

# City of Capitola

## Special City Council Meeting Agenda

### Thursday, May 18, 2023 – 6:00 PM

City Council Chambers

420 Capitola Avenue, Capitola, CA 95010

Teleconference Location – 2101 Francesco Circle, Capitola, CA 95010

**Mayor:** Margaux Keiser

**Vice Mayor:** Kristen Brown

**Council Members:** Yvette Brooks, Joe Clarke, Alexander Pedersen

---

#### Closed Session – 5:30 PM

*Closed Sessions are not open to the public and held only on specific topics allowed by State Law (noticed below). An announcement regarding the items to be discussed in Closed Session will be made in the City Hall Council Chambers prior to the Closed Session. Members of the public may, at this time, address the City Council on closed session items only. There will be a report of any final decisions in City Council Chambers during the Open Session Meeting.*

- i. CONFERENCE WITH LABOR NEGOTIATORS (Gov't Code § 54957.6)  
Negotiator: Chloe Woodmansee, Assistant to the City Manager  
Employee Organizations: Mid-Management Employees

#### Special Meeting of the Capitola City Council – 6 PM

*All correspondence received prior to 5:00 p.m. on the Wednesday preceding a Council Meeting will be distributed to Councilmembers to review prior to the meeting. Information submitted after 5 p.m. on that Wednesday may not have time to reach Councilmembers, nor be read by them prior to consideration of an item.*

#### 1. Roll Call and Pledge of Allegiance

Council Members Yvette Brooks, Joe Clarke, Alexander Pedersen, Kristen Brown and Mayor Margaux Keiser.

#### 2. Additions and Deletions to the Agenda

#### 3. Additional Materials

*Additional information submitted to the City after distribution of the agenda packet.*

#### 4. Oral Communications by Members of the Public

*Please review the Notice of Remote Access for instructions. Oral Communications allows time for members of the Public to address the City Council on any "Consent Item" on tonight's agenda, or on any topic within the jurisdiction of the City that is not on the "General Government/Public Hearings" section of the Agenda. Members of the public may speak for up to three minutes, unless otherwise specified by the Mayor. Individuals may not speak more than once during Oral Communications. All speakers must address the entire legislative body and will not be permitted to engage in dialogue. A **maximum of 30 minutes** is set aside for Oral Communications.*

#### 5. Staff / City Council Comments

*Comments are limited to three minutes.*

## 6. General Government / Public Hearings

*All items listed in “General Government / Public Hearings” are intended to provide an opportunity for public discussion of each item listed. The following procedure pertains to each General Government item: 1) Staff explanation; 2) Council questions; 3) Public comment; 4) Council deliberation; 5) Decision.*

- A.** Presentation of the Proposed Fiscal Year 2023-24 Budget for the City of Capitola  
Recommended Action: Receive the proposed budget, provide staff direction, and either: 1) Continue budget deliberations to the next scheduled joint budget hearing on June 1, 2023; or 2) Direct staff to prepare the documents for final budget adoption at a regular meeting in June and cancel future planned budget hearings.

## 7. Adjournment

---

### Notice of In-Person & Remote Access

**Meetings are open to the public for in-person attendance at the Capitola City Council Chambers located at 420 Capitola Avenue, Capitola, California, 95010**

#### Other ways to Watch:

Spectrum Cable Television channel 8

City of Capitola, California YouTube Channel

#### To Join Zoom Application or Call in to Zoom:

Meeting ID: **833 2817 3113**

Meeting Passcode: **678550**

#### To make a remote public comment:

**Via Zoom Application:** Use participant option to “raise hand”. The moderator will unmute you

**Via Zoom phone call:** Dial \*9 on your phone to “raise your hand”. The moderator will unmute you

**Notice regarding City Council:** The City Council meets on the 2nd and 4th Thursday of each month at 6:00 p.m. in the City Hall Council Chambers located at 420 Capitola Avenue, Capitola.

**Agenda and Agenda Packet Materials:** The City Council Agenda and the complete Agenda Packet are available for review on the City’s website: [www.cityofcapitola.org](http://www.cityofcapitola.org) and at Capitola City Hall prior to the meeting. Agendas are also available at the Capitola Post Office located at 826 Bay Avenue Capitola. Need more information? Contact the City Clerk’s office at 831-475-7300.

**Agenda Materials Distributed after Distribution of the Agenda Packet:** Pursuant to Government Code §54957.5, materials related to an agenda item submitted after distribution of the agenda packet are available for public inspection at the Reception Office at City Hall, 420 Capitola Avenue, Capitola, California, during normal business hours.

**Americans with Disabilities Act:** Disability-related aids or services are available to enable persons with a disability to participate in this meeting consistent with the Federal Americans with Disabilities Act of 1990. Assisted listening devices are available for individuals with hearing impairments at the meeting in the City Council Chambers. Should you require special accommodations to participate in the meeting due to a disability, please contact the City Clerk’s office at least 24 hours in advance of the meeting at

831-475-7300. In an effort to accommodate individuals with environmental sensitivities, attendees are requested to refrain from wearing perfumes and other scented products.

**Televised Meetings:** City Council meetings are cablecast “Live” on Charter Communications Cable TV Channel 8 and are recorded to be rebroadcasted at 8:00 a.m. on the Wednesday following the meetings and at 1:00 p.m. on Saturday following the first rebroadcast on Community Television of Santa Cruz County (Charter Channel 71 and Comcast Channel 25). Meetings are streamed “Live” on the City’s website at [www.cityofcapitola.org](http://www.cityofcapitola.org) by clicking on the Home Page link “**Meeting Agendas/Videos.**” Archived meetings can be viewed from the website at any time.

# Capitola City Council

## Agenda Report

**Meeting:** May 18, 2023

**From:** Finance Department

**Subject:** Presentation of the Proposed Fiscal Year 2023-24 Budget for the City of Capitola

**Recommended Action:** Receive the proposed budget, provide staff direction, and either: 1) Continue budget deliberations to the next scheduled joint budget hearing on June 1, 2023; or 2) Direct staff to prepare the documents for final budget adoption at a regular meeting in June and cancel future planned budget hearings.

**Discussion:** The City of Capitola proposed Fiscal Year (FY) 2023-24 and FY 2024-25 Budget is a two-year financial plan for the City as outlined by Administrative Policy III-3: Financial Management Policies. This year, the plan incorporates the use of additional available resources programmed toward City Council goals and key projects. The proposed budget was prepared based on a combination of known factors, such as increases in CalPERS (Public Employees' Retirement System) costs, and conservative estimates for both revenues and expenditures.

The budget is the City's operating plan and a primary mechanism by which the Council's goals and vision for the City are transmitted to staff for implementation.

The document is organized to present information in several ways. General Fund revenues and expenditures are shown to provide information about longer-term patterns and overall fiscal stability, then revenues and expenditures for the City's various departments are shown to provide additional detail and information about the City's programs and projects.

Overall, the FY 2023-24 proposed budget reflects a local economy that has recovered from the fiscal impacts associated with the COVID-19 pandemic. The budget maintains services for residents of Capitola while simultaneously providing resources to address City Council Goals & Priorities. Nevertheless, the City must also remain focused on the long-term budget picture, which includes unpredictable CalPERS costs, and a challenging economy in coming years.

This second budget hearing will provide an overview of the City's proposed Capital Improvement Program (CIP) as well as a focused discussion on the following items that were identified during the City Council special budget hearing on May 3, 2023.

*Items Identified on May 3<sup>d</sup>:*

- City Council Goals:
  - Strategic Plan – Increase City Council contract services - \$50,000
  - Water filling stations – Increased Parks Division supplies - \$50,000
  - Payoff SCCB Loan
    - Decreased general fund transfer - \$100,500
    - Increased housing trust fund transfer - \$100,500
  - Mall Redevelopment Committee – General Plan Update Fund - \$25,000
    - This was included in the 1<sup>st</sup> draft of the proposed budget.

- Restricted Transient Occupancy Tax Revenue – Early Childhood & Youth Programs

The Early Childhood and Youth Program (ECYP) is estimated to receive \$64,000 of restricted Transient Occupancy Tax (TOT) revenues in addition to the estimated June 30, 2023, ending fund balance of \$23,000. Additionally, the Restricted TOT fund includes \$27,000 of ECYP scholarships that have not yet been distributed. In FY 2022-23 the City Council authorized the use of \$39,000 over two fiscal years for ECYP scholarships and programming in the Recreation Dept. Approximately \$12,000 was utilized in FY 2022-23 and staff anticipates the remaining \$27,000 to be utilized during FY 2023-24. The proposed budget currently programs \$60,000 in the Community Grant Program for ECYP community grants and \$5,000 for bike safety equipment. Staff has not programmed any of the \$23,000 estimated remaining funds and is seeking direction on:

- How to program the \$23,000 remaining funds; identify potential uses in Recreation and/or maintaining a target fund balance

- General Fund Balance

The estimated general fund balance on June 30, 2024, is \$1.5 million. Traditionally, the City has maintained a target general fund balance of \$500,000 (this was increased to \$750,000 during the pandemic). In addition to the general fund balance, the City Council designated \$100,000 to reestablish the employee downpayment assistance program which was suspended during the pandemic.

During the City Council goal setting on Mar. 1, 2023, the Council directed staff to maintain a general fund target balance of \$500,000, designate \$800,000 for major infrastructure projects and the \$100,000 for the employee downpayment assistance program. There is an estimated \$178,000 of one-time general fund balance that remains undesignated and available for programming.

- Does the Council support adding this amount to the \$800,000 designated for major infrastructure to mitigate inflationary cost increases?

