set forth in Title 4 of the Capitola Municipal Code. Each and every day a violation of this chapter exists constitutes a separate and distinct offense for which enforcement action may be taken.
- D. In determining the appropriate penalties, the Department shall consider the extent of harm caused by the violation, the nature and persistence of the violation, the frequency of past violations, any action taken to mitigate the violation, and the financial burden to the violator.
- E. Whenever the City finds that a Person has violated a provision or failed to meet a requirement of this chapter, the City may order compliance by written notice of violation to the responsible Person pursuant to Chapter 4.10 of the Capitola Municipal Code.
- F. The Department may establish appropriate administrative rules for implementing this chapter, conducting hearings, and rendering decisions pursuant to this section.
- G. Upon the failure of any Person to comply with any requirement of this chapter and any rule or regulation adopted pursuant to this chapter, the City Attorney's office may petition any court having jurisdiction for injunctive relief, payment of civil penalties and any other appropriate remedy, including, without limitation, restraining such Person or Entity from continuing any prohibited activity and compelling compliance with lawful requirements. However, this subsection does not permit the City or any court of competent jurisdiction to restrain the sale of any Covered Drug or Sharps in the City.
- H. Any Person who knowingly and willfully violates the requirements of this chapter or any rule or regulation adopted pursuant to this chapter is guilty of a misdemeanor. A conviction for a misdemeanor violation under this chapter is punishable by a fine of not less than fifty dollars (\$50.00) and not more than five hundred (\$500.00) for each day per violation, or by imprisonment for a period not to exceed six (6) months, or by both such fine and imprisonment.
- I. The remedies provided by this chapter are cumulative and in addition to any other remedies available at law or in equity.

8.40.150 Additional provisions

- A. Disclaimer. In adopting and implementing this chapter, the City is assuming an undertaking only to promote the general welfare. The City is not assuming or imposing on its officers and/or employees an obligation by which they could be liable in money damages to any Person or Entity who claims that a breach proximately caused injury.
- B. Conflict with State or Federal Law. This chapter shall be construed so as not to conflict with applicable federal, State, and/or Santa Cruz County laws, rules or regulations. Nothing in this chapter shall authorize any City agency or Department to impose any duties or obligations in conflict with limitations on municipal authority established by state or federal law at the time such agency or Department action is taken. The City shall

Adoption of an Ordinance regarding Medicine and Sharps Disposal
September 8, 2016

- suspend enforcement of this chapter to the extent that said enforcement would conflict with any preemptive State or federal legislation subsequently adopted.
- C. Severability. If any of the provisions of this chapter or the application thereof to any Person or circumstance is held invalid, the remainder of those provisions, including the application of such part or provisions to Persons or circumstances other than those to which it is held invalid shall not be affected thereby and shall continue in full force and effect. To this end, the provisions of this chapter are severable.
- D. Nothing in this chapter, or the Product Stewardship Program in which Producers of Sharps and Covered Drug products who sell Sharps and/or Covered Drugs in the are required to participate, is intended to protect anticompetitive or collusive conduct nor shall this chapter be construed to modify, impair, or supersede the operation of any of the antitrust laws or unfair competition laws of the State of California or of the United States.
- E. This chapter shall be construed in accordance with California state law, including but not limited to the Medical Waste Management Act set forth at California Health and Safety Code Section 117600, et seq., and shall not be construed in a way that would result in conflict with, or preemption by, any such state law.
- F. Environmental Findings. This chapter is entitled to a categorical exemption of the California Environmental Quality Act ("CEQA") pursuant to 14 California Code of Regulations sections 15307, which exempts "actions taken by regulatory agencies, as authorized by state or local ordinance, to assure the maintenance, restoration, enhancement, or protection of the environment where the regulatory process involves procedures for protection."
- G. This chapter shall be in effect for a period of ten (10) years following enactment.

SECTION II

This Ordinance shall take effect on the 31st day after the date of final passage.

This ordinance was introduced on the 25th day of August, 2016, and was passed and adopted by the City Council of the City of Capitola on the 8th day of September, 2016, by the following vote:

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: Public Works Department

SUBJECT: Consider Awarding a Contract for the Jade Street Tennis Court Rehabilitation Project

RECOMMENDED ACTION: Award a contract to Vintage Contractors, Inc. in the amount of \$118,060 for construction of the Jade Street Tennis Court Slip Sheet Overlay Project.

BACKGROUND: On August 31, 2016 the City received one bid for construction of the Jade Street Tennis Court Slip Sheet Overlay Project which will rehabilitate the tennis courts. The lone bid was received from Vintage Contractors, Inc. out of San Francisco. Vintage Contractors is the same firm that had previously been awarded this project, but due to a technicality, the project needed to be rebid.

DISCUSSION: The bid price of \$118,060 is slightly more than their original price of \$113,560. The additional cost is most likely do to bonding requirements which were not included in the original scope of work. With the award of the contract, work will begin in mid-October when the current tennis sessions are completed. The work shall take approximately five weeks to complete, during which time the courts will be completely closed to the public.

FISCAL IMPACT: Funding for the project includes a \$38,000 donation from the Rudolph F. Monte Foundation with the balance coming from the Capital Improvement Fund. The additional cost of this contract of \$4,500 from the original contract will be covered by a transfer within the Capital Improvement Program fund and no additional funds transfers will be necessary.

