

# *Share your vision* Capitola's Future Library

You are invited to attend a community workshop to help design the future Capitola Library.

The City of Capitola is hosting a Community Workshop to get input on the desired experience and character of the future Capitola Library.

Input from the workshop will be utilized to create inspirational conceptual graphics of the future library. Participate and share your vision with library architects, staff, and your community!

Community Workshop

Wednesday October 28<sup>th</sup>

6:30 PM

Capitola Community  
Center

4400 Jade Street

What has been happening with the library?

What library services might be offered?

What should the new library look and feel like?