*Amendments to Proposed Budget Previously Discussed:*

Amendments discussed during the May 3<sup>rd</sup> Budget Hearing are detailed below:

- Equipment Internal Service Fund – Increase expenditures by \$209,000.
  - City vehicle replacement with EV's/Hybrids – City Council Goal
  - May 3, 2023, Council gave authorization to proceed with replacement van purchase.
    - Increased Equipment ISF expenditures \$8,000
      - Hybrid Toyota Sienna purchased May 9, 2023 - \$52,463
      - Original staff estimate - \$45,000
  - Additional Equipment Purchases
    - EV Utility Truck – Public Works - \$65,000
      - Truck mounted crane – Public Works - \$25,000
    - ¾ Ton 4 Super Cab Truck – Public Works - \$51,000
    - EV Admin vehicle – Police Dept. - \$60,000

- Police Dept. Staffing: Decrease expenditures by \$20,640
  - Reduced estimated general fund overtime – \$11,159
  - Staffing reorganization – \$9,481
    - 2 Police Captains (currently 1)
    - 4 Police Sergeants (currently 5)
    - Hold ½ time Administrative Assistant vacant – (currently vacant)
- Information Technology Internal Service Fund – Increase \$30,000
  - Computerized Maintenance Management System Software – Public Works
    - Increased department ISF charges
- Wharf Fund - Added FY 2024-25 planned budget.
- Department Accomplishments and Goals – updated.
- Library Fund – Added to special revenue funds section.
- Special Revenue Funds – added information related to contract services.
- Evaluate bringing back the Parking and Traffic Committee

*FY 2023-24 Council Goals:*

The table below shows funding allocated to the FY 2023-24 City Council goals:

<b>Project</b>	<b>Funding</b>
Survey for possible revenue ballot measure	\$ 25,000
Employee Downpayment Assistance	100,000
Increase City Council training budget	5,000
Complete LAFCO sphere study	30,000
Payoff SCCB Loan (4.76%)	725,000
Emergency Reserve Replenishment	250,000
Hold for Major Infrastructure	800,000
Universal Design Playground	200,000
City vehicle replacement with EV's	200,000
Police Dept. tech updates	235,000
Community Center Renovation	1,650,000
Pavement Management	500,000
Hill / Bay Pilot Project	50,000
Esplanade Park	50,000
Gun buy-back program	5,000
Strategic Plan	50,000
Water Filling Stations	50,000
Mall Redevelopment Committee	25,000
<b>Total</b>	<b>\$4,950,000</b>

*Additional FY 2023-24 Council Goals:*

- Adopt children's bill of rights.
- Bring climate goals to City Council (from climate action plan)
- Reach out to school district regarding possible collaborative project at Monterey Park
- Encourage local businesses to participate in CA green business certification program
- Explore grants for Maker Space in Community Center project
- Research intergenerational programs to connect youth with elders utilizing ECYP funding

*Remaining FY 2022-23 Council Goals*

The table below shows the funding allocated to the remaining FY 2022-23 City Council goals:

<b>Project</b>	<b>Funding</b>
Funding to study City Hall options	\$ 50,000
Bluff / Cliff Drive study	50,000
Noble Gulch engineering feasibility study	50,000
Fire risk reduction (eucalyptus groves)	50,000
Peery Park Bridge maintenance	50,000
Total	\$ 250,000

*Additional Proposed Minor Amendments:*

Additional items identified by staff since the first budget hearing include the following:

- City Council supplies, Recognition & Awards – increase \$5,000
  - Return of volunteer appreciation dinner
- Recreation – increase \$6,700
  - Training - \$2,700
  - Supplies - \$4,000
- Wharf Fund – increase expenditures by \$17,500
  - Wharf project enhancement design

The Proposed FY 2023-24 Capital Improvement Program (CIP) includes updates on projects with prior year appropriations of \$14.4 million including \$1.1 million of projects currently under construction, \$3.2 million of additional funding for City Council key projects, and \$2.7 million of completed projects during FY 2022-23. Additionally, both the Wharf Rehabilitation and Rispin Park projects are out for bid representing \$11.5 million of projects anticipated to be under construction in FY 2023-24.

The draft budget has been distributed and is available for public review in the City Hall lobby, as well as on the City's website.

**FISCAL IMPACT:** The goal of these deliberations is to determine the allocation of funds to maintain a balanced budget, provide essential City services, and support priority projects.

# MISSION STATEMENT

## MISSION

Our mission, as the employees of the City of Capitola, is to provide high quality service for our residents, visitors, businesses & employees.

## VISION

Our vision is to be recognized as a model organization that provides excellent and responsive public service that values the people it employs and the community we serve and to always perpetuate a strong work ethic that fosters pride in the work that we do. We will maintain the highest trust and confidence of our City Council and our Community.

## VALUES

- We believe in being open, honest and ethical.
- We believe in treating everyone with respect, courtesy and dignity.
- We believe in being responsive to all the people we work with and serve, and to act in a timely and sensitive manner.
- We believe in participatory management and teamwork. We are united in our belief to support, respect and encourage individual talents and contributions.
- We value innovation and creativity and believe in taking reasonable risks.
- We believe in a philosophy of constantly improving the services we provide.
- We believe in working with our residents & businesses to prepare for and resolve community issues.
- We believe in the vital nature of planning as a continuing process, to achieve the matching of expectations and resources.

In performing our mission, attaining our vision and adhering to our values, we will first look to our core values: *Upholding the Public Trust, Practicing Sound Financial Management and Maintaining a Safe & Healthy Environment.*

TO: City Council

FROM: City Manager

SUBJECT: FY 2023-24 Proposed and FY 2024-25 Planned Budget.

### **CITY MANAGER'S MESSAGE - STATE OF THE CITY**

On behalf of City staff, I am pleased to submit the proposed budget for Fiscal Year (FY) 2023-24. While the local, national, and global economies continue to adjust to the unprecedented fiscal impacts related to the coronavirus (COVID-19) pandemic, Capitola is seeing revenues level off following their return to, and in some instances, exceed pre-pandemic levels. Staff was tasked with developing a budget that continues to deliver the high quality of services the community is accustomed to while also allocating available resources to City Council goals. The result, by design, is a budget in which expenditures exceed revenues by roughly \$1 million. However, the budget still projects to end the year with a general fund balance of approximately \$1.55 million.

The fund balance in the General Fund is projected to remain positive for the next fiscal year, however, based on known increases related to CalPERS pension costs and current assumptions regarding inflation and the recovery of the economy related to COVID-19, the General Fund will require increasing contributions from Measure F revenues to remain in balance and will become structurally imbalanced in FY 2027-28 upon the sunset of Measure F. The budget provides ample resources to maintain a high level of services for Capitola residents this coming fiscal year. Nevertheless, the City must also remain focused on the long-term budget picture, which not only includes a great deal of uncertainty around general fund revenues but must continue to address increasing pension costs. The erratic revenue data and increasing pension costs will likely result in challenging budgetary decisions for several years. In the coming fiscal year staff will continue to closely monitor general fund revenues, paying extra attention to sales and transient occupancy tax performance, and continue to report to the City Council on a regular basis. Additionally, staff will develop options for Council consideration to balance the near- and longer-term budgets as well as focus on the long-term structural budget issues.

This last winter the City was heavily impacted by major storm events. Those events resulted in approximately \$3.5 million in damages to public infrastructure and significant impacts to private development adjacent to the ocean. In response, the City, State and Federal government declared a state of emergency, which enables the City to utilize Federal Emergency Management Agency (FEMA) and State disaster funding. Based on the projected Federal/State reimbursements the City will likely incur approximately \$250,000 in unanticipated costs, which have been funded from the City's Emergency Reserve Fund. This proposed budget includes funding to replenish that Reserve and return it to policy funding levels.

The Capitola Mall remains a major funding source for the City, however long-term national and local trends, along with COVID-19, have put significant pressure on existing brick-and-mortar

retailers to remain competitive with internet options. The Mall was purchased in 2016 by Merlone Geier Partners, which also acquired the old Sears building in 2018. In FY 2019-20 the new owners initiated a public process, including a public meeting and regional survey of residents to begin evaluating options to redevelop the Mall.

City staff remains actively engaged with Mall ownership to help them navigate the development review processes, however, the COVID-19 pandemic has put the project on pause for the near term. Obviously, the long-term fiscal health of the City is closely related to a successful Mall that meets the community’s needs. As the outcome of any potential Mall redevelopment is unknown at this time, the site remains a major opportunity, and challenge, as the City evaluates its long-term fiscal position.

In 2016 voters passed Measure F to extend a temporary quarter percent local sales tax for an additional 10 years. The City is committed to using this funding source to protect the wharf and beach from storms and rising sea levels, maintain police services, and improve sidewalks, parks, and bike safety. Staff anticipates Measure F revenues in FY 2022-23 to slightly exceed pre-pandemic levels and the proposed budget continues to implement these commitments.

The first major Measure F projects completed were renovations to the City’s jetty and flume in 2020. Improvements to the jetty and rebuilding the flume that conveys water from the seasonal lagoon to the ocean, allows the City to maintain a world-class beach during the summer. The jetty sustained damages during the Jan. 5, 2023, storm and staff anticipates that repairs will qualify for FEMA and Cal OES disaster relief funding.

The Wharf renovation project will be a second important focus for the Measure F funding. Capitola’s Wharf is a historic icon for the City, allowing countless residents and visitors to experience the Monterey Bay Marine Sanctuary in a unique way. The Wharf renovation project will focus on improving the Wharf’s long-term resilience in the face of rising sea levels and powerful winter storms. The City completed environmental review in 2020 and anticipates bidding the project in the summer of 2023 with construction currently targeted for late 2023.

The \$8 million wharf project became fully funded in Dec. 2022 when the City received approval of a \$3.5 million federal grant. The federal grant will be combined with a \$1.9 state grant and \$2.6 million of Measure F funding. In addition, the wharf suffered approximately \$1 million in damages during the Jan. 5, 2023, storm. The damages repairs will be funded with \$1 million of insurance funding bringing the total repair and rehabilitation project to \$9 million.

The Proposed FY 2023-24 Budget programs a reduction in the General Fund balance of \$1 million while still ending the year with a projected fund balance of \$1.55 million. This is due to the City building the general fund balance over the last two fiscal years through a conservative and proactive management approach to the pandemic. A summary of major budgetary changes is provided in the table below with details provided on the pages following the tables.

<b>New Revenue Sources</b>	<b>Amount</b>	<b>Frequency</b>
General Fund Balance	\$4,750,000	One time
Property Tax	119,000	Ongoing
Sales Tax	127,000	Ongoing
TOT	100,000	Ongoing
Charges for Services	82,000	Ongoing

<b>New Project / Expense</b>	<b>Amount</b>	<b>Frequency</b>
City Council Goals	\$4,820,000	One time
CalPERS Unfunded Actuarial Liability Increase	(42,500)	One time
Contract Services	100,000	Ongoing
Staffing		
Cost of Living and Step Increases	208,400	Ongoing
Additional Staffing	98,000	Ongoing

## BUDGETARY GOALS AND PRINCIPLES

The FY 2023-24 General Fund budget was developed with an emphasis on financial stability and maintaining core programs and services for Capitola residents and visitors. As a first step in developing the Budget, the City Council identified its budget principles as well as key projects and programs for FY 2023-24. Those key projects and programs provide a tool for the City to clearly articulate its priorities to the community and to evaluate performance on an annual basis.