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: Public Works Department

SUBJECT: Consider Authorizing the Public Works Director to Issue a Request for Qualifications for Architectural Design Services for the Capitola Branch Library

RECOMMENDED ACTION: Authorize and direct the Public Works Director to issue a Request for Qualifications.

BACKGROUND: With the passage of Measure S this summer, the City has obtained the funding necessary to build a new Capitola Library. The new library would replace our current local branch library that is undersized and currently housed in a 16-year old temporary modular building.

Public Works staff with the assistance of Bogard Construction as the Project Manager has prepared the attached Request for Qualifications (RFQ) for architectural services for the new Capitola Branch Library. The selection of an architectural firm will be a key step in the project development. Upon submittal by interested architectural firms, project staff will review and rank the firms and interviews will be conducted with the top three firms, with participation from the City's Library Advisory Committee.

DISCUSSION: Below is the proposed schedule for the selection process:

| | |
|-------------------------------------|-------------------------|
| Release of RFQ | September 9 |
| Submittal Due Date | October 7 |
| Interviews | Week of October 17-21 |
| Selection and contract negotiations | October 24 - October 28 |
| Recommendations to Council | November 10 |

FISCAL IMPACT: The architectural contract will be paid out of the Library Project funding which includes \$8 million from the recently approved library bond measure and \$2.6 million from of Successor Agency funding. The architectural contract is estimated to cost up to 11% of the construction cost which is currently estimated at \$8 million.

I. Request for Qualifications for Architect

The City of Capitola is soliciting a written response from qualified architectural firms to the Request for Qualifications (RFQ) to provide services for the following project:

**CAPITOLA LIBRARY
2005 WHARF ROAD, CAPITOLA, CA**

The selected consultant would provide consulting design and construction administration services for design, construction documents and construction administration, for the project.

The City of Capitola is engaged in a planning and development process for a new approximately 13,000 square foot library to be built in the location of the current Capitola Library at 2005 Wharf Road. The City has an agreement with Santa Cruz County to begin construction of this library before June, 2019. The County has agreed to staff and operate the library.

The project is being funded through a combination of sources. Specifically the City will be allocated \$8 million in proceeds from a regional bond measure that was approved by voters, plus an additional \$2.6 million in funding from the City's former Redevelopment Agency, bringing the total project budget to \$10.6 million.

In 2011 the City completed a Needs Assessment, which called for a new library of approximately 13,000 SF. Recently the City completed conceptual renderings of the new library to help the community better understand what the new building might look like. The City is in the process of updating the 2011 Needs Assessment to reflect any changes in usage or demographics that have occurred over the last five (5) years.

Current project information can be viewed at:

<http://www.cityofcapitola.org/communitydevelopment/page/new-capitola-branch-library>

- ◆ Capitola Branch Library Space Needs Assessment
- ◆ October 28, 2015 Community Workshop Presentation
- ◆ Santa Cruz Public Library Master Plan
- ◆ Conceptual Library Rendering - Elevation
- ◆ Conceptual Library Site Plan
- ◆ Conceptual Library Design Presentation

Interested firms will be required to submit statements of qualifications and other documentation demonstrating related experience, using standard forms provided by the City. Every effort will be made to ensure that all persons, regardless of race, religion, sex, color, ethnicity and national origin have equal access to contracts and other business opportunities with the City. Proof of equal employment opportunity policy may be required of each candidate firm.

The deadline for submission of the completed RFQ package will be no later than **3p.m. on Friday, October 7, 2016.**

Submit the RFQ package to:

**City of Capitola
420 Capitola Avenue
Capitola, CA 95010
Attention: Capitola Library RFQ**

Completed qualification packages must be received by **3p.m. on Friday, October 7, 2016** to be considered. The City reserves the right to request, receive, and evaluate supplemental information after the above time and date, at its sole determination.

Please do not submit information not requested in the RFQ.

II. Project Information and Requirements

A. Selection Process

Proposals will be evaluated on the basis of the following:

- ◆ Quality and completeness of the proposal
- ◆ Demonstrated ability to provide the necessary architectural services
- ◆ Demonstrated qualifications and experience of the proposed team
- ◆ References

Based on the City's review of the response to the RFQ's, the City will select firms to interview. Final selection will be based on the review of proposals, follow-up discussions with selected firms, and recommendations from past and current clients.

Final approval will be at the discretion of the Capitola City Council. The City further reserves the right to negotiate directly with only one (1) firm or discontinue this process at any time.

B. Architect Requirements

The architect for the project must be willing to work collaboratively with the City and Library's staff, representatives, user groups, administrators, as well as in-house engineers and maintenance staff, as part of the team under the management of the City of Capitola's Project Manager.

In the submittal to the City, the architect must effectively address the following:

1. High level of design quality and in the design of libraries and similar public works facilities.
2. High level of design quality and experience of the architect's proposed consulting team with proven expertise and experience in the design of libraries and similar public works facilities.
3. Experience working with the proposed consulting team on past projects, including of libraries and similar public works facilities.
4. Schedule compliance with regards to the preparation of design and construction documents and submittal to regulatory agencies.
5. Budget compliance in design and construction, including cost effective building construction and operationally efficient functional systems.
6. Experience of selected consultants. Consultants may include, but not be limited to; library planners, mechanical engineers, electrical engineers, code consultants, acoustical consultants, and cost estimators.

C. Code Requirements

The design and construction of the City's building projects are required to conform to all applicable Federal and State regulations including the California Code of Regulations (e.g. Titles 8, 19, 24, etcetera, and the Americans with Disabilities Act).

D. General Scope of Work

Refer to Attachment C, Scope of Services Summary, for general description of the scope of architectural services to be provided.

E. Contract Requirements

All services to be provided by the architect shall be in accordance with the enclosed standard City documents. These documents are provided for review.

1. *City of Capitola Professional Services Agreement*
2. The City requires evidence of insurance coverage: General Liability, Professional Liability, Automobile Liability, and Worker's Compensation. If the architect does not currently have coverage in accordance with the City's policies, then evidence should be submitted indicating that such coverage will be effective prior to entering into a contractual agreement with the City.

F. Schedule for Selection Process

In accordance with established City procedures, the City will review all submittals in response to the RFQ and will select the preferred firm for the project. The proposed selection process is as follows:

1. Interested firms submit response to RFQ to the City no later than **Friday, October 7, 2016**.
2. The City's selection committee will review the submittals and may select up to three (3) firms to interview.
3. Interviews will be held during the week of **October 17, 2016 through October 21, 2016**.
5. Upon completion of the interview process, the selection and notification by the City will be prepared and submitted to the successful architectural firm by **the end of October 2016**.

The criteria for review of the submitted responses and selection of the successful firm are provided in Attachment A: Selection Criteria.

III. Request for Qualifications and Submission Process

To be fully considered, please comply with the following instructions:

A. Format

1. Submittal material shall be double-sided, and bound in 3-ring binder or comb-bound.
2. Include a Table of Contents.
3. Provide dividers with tabs to separate and identify each response item described below. The tabs shall be numbered (1, 2, 3, 4, and 5) to correspond to each response item. If the firm chooses to provide other relevant information it wishes the City to consider, such as firm's brochure or a discussion of recent and relevant work, add a tab numbered 6.

B. Required Response Items

The RFQ Submittal shall contain the following response items:

No Tab Letter of Interest

As the first document bound into the submission, provide a letter that expresses the firm's interest in the proposed project and describes the firm's perceived strengths to carry out the project.

Tab 1 Qualifications

Complete and submit a **Statement of Qualifications** form, Attachment B.

In response to Item 7 of the Statement of Qualifications form, provide project data for a minimum of five (5) relevant projects similar in size, scope and complexity to the proposed project, for which construction has been completed within the last ten (10) years. Also, if not included as one of the relevant projects, provide a list of any and all projects performed by the firm in the Santa Cruz and Monterey Bay areas within the last five (5) years.

Tab 2 Response to Selection Criteria

Describe how and to what extent, the firm and consulting team satisfies, or intends to satisfy, each of the selection criteria listed in Attachment A.

Tab 3 Project Team Organization Chart

Provide an organizational chart indicating the relationship of the firm's staff members who are proposed to have responsibilities related to the proposed project, as well as your consulting team and their proposed staff members. Indicate on the chart the names of key personnel and their titles. In addition, following the organizational chart, complete and submit Statement of Qualifications form, Attachment B. for any proposed consultants.

Tab 4 Project Team Information

Identify by names and titles key staff members who will be assigned to the project or who will otherwise play a major role in the project. Briefly describe each individual's proposed role and the percentage of commitment (of time) for the entire duration of the project.

Submit a resume for each key staff member identified in the response to the above information. Include all relevant experience with similar projects, and indicate the role or duties performed on each such project. Also include employment history.

Tab 5 Supplemental Information

Complete, sign and submit Request for Supplemental Information – Claims form (included in Attachment B).

Letter of Acceptance of City's Documents

- a. The firm shall carefully review the standard City documents provided in Attachment C.

- b. A letter prepared on the firm's letterhead shall state the firm's acceptance of said documents as written. Alternatively, the letter shall describe any proposed minor modifications to the standard documents that the firm deems necessary for acceptance. The selection of the architect shall not be construed as acceptance by the City of any of the proposed modifications to the standard documents. The City reserves its right to require modifications to the attached standard documents prior to execution.
- c. Certificate of Insurance: Firm shall submit a Certificate of Insurance (photocopy) indicating the firm's present coverage.

No Tab Architect Fee Acknowledgment Form

In a sealed envelope, submit a completed copy of **Architect Fee Acknowledgment Form**. Envelopes will be returned, unopened, to all unsuccessful firms, following the selection of the firm that appears most qualified. Note: submit only one (1) completed copy of this form (PDF not required).

C. Submitting the Documents to the City

No later than the time indicated in Request for Qualifications for Architect, deliver **three (3) bound copies of the RFQ submittal documents, and one electronic copy (in PDF format)** by messenger, Federal Express, or equivalent to:

**City of Capitola
420 Capitola Avenue
Capitola, CA 95010
Attention: Capitola Library**

Do not send by U. S. Mail.