The following tables include the Council’s identified budget principles and a workplan for key projects and programs.

### Budget Principles

Fiscal Policy	Public Service	Public Improvements
Maintain a balanced budget that ensures ongoing expenditures can be met with ongoing revenues	Maintain, and improve upon, the transparency of City operations and accessibility of government	Maintain the City's infrastructure by providing maximum funding for the pavement management system
Use one-time revenues for one-time expenditures	Recognize the high priority the community places on the public's safety	Maintain and improve Capitola's natural resources and sustainable green programs
Ensure the budget plans for future cost increases and attainable revenue estimates	Analyze future service level increases with their long-term financial impacts to ensure financial stability	Ensure maintenance and cleanliness of City facilities, sidewalks, and streets

### Key Projects/Programs - Workplan

Budget Principle	Key Project/Program	Lead Department	Expected FY Outcome
Fiscal	Develop options for Council consideration to address rising CalPERS costs	Finance	Identify options in budget. Continue monitoring long term revenue-expenditure projections with FAC and Council
	Pursue future revenue options	Finance	Bring FAC revenue recommendations to City Council for review
Public Service	Continue working with Capitola Mall ownership group to redevelop the mall	Community Development	Work with Mall owners to prepare mall redevelopment submittal and establish City's technical review team
	Carry-out City Council Goals & Priorities	City Manager	Continue to offer services to residents and businesses while maintaining a safe and healthy workplace.
Public Improvements	Complete funded CIPs.	Public Works	Projects progression toward completion maximized

The City Council also proposed funding allocations to the following projects:

Project	Funding
Survey for possible revenue ballot measure	\$ 25,000
Employee Downpayment Assistance	100,000
Increase City Council training budget	5,000
Complete LAFCO sphere study	30,000
Payoff SCCB Loan (4.76%)	725,000
Emergency Reserve Replenishment	250,000
Hold for Major Infrastructure	800,000
Universal Design Playground	200,000
City vehicle replacement with EV's	200,000
Police Dept. tech updates	235,000
Community Center Renovation	1,650,000
Pavement Management	500,000
Hill / Bay Pilot Project	50,000
Esplanade Park	50,000
Funding for gun buy-back	5,000
<b>Total</b>	<b>\$4,825,000</b>
Establish Mall redevelopment committee*	25,000
Establish long term strategic goals*	50,000
Add more public water bottle fill stations*	50,000

\* Costs associated with these items have been estimated by staff following the Council Goal setting session, but these expenditures have not been included in the proposed budget.

The City has successfully navigated the fiscal impacts from COVID-19 and is not only positioned to continue to deliver a high level of services to City residents, but also provide resources to multiple key projects city-wide.

**OTHER BUDGETARY HIGHLIGHTS AND PROPOSED CHANGES**

While the budget was largely prepared to maintain core services and keep expenditures at the lowest level possible, several changes are identified in this budget.

Staffing

At the onset of the COVID-19 Pandemic the City “froze” seven vacant positions in order to utilize salary savings to assist in navigating the fiscal impacts of the pandemic. The proposed budget includes returning the last one and one-half frozen positions in the City Manager and Finance Departments.

Youth Funding and Business Group Funding

With the passage of Measure J in 2018, Capitola became one of the first cities in the state to establish a children’s fund that is supported by a dedicated tax measure. Transient Occupancy Tax (TOT) revenues perform well, and the proposed budget includes an allocation of \$64,000 from the children’s fund to support early childhood and youth programming. The budget also includes approximately \$73,000 of funding for the Chamber of Commerce and the Village Business Improvement District, also using the restricted Measure J funding. Staff will bring ideas to utilize ECYP funding to the budget hearings for Council consideration.

## General Fund Balance

Due to the diligent work of the City Council in taking a pragmatic approach to budgeting, the oversight of the City's Department Head team, and contributions from every City staff member, the City is projected to be able to close FY 2022-23 year with a general fund balance of approximately \$2.6 million. During the City Council goal setting session on March 1<sup>st</sup>, the City Council dedicated approximately \$4.8 million towards key projects and goals. While the allocation of available resources creates a FY 2023-24 Proposed Budget in which expenditures exceed revenues by approximately \$922,000, the general fund is still projected to end FY 2023-24 with an estimated fund balance of \$1.6 million.

This funding is in addition to the City's established Contingency and Emergency reserves set at 15 and 10 percent of total expenditures, respectively. Current revenue and expenditure projections show revenues not keeping pace with expenditures, requiring usage of Measure F revenues to structurally balance the budget in the 5-year forecast. Staff will continue to closely monitor revenues, expenditures, and fund balance throughout FY 2023-24 and will report to Council during the mid-year budget report.

## **PRIOR YEAR ACCOMPLISHMENTS**

In FY 2022-23 the City completed several significant projects, which provided residents and visitors with increased recreational and public art opportunities, while continuing to strengthen public safety and community development activities. Some of the City's accomplishments in FY 2021-22 include:

- Responded to winter storm events.
- Completed emergency repair projects to Noble Gulch outflow and Stockton Bridge damaged during storms.
- Provided services, staff, and equipment to ensure public safety and trust.
- Approved projects and programs to maintain and enhance quality of life in Capitola.
- Continued process to digitize and make available public records in electronic formats.
- Issued planning approvals for 36-unit affordable housing project on Capitola Road
- Implemented new hybrid meeting video / audio system.
- Initiated Housing Element update.
- Worked with franchise waste hauler to establish food scrap collection.
- Conducted TOT vacation rental audit.
- Completed needed City Hall maintenance, including new roof, repaired sewer lines, infrastructure for City Hall generator, improvements to public and office restrooms.
- Participated in the 2022 Santa Cruz County Criminal Justice Council Report related to the regional public safety agency policy review and analysis.
- Completed construction of traffic signal control system on 41<sup>st</sup> Avenue
- Completed Clares St. project.
- Continued to Administer the Covid-19 Temporary Use Permits for outdoor dining.
- Administered CARES act relief to local non-profits and rental relief to small businesses.
- Contracted with Central Fire Protection District to provide testing and training services to help establish Capitola's new lifeguard program during summer 2023.
- Offered new classes with a focus on youth recreation activities.
- Installed exhibition "Capitola – Sign of the Times" and hosted reception.

## CONCLUSION

The development of the annual budget takes a great amount of staff time and effort and must be completed in a compressed timeline. I sincerely appreciate all the department directors and departmental budget liaisons for their contributions. Special recognition is extended to the Finance Department for its efforts in coordinating the budget process and preparing the annual budget document.

As the new fiscal year approaches, I wish to express my thanks and appreciation to the Mayor, and members of the City Council for their leadership and support in planning and conducting the financial operations of the City in a responsible and progressive manner. I know that with continued citizen participation, City Council leadership, and ongoing efforts of dedicated employees, Capitola will continue to be a great place to live, work, and enjoy.

# SUMMARY INFORMATION

## Budget Process Overview

Each year the City of Capitola prepares an Operating Budget, a Successor Agency Budget, and a five-year Capital Improvement Program (CIP) budget. The Operating Budget contains the summary and detail information for revenue and expenditure appropriations for the fiscal year (beginning July 1<sup>st</sup> and ending June 30<sup>th</sup>) for several funds as well as a projection for the second fiscal year. The information from the CIP is incorporated, in summary form, in the City’s annual budget. The Successor Agency budget is included in its entirety in the City’s annual budget.

Capitola municipal code (3.200.010 E.) defines a balanced budget as one in which “financing uses including expenditures, inter-fund transfers out, reserves and contingencies should equal financing sources including beginning available fund balance, revenues and inter-fund transfers in.” A key concept in the developmental process for the General Fund Budget revolves around City fiscal policy that current year expenditures are balanced with current year revenue.

The City’s budget process continues throughout the year, with quarterly financial updates published on the Finance Department website and at weekly department head meetings with the City Manager. An outline of the on-going budget process is listed below:

Month	Responsibility	Budget Function
December	Finance	Budget Cycle Begins
January	Finance	Finance prepares mid-year calculations
	City Manager / Departments	Review accomplishments related to prior year Budget Principles
	Finance / Departments	Provides year-end estimates
	Finance	Publishes quarterly reports for October - December
February	Finance / City Manager	Presents mid-year report to Council and FAC
	City Council	Establishes Budget Principles
	Finance	Projects non-departmental revenues and position costs
	Departments	Prepares budget and CIP
March	Finance / Departments	Continue budget projections
	Finance Advisory Committee	FAC discusses elements of the budget
April	City Manager	Reviews departments budget requests
	Finance	Adjusts proposed budget based on City Manager review
	Planning Commission	Reviews CIP
	Finance	Publishes quarterly reports for January - March
May	Finance Advisory Committee	Distributes proposed budget
	Finance / City Manager	Presents proposed budget and CIP to City Council
	Finance Advisory Committee	Provides recommendations to Council
	Community Organizations	Provides funding request information to Council
June	City Council	Deliberates
	City Council	Adopts Budget
July	Finance	Publishes quarterly reports for April - June
October	Finance	Publishes quarterly reports for July - September

## Financial Policies

---

### Basis of Accounting

The City's operating budget consists of governmental funds that include the General Fund, Special Revenue Funds, Internal Service Funds, Debt Service Funds and Capital Project Funds for both the City and the Successor Agency. Governmental fund types and agency fund budgets are developed using the modified accrual basis of accounting. This method is consistent with the presentation of the City's Annual Financial Statements. Under this basis, revenues are estimated for the fiscal year under the condition that they are identifiable and will be collected within sixty (60) days, and sales tax within ninety (90) days, of the close of the fiscal year. Principal and interest on general long-term debt are budgeted as expenditures when due, whereas other expenditures are budgeted for liabilities expected to be incurred during the current period or shortly thereafter.

### Level of Budget Control

Both the City and the Successor Agency appropriate (control) the budget at the Budget Unit level. The Budget Unit level is defined as "department, fund, or other organizational unit whose financial activities are accounted for separately."

Expenditures for the General Fund are considered a Budget Unit at the Department level, with Community Grants controlled at the grantee level. The Successor Agency are considered Budget Units to be at the category level as defined in the budget document.

### Budget Adjustments

After the budget is adopted, any supplemental appropriations of fund balance, or budget transfers over \$25,000 within a Budget Unit will require Council approval. Budget adjustments that are less than \$25,000 and within the same Budget Unit may be approved by the City Manager.