D. Selection of Architect

The selection committee will make a single recommendation of an architect, along with one (1) alternate firm for the project to the appropriate administrators for approval. Upon approval, the City will enter into contract negotiations with the selected firm. If negotiations are not successfully concluded, the City reserves the right to negotiate with alternate firm. Prior to the execution of the Agreement with the Architect, the selected firm shall complete and submit a Certificate of Insurance confirming that the coverage required by the City has been obtained. Final selection and appointment are contingent upon approval of the proposed project by the City Council of the City of Capitola.

CITY OF CAPITOLA PROFESSIONAL SERVICES AGREEMENT

SCOPE OF SERVICES SUMMARY

Attachment: Library Architect RFQ (1572 : RFQ Capitola Branch Library)

This page is intentionally blank.

Attachment: Library Architect RFQ (1572 : RFQ Capitola Branch Library)

**CITY OF CAPITOLA
PROFESSIONAL SERVICES AGREEMENT**

_____ (insert brief description of contract)
_____ (insert consultant name)

THIS AGREEMENT is entered into on _____, 201_, by and between the City of Capitola, a Municipal Corporation, hereinafter called "City" and _____, hereinafter called "Consultant".

WHEREAS, City desires certain services described in Appendix One and Consultant is capable of providing and desires to provide these services;

NOW, THEREFORE, City and Consultant for the consideration and upon the terms and conditions hereinafter specified agree as follows:

**SECTION 1
Scope of Services**

The services to be performed under this Agreement are for _____ (insert brief contract description) and further detailed in Appendix One.

**SECTION 2
Duties of Consultant**

All work performed by Consultant, or under its direction, shall be sufficient to satisfy the City's objectives for entering into this Agreement and shall be rendered in accordance with the generally accepted practices, and to the standards of, Consultant's profession.

Consultant shall not undertake any work beyond the scope of work set forth in Appendix One unless such additional work is approved in advance and in writing by City. The cost of such additional work shall be reimbursed to Consultant by City on the same basis as provided for in Section 4.

If, in the prosecution of the work, it is necessary to conduct field operations, security and safety of the job site will be the Consultant's responsibility excluding, nevertheless, the security and safety of any facility of City within the job site which is not under the Consultant's control.

Consultant shall meet with _____, called "Director," or other City personnel, or third parties as necessary, on all matters connected with carrying out of Consultant's services described in Appendix One. Such meetings shall be held at the request of either party hereto. Review and City approval of completed work shall be obtained monthly, or at such intervals as may be mutually agreed upon, during the course of this work.

**SECTION 3
Duties of the City**

City shall make available to Consultant all data and information in the City's possession which City deems necessary to the preparation and execution of the work, and City shall actively aid and assist Consultant in obtaining such information from other agencies and individuals as necessary.

The Director may authorize a staff person to serve as his or her representative for conferring with Consultant relative to Consultant's services. The work in progress hereunder shall be reviewed from time to time by City at the discretion of City or upon the request of Consultant. If the work is satisfactory, it will be approved. If the work is not satisfactory, City will inform Consultant of the changes or revisions necessary to secure approval.

SECTION 4 Fees and Payment

Payment for the Consultant's services shall be made upon a schedule and within the limit, or limits shown, upon Appendix Two. Such payment shall be considered the full compensation for all personnel, materials, supplies, and equipment used by Consultant in carrying out the work. If Consultant is compensated on an hourly basis, Consultant shall track the number of hours Consultant, and each of Consultant's employees, has worked under this Agreement during each fiscal year (July 1 through June 30) and Consultant shall immediately notify City when the number of hours worked during any fiscal year by any of Consultant's employees reaches 900 hours. In addition each invoice submitted by Consultant to City shall specify the number of hours to date Consultant, and each of Consultant's employees, has worked under this Agreement during the current fiscal year.

SECTION 5 Changes in Work

City may order major changes in scope or character of the work, either decreasing or increasing the scope of Consultant's services. No changes in the Scope of Work as described in Appendix One shall be made without the City's written approval. Any change requiring compensation in excess of the sum specified in Appendix Two shall be approved in advance in writing by the City.

SECTION 6 Time of Beginning and Schedule for Completion

This Agreement will become effective when signed by both parties and will terminate on the earlier of:

- The date Consultant completes the services required by this Agreement, as agreed by the City; or
- The date either party terminates the Agreement as provided below.

Work shall begin on or about _____, 201__.

In the event that major changes are ordered or Consultant is delayed in performance of its services by circumstances beyond its control, the City will grant Consultant a reasonable adjustment in the schedule for completion provided that to do so would not frustrate the City's objective for entering into this Agreement. Consultant must submit all claims for adjustments to City within thirty calendar days of the time of occurrence of circumstances necessitating the adjustment.

SECTION 7 Termination

City shall have the right to terminate this Agreement at any time upon giving ten days written notice to Consultant. Consultant may terminate this Agreement upon written notice to City should the City fail to fulfill its duties as set forth in this Agreement. In the event of termination, City shall pay the Consultant for all services performed and accepted under this Agreement up to the date of termination.

3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled except after prior written notice has been given to the City.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Waiver of Subrogation

Contractor hereby agrees to waive rights of subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. **The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City of Capitola** for all work performed by the Contractor, its employees, agents and subcontractors.