All requests for budget adjustments will include an explanation for the change along with a discussion of fiscal impact. This information will also be documented on a Budget Adjustment Form, which will be reviewed by the Finance Department for fiscal impact, correct account coding, and policy consistency prior to receiving City Council or City Manager approval.

### Financial Committees and Boards

The following committees and boards assist the City in the budget review and development process:

#### Finance Advisory Committee

The Finance Advisory Committee (FAC) works closely with the Finance Director/Treasurer to make recommendations on financial projections or policies identified by the City Council or City Manager. The Committee consists of four Council-appointed members, the Mayor, and a Council Member. The FAC meets several times throughout the year and operates in an advisory capacity with the overall fiscal well-being of the City serving as its guiding principle.

# General Fund Summary

The General Fund continued to remain stable in FY 2022-23 due to a proactive and conservative approach as well as a strong recovery from the pandemic along the Central Coast. The projected General Fund FY 2022-23 ending budgetary fund balance totals \$2.6 million. The General Fund balance is anticipated to decrease in FY 2023-24 by approximately \$1 million as available resources are programmed towards the accomplishment of City Council goals.

The chart below summarizes projected and historical General Fund revenues, expenditures, and fund balances. The table illustrates the effects the improving local economy has had on general fund revenue. Revenue variances primarily include an increase in sales and property tax revenues.

An overview of district taxes (Measure O and F), reserves, and internal service funds are provided within this summary section.

## General Fund Summary

## Emergency, PERS Contingency and Contingency Reserves

In 2000 the City adopted Financial Management policies, establishing a fifteen percent Contingency and a ten percent Emergency Reserve Fund. The Contingency Reserve provides a prudent level of financial resources to protect against temporary revenue shortfalls or unanticipated operating costs, and/or to meet short-term cash flow requirements. The Emergency Reserve protects against significant one-time costs, which might arise from major unpredictable emergency events.

As the 2011 pipe failure demonstrated, a sufficient Emergency Reserve Fund is needed to respond quickly to local disasters, as well as sustain low debt ratios. Due to the City’s location in an active geologic region, adjacency to the ocean, and proximity to a major creek and highway, the City chose to also increase the Emergency Reserve funding level to ten percent of operating expenditures. In FY 15/16 the City implemented a PERS Contingency Reserve Fund to ensure future funding availability for potential CalPERS contribution increases.

The City was able to navigate the fiscal impacts associated the COVID-19 Pandemic without utilizing reserve funds, however, the atmospheric river storms on Jan. 5, 2023, has caused the City to utilize funds from the Emergency Reserve to make emergency repairs. The FY 2023-24 Proposed Budget anticipates returning the reserve balance to the target amount during FY 2023-24. The chart below shows historical and projected reserve fund and resiliency account balances.

## **OPEB and PERS Trust Funds**

---

The City has been proactive in planning for future liabilities. The City has established two trust funds for future retirement costs. The two trust funds are the OPEB (Other Post-Employment Benefits) Trust Fund, which is used for retiree health premiums, and the PERS Trust Fund, which is used for future PERS retirement costs.

### **OPEB Trust Fund:**

Balance 6/30/2022	\$475,869
FY 2022/23 Contributions	67,050
<u>Estimated Interest Earned</u>	<u>5,000</u>
Estimated Balance 6/30/2023	\$547,919
FY 2023/24 Contributions	67,050
<u>Estimated Interest Earned</u>	<u>5,000</u>
Estimated Balance 6/30/2024	\$619,969

### **PERS Trust Fund:**

Balance 6/30/2022	\$904,275
Estimated Interest Earned	10,000
<u>FY 2022/23 Contributions</u>	<u>500,000</u>
Estimated Balance 6/30/2023	\$1,414,275
<u>Estimated Interest Earned</u>	<u>10,000</u>
Estimated Balance 6/30/2024	\$1,424,275

## General Fund Resources

General Fund resources include reserve funds (Emergency, Contingency, PERS Contingency, Facilities) and Internal Service Funds designated for funding equipment purchases, risk management, workers' compensation, and compensated absences. The reserve funds have specific purposes and require a vote of the Council to expend.

The following table shows the estimated General Fund available resources:

<b>Estimated Year End Fund Balance</b>	<b>FY 22/23 Estimated</b>	<b>FY 23/24 Proposed</b>	<b>FY 24/25 Planned</b>
General Fund	\$ 2,595,770	\$ 1,578,398	\$ 1,615,220
<b>Designated Reserves</b>			
Emergency	1,461,506	1,711,506	1,711,506
Contingency	2,192,346	2,364,346	2,417,346
PERS Contingency	1,404,275	1,414,275	1,424,275
Facilities Reserve	332,714	432,714	532,714
<b>Internal Service Funds</b>			
Stores	65,935	65,935	65,935
Information Technology	340,742	344,742	348,742
Equipment Replacement	504,130	660,130	710,130
Self-Insurance Liability	246,204	246,204	246,204
Workers' Compensation	117,080	117,080	117,080
Compensated Absences	110,886	110,886	110,886
<b>Total General Fund Resources</b>	<b>\$ 9,371,587</b>	<b>\$ 9,046,215</b>	<b>\$ 9,300,037</b>

The corresponding chart and graph illustrate internal service fund expenditures and the impact of transfers on the affected funds.

## Fund Balance Summary

# GENERAL FUND REVENUES

## General Fund Revenues

Revenues for the FY 2023-24 General Fund operating budget total \$18.7 million, an increase of approximately \$772,000 or 4.3 percent above FY 2022-23 estimated receipts. Property tax revenues remain strong as assessed values (basis for property tax levies) continue to increase with changes in ownership and an additional 2% CPI increase per Prop 13 provisions. Staff anticipates sales tax revenue to increase around 1.5% over FY 2022-23 and transient occupancy tax to increase about 5% compared to prior year as hotels, motels, and short-term rentals continue strong operations.

A summary of major revenue changes between the FY 2022-23 adopted and FY 2023-24 proposed budgets is listed below:

General Fund Revenues						
	FY20/21	FY21/22	FY 22/23	FY 22/23	FY 23/24	FY 24/25
	Actual	Actual	Amended	Estimated	Proposed	Planned
Taxes	\$ 12,838,748	\$14,514,218	\$14,573,969	\$14,607,713	\$14,943,971	\$15,225,246
Licenses and permits	657,786	718,402	642,100	600,354	651,600	654,725
Intergovernmental revenues	1,404,860	1,350,001	1,442,308	105,700	89,700	91,360
Charges for services	1,604,582	1,894,868	2,076,331	1,797,950	2,157,937	2,487,760

Other revenues	112,881	898,648	106,344	83,850	89,300	90,450
<b>General Fund Revenues</b>	<b>\$ 17,193,093</b>	<b>\$19,996,692</b>	<b>\$19,522,552</b>	<b>\$17,966,767</b>	<b>\$18,738,503</b>	<b>\$19,355,536</b>

## General Revenue Information

The City does not receive General Fund revenues in equal monthly increments. While the City receives some revenue regularly throughout the fiscal year, some is received quarterly or annually. The variable nature of these revenues results in an uneven cash flow. For example, the City of Capitola's lowest cash balances occur in April and again in mid-December prior to property tax revenue being received. The City developed a cash flow model to assist with on-going cash flow variability and to identify reserve requirements. While monitoring the City's cash flow has always been a priority, the need to identify patterns became more critical during the disaster recovery period when reserves were nearly depleted. In FY 2012-13 the City approved increasing the Contingency Reserve balance from 10 percent to 15 percent to assist in covering potential cash flow deficits. The City utilized \$50,000 of the Emergency Reserve for emergency related to the storm on Jan. 5, 2023 and the FY 2023-24 proposed budget anticipates returning the Emergency Reserve to its target balance.

Projections for each source of revenue include a review of historical trends, the local economy, new business development, and pending legislation. Due to significant changes, the City is closely monitoring the following five core revenues, which represent over 80 percent of the General Fund:

- Sales Tax \$8,617,350
- Transient Occupancy Tax 2,200,000
- Parking Meters 932,750
- Parking Fines 497,500
- Property Taxes 3,091,621

**\$15,339,221**

Additional information related to the five core revenues are detailed within this section. In addition, five-year trends for each revenue source are provided in the Revenue Summary.

## Sales Tax

The City of Capitola sales tax consists of one percent Bradley Burns, a quarter percent Capitola District Tax (Measure F), and a permanent quarter percent Capitola District Tax (Measure O). In FY 2022-23 annual sales tax revenue is estimated to be \$8.5 million, with approximately \$2.1 million in revenues contributed by Measure O, and Measure F.

Sales tax by Geographic Area	
Area	% of Total
41st Ave. Corridor	84.4%
Capitola Village	8.4%
Upper Village	5.9%
Light Industrial Distr.	1.3%
	100.0%

The Finance Department works closely with HdL, the City’s sales tax consultant, on tax recovery, statistics, and projections. Sales tax projections are based on a combination of “most likely” estimates provided by HdL, internal quarter over quarter analyses, and the impact of one-time events. In FY 2023-24, Bradley Burns sales tax revenue is anticipated to increase by approximately 1.5 percent, or \$95,000, above the FY 2022-23 estimated sales tax receipts. The City’s sales tax collections are heavily dependent on the top five generators.

The chart below illustrates sales tax performance including the sunset of Measure D and start of Measure F.

## Transient Occupancy Taxes (TOT)

Hotel tax, also known as the Transient Occupancy Tax (TOT), charges rental accommodation of less than 30 days a 12 percent tax of which 0.75% is restricted for local business groups and early childhood and youth programs. In FY 2022-23 TOT tax generally accounts for approximately 12% of General Fund operating revenues. The City’s TOT revenues come from the following sources:

- Hotels, Motels and Inns
- Other Rentals
  - Bed and Breakfasts
  - Vacation Rentals

TOT revenues are anticipated to increase 5% during FY 2023-24. For the last several years, hotels have experienced high occupancy rates leaving little room for increased TOT revenues and staff has seen occupancy levels returning close to pre-pandemic levels with nightly room rates increasing significantly. However, at the industry slows down a little revenues are expected to continue to grow as a due to an increase in TOT submitters as a result of the recent TOT audit.

The following chart illustrates TOT revenues within the City. Due to Capitola’s seaside location, proximity to regional attractions, and continued signs of economic recovery, the City is continuing efforts to attract another hotel to the area.

## Parking Meters and Parking Fines

In FY 2023-24 parking meter and parking fine revenues are estimated to contribute approximately \$1.4 million to the General Fund. Revenue sources include fees collected from the meters and fines resulting from expired meters and improper parking. Factors affecting these revenues include tourism and seasonal trends. At the end of FY 2013/14, a 226-space parking lot opened adjacent to the existing Pacific Cove Parking Lot and City Hall. The FY 2023-24 proposed budget includes a \$569,500 general fund transfer to the parking reserve fund to pay the outstanding balance saving approximately \$150,000 of interest over the next several years. During the summer, the City offers shuttle bus service from the parking lots to the Village, beach, and Capitola Wharf. Projected revenues for each location are estimated below:

Location	Spaces	FY 23/24		Avg. Meter Rev. per Space
		Proposed		
Village	180	\$ 612,750	\$ 3,404	
Cliff Drive	65	\$ 130,000	\$ 2,000	
Pacific Cove - Upper Lot	232	\$ 140,000	\$ 603	
Pacific Cove - Lower Lot	226	\$ 50,000	\$ 221	

The following chart illustrates parking meter revenue and parking citation revenue trends within the City. Overall, the revenue trend has increased for the last several years with an estimated decrease in FY 2016/17 due to a wet winter that reduced visitors. In FY 2015/16 the City implemented 3-hour parking in the Village. The change has had a positive impact on meter revenue while decreasing citations.

The FY 2023-24 proposed budget projects parking meter and parking fine revenue are estimated to relatively flat compared to the estimated prior year receipts.

# Property Taxes

Property Taxes, an Ad Valorem Tax imposed on real property and tangible personal property, are levied at one percent of the assessed value of the property. The City receives 7.47 percent of each one percent, or 75 cents per \$1,000, of assessed property value.

In FY 2023-24 property tax revenue is estimated to be \$3.1 million, representing a four percent increase over the estimated collection amount from FY 2022-23. The City's collections are consistent with information from the County Auditor-Controller's Office, which indicated that property valuations in Capitola are rising at a rate of four to four and one-half percent annually.

In the FY 2023-24 proposed budget, base property tax revenues are projected to increase approximately four percent. The City based the projection on information from the Auditor-Controller's Office, historical trends, and a review of the current housing market. A growth factor of four percent of the assessed property valuation was used to estimate FY 2023-24 property tax revenue.

Property taxes are received based on the following distribution schedule:

- December: 50%
- April: 45%
- June: 5%

## Property Taxes in-lieu-of Vehicle License Fees

Property Tax in-lieu-of Vehicle License Fee revenue has increased an average of six percent per year over the last several years. However, staff used the same four percent increase projected in FY 2023-24. This increase continues to be consistent with the rising property values outlined by the Auditor-Controller's Office. Due to the relatively flat history associated with these revenues, conservative estimates of four percent have been applied to the upcoming fiscal years.

## Revenue Summary

	FY20/21 Actual	FY21/22 Actual	FY 22/23 Amended	FY 22/23 Estimated	FY 23/24 Proposed	FY 24/25 Planned

# GENERAL FUND EXPENDITURES

# General Fund Expenditures

The total FY 2023-24 General Fund expenditure budget proposes an increase of approximately \$97,000 from the FY 2022-23 Amended Budget as existing resources are programmed towards City Council Goals. Increases have been programed in most major categories as inflation continues to impact City expenditures. Key differences between the two fiscal years include:

- Total personnel costs (salary and benefits) are estimated to increase \$329,000 from the FY 2022-23 Amended Budget due to step increases and Cost of Living Adjustments. The proposed budget does return the last 1 ½ positions that were frozen in 2020 in response to the pandemic.
  - Salary costs are estimated to be \$309,000 higher as the City enters the third year of the current MOU's negotiated with labor groups.
  - Salary – Permanent increased \$379,000
  - Salary – Temp increased \$91,000 as summer recreations programs remain at full capacity.
  - Overtime is anticipated to increase \$29,000 primarily in the Police and Public Works departments with the return of most special events.
  - Specialty Pay – decreased \$32,000 as several long-term employees retired.
  - Benefits – decreased \$159,000.
- Contract services decreased by \$563,000 or 15% below the prior year primarily related to contract services associated with several grants that the City had received.

The following chart provides an overview of expenditures for FY 2020-21 to FY 2024-25. A complete description of major changes will follow in the related expenditure detail pages.

**General Fund Expenditures Summary**

<b>Major Categories</b>	<b>FY20/21 Actual</b>	<b>FY21/22 Actual</b>	<b>FY22/23 Amended</b>	<b>FY22/23 Estimated</b>	<b>FY23/24 Proposed</b>	<b>FY24/25 Planned</b>

<b>Subtotal</b>	<b>\$12,892,737</b>	<b>\$15,254,664</b>	<b>\$17,369,777</b>	<b>\$17,075,443</b>	<b>\$17,467,087</b>	<b>\$17,750,805</b>
Other financing uses	809,383	3,608,343	5,231,569	3,390,366	2,288,788	1,567,909
<b>Expenditure Total</b>	<b>\$13,702,120</b>	<b>\$18,863,007</b>	<b>\$22,601,346</b>	<b>\$20,465,809</b>	<b>\$19,755,875</b>	<b>\$19,318,713</b>

The following chart provides an overview of expenditure trends, excluding transfers. Expenditures are trending upward in FY 2023-24 as we continue our recovery from COVID-19 and utilize resources that have accumulated over the last two fiscal years.

A chart displaying the percentage of expenditures by category is also provided for reference. Personnel costs are estimated to increase \$329,000 from the prior fiscal year while the ratio of personnel services to total expenditures increased from 65.7 percent to 67.4 percent. Other notable changes were in contract services, which decreased from 21.5 percent to 18.5 percent, and internal service charges, which increased from 8.4 percent to 9.4 percent.

### Expenditures by Department

# General Fund Expenditures

Item 6 A.

## SALARIES & BENEFITS

All positions listed in the General Fund are fully funded with full benefit costing. Fully benefited positions are budgeted at their current step plus an assumption that they will move to the next step unless they are already at the top step of their classification. Specialty pays are budgeted as a separate line item.

Positions budgeted for in FY 2022-23 bring total staffing levels back to pre-pandemic levels. This includes returning 1 ½ total positions were frozen or under-filled in response to the pandemic.

The table below summarizes the total FTE count by department, and the following page provides a detail summary of the staffing budget changes.

## General Fund Expenditures

### SALARIES & BENEFITS

City services are primarily staff delivered; therefore, staffing is the most significant expenditure. The FY 2023-24 proposed budget staffing costs total \$11,693,557. This represents a 3% increase from the prior year amended budget. This is primarily due to inflation as costs related to the CalPERS Retirement Fund are consistent with the prior year.

<b>Staffing by Category</b>	<b>FY20/21 Actual</b>	<b>FY22/23 Amended</b>	<b>FY22/23 Estimated</b>	<b>FY23/24 Proposed</b>	<b>FY24/25 Planned</b>

## Salaries & Benefits - Salary Assumptions

There are five bargaining groups in the City. Management employees are hired by the City Manager pursuant to a City Council approved compensation plan. Hourly employees are not included in any of these groups and are not represented by a union. The following table lists the different groups and the start and end dates of their current agreements.

<u>Group</u>	<u>Current Agreement</u>	<u>Expiration Date</u>
Assoc. of Capitola Employees/Gen. Govt.	06/27/2021	06/30/2024
Confidential	07/01/2021	06/30/2024
Mid-Management	06/27/2021	06/30/2023
Police Captains	08/26/2021	06/30/2024
Police Officers Association (POA)	08/26/2021	06/30/2024

### Overtime

The following table provides the details for the overtime budget. The overtime budget for the Police Department increases this year in anticipation of additional special events.

<u>Overtime</u>	<u>FY21/22</u> <u>Actual</u>	<u>FY22/23</u> <u>Amended</u>	<u>FY22/23</u> <u>Estimated</u>	<u>FY23/24</u> <u>Proposed</u>	<u>FY24/25</u> <u>Planned</u>

## General Fund Expenditures

### Salaries & Benefits – Retirement Assumptions

#### **Benefits – Post Retirement Medical Benefit**

The City of Capitola contributes the minimum amount toward retired employees' health insurance premiums in accordance with Government Code Section 22892 of the Public Employees' Medical and Hospital Care Act (PEMHCA). This expenditure is accounted for in the City Manager's personnel department budget. Below is a table showing the PEMHCA minimum over the last 10 years.

• January 1, 2014	\$119
• January 1, 2015	\$122
• January 1, 2016	\$125
• January 1, 2017	\$128
• January 1, 2018	\$133
• January 1, 2019	\$136
• January 1, 2020	\$139
• January 1, 2021	\$143
• January 1, 2022	\$149
• January 1, 2023	\$151

#### **Benefits – Public Employee Retirement System (PERS)**

The City offers various defined benefit retirement plans to safety and miscellaneous employees. These retirement plans are administered by the California Public Employee Retirement System ("CalPERS" or "PERS"). The safety plan benefit formula is 3% @ 50 and the miscellaneous plan is 2.5% @ 55 for "classic" PERS members. For employees hired after January 1, 2013, who are subject to the Public Employees' Pension Reform Act (PEPRA), the safety benefit formula is 2.7% @ 57 and the miscellaneous plan is 2% @ 62. A CalPERS member becomes eligible for retirement benefits upon reaching the age of 50 with at least 5 years of service credit (total service across all CalPERS employers).

The City's retirement costs are defined as a percentage of payroll, along with a fixed dollar amount to address the City's Unfunded Actuarial Liability (UAL), which is actuarially determined annually by CalPERS. The UAL in FY 2022-23 was \$2,181,640 and is decreasing to \$2,139,1915 in FY 2023-24. The most recent CalPERS actuarial reports estimate the UAL through FY 2028-29 at an amount of \$2,091,600 which equates to an increase of approximately 72% over ten years from FY 2018-19.

**PERS Rates.** The FY 2023-24 PERS total rate for classic safety members is 36.1%, with employees paying 15% and the city 21.1%. Safety PEPRA members are responsible for 13.0% and the city pays 14.25%. For classic miscellaneous members, the total contribution rate is 22.0%, with employees paying 13.4% and the city 8.6%. Miscellaneous PEPRA employees pay 6.75% and the city pays 8.7%.

The FY 2022-23 PERS total rate for classic safety members was 32.7%, with employees paying 15% and the city 17.7%. Safety PEPRA members are responsible for 13.0% and the city pays 12.8%. For classic miscellaneous members, the total contribution rate was 20.2%, with employees paying 13.4% and the city 6.8%. Miscellaneous PEPRA employees pay 6.75% and the city pays 7.5%.