Verification of Coverage

Consultant shall furnish the City with original certificates and amendatory endorsements affecting coverage by this clause. The endorsements should be on forms provided by the City or on other than the City's forms provided those endorsements conform to City requirements. All certificates and endorsements are to be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time.

SECTION 9 Indemnification

(For Design Professionals as defined in Civil Code section 2782.8: licensed architects, licensed landscape architects, professional engineers, professional land surveyors):

Consultant agrees to indemnify, defend, and hold harmless the City, its officers, officials, employees, agents and volunteers from and against any and all claims, demands, actions, damages, or judgments, including associated costs of investigation and defense arising in any manner from the negligence, recklessness, or willful misconduct of Consultant, Consultant's employees, agents, or subcontractors in the performance of this agreement. But this indemnity does not apply to liability for damages arising from the sole negligence, active negligence or willful misconduct of the City.

(For Non Design Professionals, such as for construction management services):

Consultant shall hold harmless, defend, and indemnify City and its officers, officials, employees, agents, and volunteers from and against all claims, damages, losses, and expenses including attorney fees arising out of the performance of the work described herein, caused in whole or in part by any negligent act or omission of the Consultant, Consultant's employees, agents or subcontractors, except where caused by the active negligence, sole negligence, or willful misconduct of the City.

SECTION 10 **Civil Rights Compliance/Equal Opportunity Assurance**

Every supplier of materials and services and all consultants doing business with the City of Capitola shall be in compliance with the applicable provisions of the Americans with Disabilities Act of 1990, and shall be an equal opportunity employer as defined by Title VII of the Civil Rights Act of 1964 and including the California Fair Employment and Housing Act of 1980. As such, consultant shall not discriminate against any person on the basis of race, religious creed, color, national origin, ancestry, disability, medical condition, marital status, age or sex with respect to hiring, application for employment, tenure or terms and conditions of employment. Consultant agrees to abide by all of the foregoing statutes and regulations.

SECTION 11 **Legal Action/Attorneys' Fees**

If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees in addition to any other relief to which he or she may be entitled. The laws of the State of California shall govern all matters relating to the validity, interpretation, and effect of this Agreement and any authorized or alleged changes, the performance of any of its terms, as well as the rights and obligations of Consultant and the City.

SECTION 12 **Assignment**

This Agreement shall not be assigned without first obtaining the express written consent of the Director after approval of the City Council.

SECTION 13 **Amendments**

This Agreement may not be amended in any respect except by way of a written instrument which expressly references and identifies this particular Agreement, which expressly states that its purpose is to amend this particular Agreement, and which is duly executed by the City and Consultant. Consultant acknowledges that no such amendment shall be effective until approved and authorized by the City Council, or an officer of the City when the City Council may from time to time empower an officer of the City to approve and authorize such amendments. No representative of the City is authorized to obligate the City to pay the cost or value of services beyond the scope of services set forth in Appendix Two. Such authority is retained solely by the City Council. Unless expressly authorized by the City Council, Consultant's compensation shall be limited to that set forth in Appendix Two.

SECTION 14 Miscellaneous Provisions

1. *Project Manager.* Director reserves the right to approve the project manager assigned by Consultant to said work. No change in assignment may occur without prior written approval of the City.
2. *Consultant Service.* Consultant is employed to render professional services only and any payments made to Consultant are compensation solely for such professional services.
3. *Licensure.* Consultant warrants that he or she has complied with any and all applicable governmental licensing requirements.
4. *Other Agreements.* This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter, and no other agreement, statement or promise related to the subject matter of this Agreement which is not contained in this Agreement shall be valid or binding.
5. *City Property.* Upon payment for the work performed, or portion thereof, all drawings, specifications, records, or other documents generated by Consultant pursuant to this Agreement are, and shall remain, the property of the City whether the project for which they are made is executed or not. The Consultant shall be permitted to retain copies, including reproducible copies, of drawings and specifications for information and reference in connection with the City's use and/or occupancy of the project. The drawings, specifications, records, documents, and Consultant's other work product shall not be used by the Consultant on other projects, except by agreement in writing and with appropriate compensation to the City.
6. *Consultant's Records.* Consultant shall maintain accurate accounting records and other written documentation pertaining to the costs incurred for this project. Such records and documentation shall be kept available at Consultant's office during the period of this Agreement, and after the term of this Agreement for a period of three years from the date of the final City payment for Consultant's services.
7. *Independent Contractor.* In the performance of its work, it is expressly understood that Consultant, including Consultant's agents, servants, employees, and subcontractors, is an independent contractor solely responsible for its acts and omissions, and Consultant shall not be considered an employee of the City for any purpose.
8. *Conflicts of Interest.* Consultant stipulates that corporately or individually, its firm, its employees and subcontractors have no financial interest in either the success or failure of any project which is, or may be, dependent on the results of the Consultant's work product prepared pursuant to this Agreement.

APPENDIX TWO Fees and Payments

For the services performed, City will pay consultant on a time-charge plus expense basis, monthly as charges accrue, the sum of consultant's salary expenses and non-salary expenses.