**Public Employees' Pension Reform Act (PEPRA).** On September 12, 2012, Governor Brown signed the California Public Employees' Pension Reform Act of 2013 (PEPRA) into law. PEPRA became effective on January 1, 2013, and requires all employees who are not previously members of the PERS reciprocal system to be placed in an alternate retirement plan. The City's PEPRA plan for Safety employees is 2.7% at 57 and 2% at 62 for Miscellaneous employees. This new plan requires that the City and plan members contribute an equivalent share of retirement costs. The rates for public safety and miscellaneous employees are 13% and 6.75%, respectively.

## Retirement Costs Summary

# Community Based Social Service Providers

Community Based Social Service Providers are funded by the General Fund and restricted Transient Occupancy Tax (TOT) revenue. Each year a determination is made regarding funds available and allocation. Due to COVID-19 the Community Grant program continues to be funded in FY 2023-24 with a combination of general fund, restricted TOT, and federal grants. The table below shows the general fund and restricted TOT funding while the federal grant funding is highlighted in the Community Development Block Grant Special Revenue funds.

**INTERNAL SERVICES**

Internal Service Funds finance special activities and services performed by one City department for another on a cost and reimbursement basis. These funds share costs, designate targeted reserves levels, and allocate costs to all departments benefiting from the activities and services. The methodology for cost allocation for each Internal Service Fund is described in the Internal Service Fund section.

The FY 2023-24 proposed budget provides funding for increased insurance premiums as well as equipment purchases for equipment funded in prior years.

Internal Services	FY20/21 Actual	FY21/22 Actual	FY22/23 Amended	FY22/23 Estimated	FY23/24 Proposed	FY24/25 Planned
Stores	\$ -	\$ 20,000	\$ 27,000	\$ 27,000	\$ 27,000	\$ 27,000

# DEPARTMENTAL BUDGETS

**CITY COUNCIL**

**GENERAL GOVERNMENT**

**DEPARTMENT PURPOSE**

The City Council is composed of five generally elected Council Members, serving four-year staggered terms. Council members select a Mayor and Vice Mayor annually. In 2002, the voters approved a consecutive term limit of two terms for Council Members. The City's Municipal elections are held the first Tuesday of November in even-numbered years. The Council meets regularly twice monthly, on the second and fourth Thursday.

The City Council establishes local law, sets policy, approves programs, allocates funds, and provides direction to the City Manager and staff to implement its policy. Council also appoints members to local and regional committees, commissions, and boards. Capitola is a General Law City, organized under the general laws of the state. Local laws are established by ordinance, compiled in the Municipal Code, and enforceable by the City. Other directives and policies of the City Council are implemented through Council Resolutions and recorded in Council Minutes.

**ESTABLISHED PRINCIPLES OF THE CITY**

- **Fiscal Policy** – practice sound financial management
- **Public Service** – uphold the public trust.
- **Public Improvement** – maintain a safe and healthy environment.

**FISCAL YEAR ACCOMPLISHMENTS – 2022-23**

- Balanced budget while using resources for public improvements
- Provided services, staff, and equipment to ensure public safety and trust
- Approved projects and programs to maintain and enhance the quality of life in Capitola

**FISCAL YEAR GOALS – 2023-24 and 2024-25**

- Provide services, staff, and equipment to ensure public safety and trust
- Develop projects and programs to maintain and enhance the quality of life in Capitola
- Finalize plans and begin construction for the Capitola Wharf Resiliency and Public Access Project (using Measure F funds)

**CITY ATTORNEY**

**GENERAL GOVERNMENT**

**DEPARTMENT PURPOSE**

The City Attorney represents the City as primary Counsel in all legal matters. The City Attorney is appointed by the City Council. The City Attorney provides legal analysis and advice on interpretation and application of municipal code, State law, and Federal law, drafting legal documents, and labor-related issues. The City Attorney is currently a contract position with the firm of Burke, Williams & Sorensen

**KEY CHANGES**

Samantha Zutler of Burke, Williams & Sorensen is Capitola City Attorney

**FISCAL YEAR ACCOMPLISHMENTS – 2022-23**

- Advised City on matters associated with pending legal actions.
- Advised City on legal matters related to City policies and procedures.
- Represented the City in litigation.
- Assisted City in labor negotiations.

**FISCAL YEAR GOALS – 2023-24 and 2024-25**

**FISCAL POLICY**

- Advise Council on potential and pending litigation.
- Assist and advise staff on contracts, labor relations, and other legal assessments.
- Resolve existing litigation.

# CITY MANAGER SUMMARY

## GENERAL GOVERNMENT

### MISSION STATEMENT

The City Manager serves the Council and the Community by bringing together resources to meet City needs, provide excellent customer service, and prioritize available resources.

### DEPARTMENT PURPOSE

The City of Capitola is a Council-Manager form of government, under which City Council appoints a City Manager who serves as the City's chief administrative officer and is responsible for implementing Council policies.

The City Manager Department is responsible for overall administration of City objectives. The City Manager is the lead position within the City administrative structure and is appointed by Council. The City Manager provides administrative direction and leadership to all City departments, and directly oversees Human Resources, City Clerk, Information Systems, and the Assistant to the City Manager.

### KEY CHANGES

Recruited and hired new a new City Clerk, Deputy City Clerk, increased HR Analyst to full-time and promoted previous City Clerk to Assistant to the City Manager.

### FISCAL YEAR 2022-23 ACCOMPLISHMENTS

- Implemented a new Council Chambers meeting video and audio system .
- Advised and informed the City Council on policy and action matters.
- Recruited for ~15 openings (including a new Public Works Director) and increased employee engagement to promote retention.
- Worked to improve risk management and reduce potential liability.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

#### FISCAL POLICY

- Evaluate potential revenue ballot measures.
- Work with Capitola Mall to improve the mall facility.
- Continue to work to create a safer work environment and reduce employee injuries.
- Review and prioritize City services.
- Support economic development.
- Seek opportunities to partner with other agencies for greater outcome or savings.

#### PUBLIC SERVICE

- Encourage and improve citizen participation and communication.
- Ensure programs in place to respond to public and private development projects.
- Continue to improve public meeting access.
- Continue efforts to increase transparency, with the website, public records, and outreach.
- Use dedicated children's fund for youth programming.

#### PUBLIC IMPROVEMENT

- Work to develop projects to protect and enhance valuable City resources.; including partnerships with outside agencies, such as the Friends of County Parks and the Capitola Wharf Enhancement Team, to facilitate the development of public spaces like Jade Street Park and the Wharf.
- Open Rispin Park to the public.
- Continue increased street and facility maintenance through use of Measure D resources.

## CITY MANAGER ADMINISTRATION

### GENERAL GOVERNMENT

#### MISSION STATEMENT

The mission of the City Manager's Office is to ensure that all City programs and services are provided effectively and efficiently.

#### DEPARTMENT PURPOSE

The purpose of this division is to implement the policies of the City Council and provide leadership and direction to the city departments. Core services of the City Manager's Office are administrative direction and leadership for City departments, programs, and services to ensure the community receives a high level of service.

In addition, the City Manager's administrative arm oversees the Council agenda process, oversees public records, provides staff support to the Art and Cultural Commission and Library Advisory Commission, manages sustainability programs, manages the Community Grant process, and oversees Personnel, Information Systems, and the Historical Museum. The department maintains solid waste and recycling programs, management of franchise agreements, and human resources programs including risk management, employee training, safety programs, and benefits administration.

# FINANCE

## GENERAL GOVERNMENT

### MISSION STATEMENT

The Finance Department's mission is to present timely, accurate and transparent financial information to the public while providing City Management with financial data to facilitate informed decision-making on the allocation of City resources. The department strives to provide excellent customer service to the public, elected officials, and all departments within the City.

### DEPARTMENT PURPOSE

The Finance Department oversees all financial transactions of the City to ensure legal and accounting policies are adhered to. The Department maintains all City funds and oversees budget development, the Comprehensive Annual Financial Report, accounts payable, payroll, accounts receivable, cash receipts, banking, business licenses, and transient occupancy tax. The Department provides quarterly and annual financial reports to City Council and the public.

### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Financially navigated the City through the fiscal impacts related to COVID-19
- Launched TOT vacation rental audit and enforcement program.
- Provided analytical support to operations departments.
- Completed dissolution of the Capitola Successor Agency.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

- Prepare and maintain a balanced budget.
- Plan for and meet future PERS increases.
- Complete Comprehensive Fee Study
- Work with the Finance Advisory Committee to identify future revenue opportunities and address increasing costs.
- Meet regulatory financial reporting requirements and provide reports on the City website.
- Develop long term financial plan for Measure F
- Continue partnerships with departments to maintain financial accountability and transparency.
- Continue to improve City financial transparency to the public.

## POLICE SUMMARY

---

POLICE

### MISSION STATEMENT

The Capitola Police Department prides itself in providing the highest level of safety and service to enhance the quality of life of our community through professional, engaged, and empowered employees.

### VISION STATEMENT

The Capitola Police Department is comprised of professional and dedicated members who strive to demonstrate high character, fairness, compassion, and the non-biased delivery of policing services.

### CORE VALUES

We pride ourselves on representing the City of Capitola and providing policing services based upon these *values*:

- Human Life - Nothing is more valuable than the preservation of life
- Loyalty - Simple loyalty to our best convictions
- Honesty - The essence of moral character
- Respect - Our success is measured by how we treat others
- Integrity - Values, and morals that represent our sincerity and commitment
- Diversity - We value differences
- Ethics - Our commitment to principles that govern behavior

### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Returned to pre-pandemic staffing levels in Records and Operations
- Received a two-year Alcohol Beverage Control Grant
- Introduced wellness programs to support all staff members
- Re-introduced in-person meetings and face-to-face community engagement efforts
- Replaced outdated radar trailer with Radar/Message Board
- Received a private donation to support our canine training and safety
- Examined Online Police Reporting System (waiting on new RMS system)

### FISCAL YEAR GOALS – 2023-24 and 2025-26

- Upgrade Radio System to include a second radio channel for emergency operations and for seasonal lifeguard services.
- Upgrade Axon equipment to include, Body Cameras, Tasers, and storage infrastructure.
- Bicycle and pedestrian safety are our traffic goals for 2023/24. Seek grant opportunities to support our traffic goals, including speed and DUI grant opportunities.
- Replace Lidar/Radar units for traffic enforcement efforts.
- Replace administration vehicle with EV vehicle and explore other hybrid models for fleet replacement.
- Introduce an Unmanned Aircraft Systems (UAS) drone program.
- Introduce ABLE Program
- Introduce the Flock Safety Program

## ANIMAL SERVICES

POLICE

### DEPARTMENT PURPOSE

The Animal Services Unit (ASU) promotes and protects public safety and animal care through sheltering, pet placement programs, education, and animal law enforcement. Our purpose is to provide responsive, efficient, and quality animal control services that preserve and protect the public and promote animal safety.

## PUBLIC WORKS SUMMARY

### PUBLIC WORKS

#### MISSION STATEMENT

The Capitola Department of Public Works, through our valued employees, develops, maintains, and operates the City's infrastructure and natural resources and provides environmental stewardship for the benefit of our residents, businesses, and visitors.

#### DEPARTMENT PURPOSE

Public Works stewards Capitola's public infrastructure. We are dedicated to providing safe, functional and sustainable systems improving the quality of life for the residents, businesses and visitors of the City of Capitola in a responsive and cost-effective manner and in accordance with local, state and federal regulations.

To provide this stewardship, the department has three divisions.

The *Maintenance* Division is responsible for the day-to-day operations, maintenance, and repair of the public infrastructure and facilities including streets and medians, streetlights and traffic signals, street trees, sidewalks and pathways, parks, public buildings, and maintains the City's fleet of vehicles and equipment.

The *Engineering* Division designs and oversees the construction of all capital improvement projects for the City's public infrastructure systems and public buildings/facilities; prepares technical studies/reports; regulates construction activities within the public right-of-way by private entities and utility companies; and maintains infrastructure records. The Engineering Division also works closely with the Community Development Department and Building Division to perform plan review and inspection services of tract/parcel maps for subdivisions and grading and drainage improvements on private property; provides technical support to the Public Works Maintenance Division.

The *Environmental* Division provides environmental support services to Public Works and other City Departments to ensure compliance with federal, state, and local environmental laws, regulations, and policies. The Environmental Division also manages the City's Storm Water Management Program and Solid Waste Franchise Agreement which includes industrial, construction, and municipal activities and operations within the City; staffs the Commission on the Environment.

#### KEY CHANGES

Staff changes include a new Public Works Director, Environmental Projects Manager, and Development Services Technician. Solid waste and recycling program management responsibilities have been transferred from the City Manager's Office to the Department of Public Works.

#### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Prepared a detailed 5-year Pavement Management Program
- Completed 41st Avenue Adaptive Traffic Control System
- Completed Clares Street Traffic Calming Improvements Project
- Completed roadway resurfacing in collaboration with Santa Cruz County
- Completed improvements to the City Hall site

**FISCAL YEAR GOALS – 2022-23 and 2023-24**

- Establish a computerized maintenance management system
- Complete construction of the Wharf Resiliency Project
- Complete design and construction of capital improvements at Jade Street Park
- Complete repairs from the January 2023 storms
- Continue to move 10 additional funded CIP projects toward completion

## COMMUNITY DEVELOPMENT

## COMMUNITY DEVELOPMENT

### MISSION STATEMENT

The Community Development Department (CDD) promotes safe and orderly development which provides economic vitality while preserving Capitola's unique cultural and historic character. The Department is dedicated to providing responsive, high-quality services and programs which enhance the quality of life for the City's residents, businesses, and visitors.

### DEPARTMENT PURPOSE

The CDD administers the City's land use policies and standards adopted by the City Council including Zoning Code (Title 17), Housing and Development Administration (Title 18), General Plan, Housing Element, Local Coastal Program, and other regulations. The Department's key functions include review of development applications, application of CEQA, maintenance of aforementioned regulatory and long-range planning documents, building plan check and inspection services, building and zoning code compliance, and administration of the affordable housing programs. The Department manages grants related to community planning, housing, economic development, and public services through regional, state, and federal opportunities. The Department provides staff support to the City Council, Planning Commission, and the Design and Development Review Committee.

### KEY CHANGES

During the past fiscal year, the Department has not had any changes to personnel. In FY2023-24, the Development Service Technician position will change from three-quarter time to full-time to provide administrative services to the planning division. Previously, this position provided administrative services to the building department and the City's housing program.

### FISCAL YEAR ACCOMPLISHMENTS – FY 2022-23

- In response to the Atmospheric River Event of January 5th, waived all fees and expedited permits related to storm damage and repair.
- Initiated Housing Element update with stakeholder meeting, public survey, two community meetings, five public hearings, and published public review draft.
- Awarded CDBG Grant of \$500,000 for to provide food and transit services to low-income families through local nonprofits.
- Established a permanent street and sidewalk dining program.
- Administered remaining CARES act relief to local non-profits for food services and transit.
- Executed a 5-year Contract for a Regional Bikeshare Program with BCycle.
- Applied for Permanent Local Housing Allocation Grant (\$630,557) for future housing activities.
- SB9, Objective Development Standards, and Zoning Code clean-up ordinances certified.
- 139 planning permit applications submitted July 1, 2022, through April 10, 2023.
- 356 building permit applications submitted July 1, 2022, through April 10, 2023.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

- Adopt 6<sup>th</sup> Cycle Housing Element and submit to HCD for certification by December 15, 2023.
- Implement regional bike share program with docking stations in key locations within the city.
- Issue building permits and begin construction of new hotel at 720 Hill Street.
- Explore public/private partnership opportunities toward redevelopment of the Capitola Mall.
- Administer grants to support Capitola residents with food services (CDBG) and housing production (PLHA).
- Seek grant opportunities to advance affordable housing goals and protect existing stock.
- Provide training opportunities for all staff to encourage growth, job satisfaction, and longevity.

## RECREATION

## CULTURE & LEISURE

### MISSION

The City of Capitola Recreation Division's mission is to enhance recreation, healthy lifestyles, and quality of life for Capitola and the surrounding neighbors through affordable and fun activities and opportunities. The division has a commitment to excellence, safety and continually strives to improve its programs, procedures, and services, to best meet the needs and interests of the community.

### DEPARTMENT PURPOSE

The Recreation Division manages recreation and leisure services offered to residents of Capitola and the broader community as well as the Lifeguard Program which protects swimmers, surfers, and waders in the Capitola Beach area during the summer months and the surrounding weekends. These services include City-staffed programs such as Junior Lifeguards, Camp Capitola, and Adult Sports Leagues, as well as over 500 classes offered by contracted instructors. The division also manages the Capitola Community Center, Jade Street Park, and Monterey Park.

Camp Capitola and Junior Guards have enrollment of over 1,500 children annually. The Recreation Division receives an additional 3,000 class enrollments throughout the year. The division represents the City through Lifeguards at the beach, programs offered, class instructors selected, seasonal youth hired and trained, and condition of facilities. Recreation programs provide job training for young people through the Junior Lifeguard Captains Corps and Camp Capitola Junior Leader Program.

### KEY CHANGES

The City added a Recreation Coordinator, who will oversee the operation of the newly developed Lifeguard Program along with recreation programs, Junior Lifeguard and Sports. Funds from the Lifeguard Services contract have been redirected toward the development of the Capitola Lifeguard Program and adjustments made to the Junior Guard seasonal staffing fiscally support this change. Lifeguard services had been contracted to the City of Santa Cruz Fire Department Marine Safety Division since May 2012.

### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Developed a City operated Lifeguard Service to provide public safety and prevention services from Memorial Day Weekend to Labor Day Weekend and during event.
- Launched a learn to swim program for under resourced youth and facilitate diversity in the Junior Guard program.
- Hosted a Beach cleanup Benefit Concert in collaboration with other City Departments and community partners in response to the January storm damage.
- Expanded in-person Adult & Youth Classes, offering first time classes and restarting pre-pandemic classes.
- In partnership with SUESD provided "Afterschool Rec Club at New Brighton Middle School" and provided funding for under resourced youth.
- Expanded Camp Capitola age limits and provide "Lil' Campers" offered to 4 & 5 year old's.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

- Submit application to United States Lifesaving Association (USLA) to become a Certified Open Water Lifesaving Agency.
- Recertify Camp Capitola as an American Camp Association (ACA) Accredited program.
- Explore feasibility of new community events and programs using City parks.
- Provide creative solutions for community recreation during Community Center remodel.
- Further develop county recreation agency partnerships to provide regional programs, Park Rx, Family Fun Day and other programs.

## MUSEUM

## CULTURE & LEISURE

### MISSION

The Capitola Historical Museum preserves and promotes the history of Capitola through creating exhibitions, maintaining a collection of historic photographs and artifacts, conducting oral histories, and participating in special events.

### DEPARTMENT PURPOSE

To promote, through the establishment and maintenance of a museum and allied projects, a program that will bring a better understanding and appreciation by the Capitola community of its history, architecture, culture, technology, and its creative and natural environments.

### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Continued 2022 exhibition “Perspectives – Capitola in the Eye of the Beholder” – July to December 2022.
- Installed 2023 annual exhibition “Capitola – Signs of the Times” – March 2023.
- Coordinated museum participation in the Begonia Festival Tribute (September 3 & 4), Art & Wine Festival (10 & 11), Beach Festival (24 & 25), Plein Air Finale (11/6), Laura Hecox Day at the Santa Cruz Natural History Museum (1/28), and Santa Cruz County History Fair (5/13).
- Installed the Ann Thiermann painting, “The First People of Capitola” in the Capitola City Council Chambers.
- Installed an Olaf Palm painting exhibit in the City Council Chambers.
- Published peer-reviewed article for the online journal of the Santa Cruz Museum of Art & History entitled, “The Young Women’s Christian Association (YWCA) Students’ Conferences in Capitola, 1900-1911”; Wrote articles for and published quarterly issues of the museum’s newsletter, *Capitola Sunset*; Wrote six articles on Capitola history for local newspapers; Provided weekly historic images and captions for the Santa Cruz Sentinel’s “Focal Point”.
- Loaned artifacts to the Santa Cruz Natural History Museum for two exhibitions.
- Continued rotating exhibits at the Capitola Library every three months.
- Increased following on social media by posting regularly to Facebook (averaging 8/month)
- Updated the Volunteer Manual, prepared new credit card guidelines, conducted Volunteer Training (3/4) and continued to outreach for new volunteers through the Santa Cruz Volunteer Center and Santa Cruz Sentinel “Coast Lines”.
- Responded to 28 research requests for information and images.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

- Continue 2023 exhibition “Capitola – Signs of the Times” through December 2023
- Develop and install the 2024 annual exhibition (theme – 150<sup>th</sup> Anniversary of Camp Capitola)
- Develop new Capitola Historical Museum logo (could be achieved end of FY 2022-23)
- Update museum landscaping – add native plants labelled with indigenous uses, new museum sign (with new museum logo), and replace river rocks with safer surface.
- Recognize 75<sup>th</sup> Anniversary of City Incorporation; 100<sup>th</sup> Anniversary of Venetians; and 150<sup>th</sup> Anniversary of Camp Capitola
- Initiate contact with local school systems to begin developing school programs.
- Initiate proposal for new book, *Capitola – Then & Now* with Arcadia Publishing.
- Work with Board to conduct oral history interviews for the Capitola Memories Project.
- Continue to participate in annual festivals and history events; Continue providing Capitola history lectures and participate in on and off-site special events.
- Give costumed history walks.