Salary expenses include the actual direct pay of personnel assigned to the project (except for routine secretarial and account services) plus payroll taxes, insurance, sick leave, holidays, vacation, and other fringe benefits. The percentage of compensation attributable to salary expenses includes all of Consultant's indirect overhead costs and fees. For purposes of this Agreement, Consultant's salary expenses and non-salary expenses will be compensated at the rates set forth in the fee schedule attached to this appendix and in accordance with the terms set forth therein. Non-salary expenses include travel, meals and lodging while traveling, materials other than normal office supplies, reproduction and printing costs, equipment rental, computer services, service of subconsultants or subcontractors, and other identifiable job expenses. The use of Consultant's vehicles for travel shall be paid at the current Internal Revenue Service published mileage rate.

Salary payment for personnel time will be made at the rates set forth in the attached fee schedule for all time charged to the project. Normal payroll rates are for 40 hours per week. Consultant shall not charge the City for personnel overtime salary at rates higher than those set forth in the attached fee schedule without the City's prior written authorization.

In no event shall the total fee charged for the scope of work set forth in Appendix One exceed the total budget of \$_____ (_____ Thousand Dollars and Zero Cents), without specific, written advance authorization from the City.

Payments shall be made monthly by the City, based on itemized invoices from the Consultant which list actual costs and expenses. Such payments shall be for the invoice amount. The monthly statements shall contain the following affidavit signed by a principal of the Consultant's firm:

"I hereby certify as principal of the firm of _____, that the charge of \$_____ as summarized above and shown in detail on the attachments is fair and reasonable, is in accordance with the terms of the Agreement dated _____, __, __, and has not been previously paid."

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: City Manager Department

SUBJECT: Consider a Resolution Supporting Proposition 67, a Statewide Plastic Bag Ban

RECOMMENDED ACTION: Consider adopting the Resolution and direct staff to distribute a copy of the Resolution to Assemblymember Mark Stone and Governor Jerry Brown.

BACKGROUND/DISCUSSION: In 2014, the California State Legislature passed a ban on single-use plastic bags which was signed into law by Governor Brown. Subsequently, the new law was challenged through the referendum process by the American Progressive Bag Alliance (APBA). The APBA collected a sufficient number of signatures to put Proposition 67, California Plastic Bag Ban Veto Referendum, on the November 8, 2016, ballot for voter approval/disapproval. If Proposition 67 is approved by the state's voters, it would:

- Ratify Senate Bill 270 (2014).
- Prohibit grocery stores, pharmacies, convenience stores, and liquor stores from providing plastic single-use carryout bags;
- Allow single-use plastic bags for meat, bread, produce, bulk food and perishable items.
- Mandate stores to charge at least 10 cents for recycled, compostable and reusable grocery bags.
- Exempt consumers using a payment card or voucher issued by the California Special Supplemental Food Program from being charged for bags.
- Provide \$2 million to state plastic bag manufacturers for the purpose of helping them retain jobs and transition to making thicker, multi-use, recycled plastic bags.

The ballot measure would require stores to deposit their bag sale proceeds into a special fund administered by the Wildlife Conservation Board. It would mandate the board develop regulations to implement the law.

If passed by voters, Proposition 67 would not impact or modify the City's Plastic Bag Ordinance.

FISCAL IMPACT: None

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CAPITOLA SUPPORTING PROPOSITION 67, CALIFORNIA PLASTIC BAG BAN VETO REFERENDUM, WHICH WOULD RATIFY SENATE BILL 270, CALIFORNIA'S PLASTIC BAG BAN ON THE NOVEMBER 8, 2016, STATE BALLOT

WHEREAS, in 2013 the City of Capitola approved a Single-Use Carry Plastic and Paper Carryout Bag Reduction Ordinance codified in Chapter 8.07 of the Capitola Municipal Code; and

WHEREAS, in 2014, the California State Legislature passed Senate Bill (SB) 270 a ban on single-use plastic bags which was signed into law by Governor Brown; and

WHEREAS, subsequently, the new law was challenged through the referendum process by the American Progressive Bag Alliance, which placed Proposition 67, California Plastic Bag Ban Veto Referendum, on the November 8, 2016, ballot for voter approval/disapproval; and

WHEREAS, ratifying SB 270 would prohibit large grocery stores, pharmacies, small grocery stores, convenience stores and liquor stores from providing plastic single-use carryout bags. It would allow the use of single-use plastic bags for meat, bread, produce, bulk food and perishable items; and

WHEREAS, ratifying SB 270 would mandate stores to charge 10 cents for recycled, compostable and reusable grocery bags; and

WHEREAS, ratifying SB 270 would exempt consumers using a payment card or voucher issued by the California Special Supplemental Food Program from being charged for bags; and

WHEREAS, ratifying SB 270 would provide \$2 million to state plastic bag manufacturers for the purpose of helping them retain jobs and transition to making thicker, multi-use, recycled plastic bags; and

WHEREAS, the City of Capitola supports the statewide ban on plastic bags to promote the reduction of plastic polluting our beaches, parks and the ocean; and

WHEREAS, the City of Capitola supports voting "yes" on Proposition 67 on the November 8, 2016, ballot in California as a veto referendum.

BE IT FURTHER RESOLVED that the City Council of the City of Capitola authorizes the listing of the City of Capitola supports Proposition 67.

CAPITOLA CITY COUNCIL AGENDA REPORT

MEETING OF SEPTEMBER 8, 2016

FROM: Community Development

SUBJECT: Village Parking - Zoning Code Update and In-Lieu Parking Fee Policy Review

RECOMMENDED ACTION: Receive presentation, provide direction, and continue the public hearing on the Zoning Code update to the September 15, 2016, Special City Council Meeting.

BACKGROUND: Village parking has been one of Capitola's most challenging land use issues for decades. Although Village parking capacity has been significantly increased since the creation of Village and Beach Parking Lots 1 and 2, Village parking demand still exceeds the supply during busy summer weekends and holidays.

During Zoning Code update hearings, the Planning Commission recommended several changes to Village parking standards to improve clarity, ease administration, and allow limited expansions of existing Village businesses. However, the majority of the Planning Commission felt unsatisfied with the proposed revisions and expressed their desire to comprehensively resolve long-standing Village parking issues rather than making incremental improvements. Accordingly, the Planning Commission postponed its recommendation on Village parking standards pending further direction from the City Council.

In addition, the City Council previously directed staff to place the In-Lieu Parking Fee Policy on a future agenda for possible revisions. The In-Lieu Parking Fee Policy is also a topic of discussion for the Zoning Code update due to the direct relationship between the policy and the zoning regulations.

DISCUSSION: The Planning Commission's initial revisions to Village parking standards are shown in strikeout/underline format in Chapter 17.76 of the draft Zoning Code update. Notable changes include the following:

- The current six seat limit for take-out restaurants has been eliminated and replaced with an allowance for 300 square-feet of dining/seating area;
- A new provision has been added to allow eating and drinking establishments to expand by 20% of the existing floor area without providing additional parking;
- The City's In-Lieu Parking Fee Policy would be codified;
- The Draft Code would prohibit parking reductions in the Village through shared parking arrangements and parking demand studies for mixed use development;
- A new allowance for mechanical parking lifts.

Although the proposed revisions would improve Village parking regulations, the Planning Commission recognized that Code amendments alone cannot solve Village parking problems without providing additional parking supply to accommodate peak demand periods. Providing additional parking supply is listed as a high priority in the City's 2014 General Plan, which calls for construction of a new multi-level parking structure on Beach and Village Parking Lot #1. The high costs of constructing a multi-level parking structure, however, remains a significant obstacle to addressing long-standing Village parking issues.

The City commissioned an engineering study with Watry Design in 2011 to evaluate several options to construct a parking structure. Based on the study the Traffic and Parking Commission recommended the City pursue a three-level parking structure with a cost estimate of \$12.8 million. In 2015, staff revisited this cost with local estimators, who indicated that construction costs have likely increased by 30-40% since 2011.

Potential funding options include raising parking meter rates, creating a Village parking improvement district, Transit Oriented Tax (TOT) proceeds from a future Village hotel, grants, new taxes, and cuts in City services. It is not expected, however, that any of these options would provide adequate funds to construct a parking structure in the near future. Consequently, it does not appear that there are any near-term options to provide the necessary increase in parking supply to solve Village parking issues during peak demand periods.

Village Parking Issues

In addition to parking supply, a number of other Village parking issues have been debated by the Planning Commission which require direction from the City Council, including:

- **Parkletts.** The Draft Code included a provision to allow parkletts, which would provide street dining areas in the Village. The Planning Commission recommended removing allowances for parkletts.
- **Shared Parking and Parking Studies.** The Draft Code included allowances for multi-tenant buildings to use shared parking and to potentially reduce required parking if a parking study demonstrated that the nature and hours of operation of various uses would have a lower parking demand. The Planning Commission recommended removing these provisions for the Village.
- **Take-out Restaurants.** The current Zoning Code allows take-out restaurants with six seats or less to provide on-site parking at a ratio of one parking space/240 square-feet, whereas full-service bars and restaurants are subject to a 1/60 square-foot requirement. The six-seat restriction has been a long-standing enforcement issue and the Planning Commission recommended a Code revision to allow a take-out restaurant to have 300 square-feet of dining area without providing additional parking.
- **Bar/Restaurant Expansion.** The current Zoning Code requires that an expansion of an existing bar or restaurant use provide a commensurate increase in parking. The Planning Commission recommended adding a provision to allow a 20% expansion without providing additional parking. Permitted expansions include modification of the internal building layout to enlarge the dining area, additions to the size of the business within an existing building footprint, and new outdoor dining areas.

In-Lieu Parking Fee Policy

Zoning Code Update
September 8, 2016

The City currently has an Administrative Policy (Attachment 1) which allows large Village hotels with valet parking to purchase up to 57 parking spaces from the City in Beach and Village Parking Lot #1. The City Council reviewed the Policy on March 24, 2016 (Attachment 2), but did not direct staff to make any changes at that time.

There has been debate over whether the Policy should be expanded to allow participation by other business types and/or to create Village parklets. During Zoning Code update hearings, the Planning Commission recommended codifying the City's current policy, but did not express support for allowing other businesses to participate in the program. The Traffic and Parking Committee previously considered the Policy and expressed their concerns that allowing smaller projects to use the program could incrementally consume parking spaces needed for a future Village hotel and promote undesired Village intensification which would in-turn exacerbate parking problems.

FISCAL IMPACT: None.

ADMINISTRATIVE POLICY

Number: I-33
 Issued: October 10, 2013
 Jurisdiction: City Council

IN-LIEU PARKING FEE PROGRAM

I. PURPOSE

The purpose of this policy is to establish an In-Lieu Parking Fee Program (Program) for new hotel uses in the Village. The Program allows eligible development projects to purchase off-site parking spaces from the City in-lieu of providing on-site parking.

II. POLICY

New large hotels, as defined by Municipal Code section 17.03.320 which provide a valet service, proposed in the Central Village zoning district may request to participate in the Program by submitting an application to the Community Development Department. An applicant may request to purchase any or all of the allotted 57 parking spaces designated for the Program. Applications shall include an economic analysis showing both direct, and indirect economic impacts of the proposed project.

Applications shall be considered by the City Council, and may be approved if the following findings can be made:

1. The proposed project is consistent with the City's Local Coastal Plan and the Coastal Act
2. Offsite parking for the proposed project would reduce traffic impacts and provide a design more consistent with the historic character of the village.
3. The proposed project will help to facilitate the City's economic development goals.

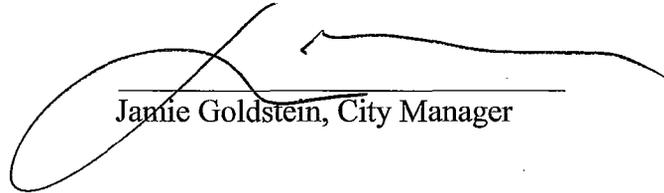

If approved, the applicant shall be required to submit payment prior to issuance of a grading or building permit, whichever comes first. The in-lieu fee rate shall be determined by the City Council based on the cost of constructing a parking structure at the time the application is submitted. The applicant may propose the establishment of an annual assessment rather than an up-front payment of fees. Such annual assessment proposal may be approved or denied by the City Council.

Parking spaces designated for the Program shall be located in the upper Pacific Cove parking lot. The designated parking area shall be conspicuously marked and shall be for the exclusive use by employees and guests of Program participants. Prior to issuance of a building permit, applicants shall be required to submit a plan to secure, monitor, and enforce the use of purchased parking spaces to the satisfaction of City staff. The parking area shall be secured to the City's satisfaction prior to issuance of a certificate of occupancy.

The Community Development Department shall maintain a record of all properties that have fulfilled their parking requirements through payment of in-lieu fees. In the event that a property or use is sold to another party, the purchased parking spaces shall transfer to the new owner(s). Parking spaces may not be sold, transferred, or shared with other parties to meet parking requirements of other uses not authorized by the original permit. In-lieu fees paid to meet parking requirements shall be non-refundable.

Revenue collected from the Program shall be deposited into an interest bearing account established for the sole purpose of contributing to the financing of a future parking facilities, such as a multi-level parking structure located on the upper Pacific Cove property.

This policy is approved and authorized by:

SUBJECT: Review of In-Lieu Parking Fee Program

RECOMMENDED ACTION: Receive presentation and provide direction.

BACKGROUND: The City Council adopted Administrative Policy I-33 (attached) to establish an In-lieu Parking Fee Program (Program) on October 10, 2013. On October 8, 2014, the City Council directed staff to place the Program on a future agenda for further discussion.

DISCUSSION: The City's Program was adopted to allow large Village hotel projects with valet service to satisfy parking requirements through the purchase or lease of parking spaces in Beach and Village Parking Lot #1. The Program would allow qualifying projects to purchase any or all of the 57 designated in-lieu parking spaces.

The Program was made possible by development of the new Beach and Village Parking Lot #2, which added 233 new public parking spaces to the City's inventory. The 57 space inventory for the Program represents the surplus parking capacity over the 176 space deficit identified in the 2008 Parking Analysis for Capitola Village.

An in-lieu fee program for the Village is consistent with the City's 1989 General Plan and certified Local Coastal Program, which required new development in the Village to provide parking outside the Village but within walking distance (exceptions are allowed for non-historic residential uses, the Mercantile, and former Capitola Theater site). The recently updated General Plan reiterates the requirement to provide remote parking for new Village development.

The adopted policy calls for City Council review of all requests to use the Program, and if approved, the cost for in-lieu spaces would be based on the pro-rated cost of constructing a parking structure. Revenue collected from the Program would be deposited into an interest bearing account established for the sole purpose of contributing to the financing of future parking facilities, such as a multi-level parking structure on the Beach and Village Parking Lot #1 property.

Since its adoption in 2013, staff has received inquiries from prospective applicants who are interested in development in and around the Village but cannot meet on-site parking requirements. Development concepts ranging from additional restaurant and bar uses, converting ground floor parking to commercial uses, and Village parklets (small dining areas located in vacated parking spaces) could be potential beneficiaries of an expanded Program.

Members of the Traffic and Parking Committee, however, have expressed concerns about allowing smaller projects to use the Program, citing that it could incrementally consume spaces needed for a future Village hotel and promote intensification which would in-turn exacerbate Village parking problems.

FISCAL IMPACT: None.