# ART & CULTURE

## CULTURE & LEISURE

### MISSION

The mission of the Art & Cultural Commission is to foster, assist, and plan events for the City of Capitola and its residents to enhance the community’s cultural fabric, support local artists, create an interesting environment for art and cultural growth, and allow residents and visitors to experience local flavor.

### DEPARTMENT PURPOSE

The first Arts Commission was created in 1984. The commission was reorganized by Ordinance #851 effective May 10, 2003 under the new title of Art & Cultural Commission. With the adopted Arts & Cultural Master Plan, the Commission develops and reviews Public Art projects and creates opportunities for a variety of art and cultural experiences for City Council approval. The Commission continues to off-set nearly 50% of its budget by obtaining sponsors for the events.

### FISCAL YEAR ACCOMPLISHMENTS – 2022-23

- Summer Twilight Concerts at Esplanade Park.
- Capitola Plein Air Event largest ever.
- Changed sponsorship program from event specific to entire summer program.
- Recommended public art project to the City Council.

### FISCAL YEAR GOALS – 2023-24 and 2024-25

- Evaluate Art in the Park Event.
- Explore new Cultural events for the City.
- Continue to look at public art opportunities.

# INTERNAL SERVICE FUNDS

## INTERNAL SERVICE FUNDS

**Stores (City Manager):** The Stores Fund accounts for general supplies, postage, and rental of office equipment.

**Information Technology (City Manager):** The Information Technology Fund provides funding for the replacement and upgrade of the existing computer network. The number of personal computers, laptops, printers, and servers each department uses forms the basis for department allocations.

**Equipment Replacement (Public Works):** The Equipment Replacement Fund provides funding for the replacement of city vehicles, including passenger cars, parks maintenance vehicles, police vehicles and other specialty vehicles. Departments contribute to this replacement fund based on the depreciation expense of existing vehicles. This fund also receives the revenue received from the sale, or trade-in, of surplus vehicles.

**Self-Insurance Liability (City Manager):** The Self-Insurance Liability Fund collects funding from departments to pay for self-insured liability and property protection insurance premiums provided through the Monterey Bay Area Self Insurance Authority (MBASIA) joint powers authority.

**Workers' Compensation (City Manager):** The Workers' Compensation Fund collects funding from departments to pay for Workers' Compensation coverage through the MBASIA.

**Compensated Absences (Finance):** The Compensated Absences Fund accumulates money to pay future employee benefit costs, such as vacation and sick leave payouts, at termination or retirement. The City Council sets the policy to ensure the City can fulfill future obligations.

## STORES FUND

The Stores Fund accounts for general supplies and postage. This also includes the rental of the postage machine and the repair and maintenance of shared office equipment.

Contract services: on-going technology licenses

Supplies: replacement technology equipment

Capital outlay: purchase of Axon system for Police Dept.

## EQUIPMENT REPLACEMENT FUND

The Equipment Replacement Fund is designed to provide funding for replacement of City vehicles, including passenger cars, maintenance vehicles, police vehicles and other specialty vehicles. Departments contribute to this replacement fund based on the depreciation costs of existing vehicles. This fund receives revenue from trade-ins and surplus equipment sales. The General Fund charges for services based on the prior year fleet depreciation costs adjusted by the CPI index. The FY 2021-22 depreciation totaled approximately \$210,000 however that is anticipated to approach \$300,000 as we complete previously approved purchases and add the electric street sweeper to the fleet.

During the annual budget process, the Public Works and the Police Department review the current vehicle inventory listing and make recommendations for vehicle acquisitions and replacements, considering on-going maintenance costs. In FY 2021-22, \$300,000 was transferred from the General Fund to assist in restoring the Equipment Fund's balance and to purchase an electric street sweeper. Typically, new street sweepers are financed with gas tax revenues. However, to take advantage of a grant of \$250,000, the General Fund assisted with the purchase of the equipment.

### FY 2023-24 CAPITAL OUTLAY

## SELF-INSURANCE LIABILITY FUND

The Self-Insurance Liability Fund accumulates funds for deductible expenditures and excess incidents above the City's liability coverage. The fund pays for the following expenses:

- Excess Insurance Premiums - The City belongs to the Monterey Bay Area Self Insurance Authority (MBASIA) joint powers authority. MBASIA covers all liability expenses, fire, property protection, and general liability claims up to \$10,000 per occurrence.
- Property Insurance – The City receives property insurance through the Public Entity Property Insurance Program and is insured by Lexington. The City's premium is \$20,000.
- Vehicle and Equipment Insurance Coverage - Coverage for vehicles and equipment with a purchase value of \$25,000 or more. The annual premium is \$4,000 with a \$2,000 deductible.
- Unemployment Insurance - The California Employment Development Department (EDD) defines the City as a "State Unemployment Insurance Reimbursement Client." The City does not pay unemployment insurance premiums to the State. When an employee files for and receives unemployment benefits from the State, the City is responsible for that benefit.

Charges for services are allocated to each General Fund department based on their percentage of the total operating budget from the prior fiscal year less the budget for unanticipated events.

## WORKERS' COMPENSATION FUND

The Workers' Compensation Fund satisfies the requirements of Capitola municipal code section 3.24.030, which states, "The City Manager and City Treasurer shall establish a reserve fund for purposes of paying future workers' compensation claims and shall, hereafter, make such annual deposits into that fund as the city is advised are actually necessary to provide a suitable reserve." This program also covers City volunteers.

The City belongs to a Joint Powers Authority (JPA), Monterey Bay Area Self Insurance Authority, composed of several local agencies: Del Rey Oaks, Gonzales, Greenfield, Hollister, King City, Marina, Sand City, Scotts Valley, and Soledad. The City retains exposure to temporary disability payments as long as the injured worker remains an employee of the City. MBASIA purchases excess coverage beyond \$500,000 per occurrence up to statutory requirements.

The annual premium that is assessed to each of the participating cities in the JPA is based on three primary factors: the number of employees in each of the two major categories (Safety & Miscellaneous), the experience rate (cost incurred) of each participating agency, and debt service allocation.

When an employee files a claim, the City pays the employee's salary portion directly from the general fund based upon the standard workers' compensation formula, for the "temporary" claim. The formulas for employees receiving workers' compensation are as follows:

1. Public Safety: Compensation is 100% of salary, non-taxable.
2. Miscellaneous: Compensation is 2/3 of salary with a cap of \$840 per week, non-taxable.

For non-safety staff, City policy allows that accruals (i.e., sick, vacation, etc.) may be used to supplement workers' compensation payments. If the person becomes "permanently disabled" then the JPA picks up the salary portion. The JPA pays all other costs including legal and medical. While on workers' compensation status, the safety and non-safety staff continue to accrue sick and vacation leave balances.

### Distribution to General Fund Departments:

The allocation methodology for workers' compensation charges to the General Fund Departments corresponds closely to the cost allocation method used by the JPA. The City divides employees into three classifications: Sworn, Non-Sworn and Volunteers, with cost per FTE calculated. A fund balance accommodates future premium fluctuations, deductibles, and excess liability.

## COMPENSATED ABSENCES LIABILITY FUND

The Compensated Absences Liability Fund accumulates reserves to pay for employee cash-outs, such as accumulated sick leave and vacation, due to employees upon termination or retirement. The following is an itemized description of the various liabilities of this fund.

Vacation > 360 hours: An employee who has accumulated more than 360 hours (504 hours for POA) as of the last pay period in April of any year shall be paid in cash at a rate equal to 100% of his/her current hourly rate for hours exceeding 360 (504 for POA). The hourly rate includes specialty pays.

Vacation - Voluntary Cash Out: In accordance with various memoranda of understanding between the employee bargaining groups and the City of Capitola, employees may elect voluntary cash outs up to 80 hours of vacation.

Police Captain Cashable Sick Leave: Refer to contract.

Final Pay: Upon resignation, employees are eligible for vacation cash outs.

Severance Pay: The City provides the following severance payout packages:

City Manager	12 months
Police Chief	6 months
Public Works Director	4 months
Community Development Director	4 months
Finance Director	4 months

# SPECIAL REVENUE FUNDS

## SPECIAL REVENUE FUNDS

**Supplemental Law Enforcement Services (Police):** Funds provided by a State of California COPS grant to provide funding for Community Oriented Policing & Problem Solving (COPPS) programs.

**Restricted Transient Occupancy Tax (TOT) (City Council):** Capitola voters passed Measure J in 2018 increasing the TOT from 10% to 12% and restricting 0.4% for local business groups and 0.35% for early childhood and youth programming.

**Road Maintenance and Rehabilitation Act (SB1) (Public Works):** Funds received from the state and used for road maintenance, rehabilitation, and critical safety projects on local streets and roads.

**Regional Transportation Commission (RTC) Streets (Public Works):** Santa Cruz County voters passed a 0.5 percent user sales tax to fund local roads. The RTC Streets fund will be utilized to increase the City's Street program.

**Gas Tax (Public Works):** Funds received from gasoline tax revenue from the state and used for new construction, maintenance, and the reconstruction of City streets.

**Wharf (Public Works):** Accounts for rental income generated from wharf operations and expended on operations and major repairs and improvements.

**General Plan Update and Maintenance (Community Development):** Funds received as General Plan Maintenance Fee to support future updates to the City's General Plan, implementing ordinances and plans.

**Green Building (Community Development):** Green Building funds are solely for program management, training, publications, public educational purposes, incentive programs, materials, and supplies to promote sustainable development, water conservation, storm water pollution prevention, and climate action planning.

**Public Art (City Manager):** This fund accumulates money received as public art fees to acquire works of art to be displayed in or about public places within the city.

**Parking Reserve (Public Works):** In 2009 the Council authorized a special reserve fund from the Village parking meters for parking-related projects.

**Technology Fee (Community Development):** 5% of building permit fee funds permit processing technology.

**Public Education & Government Cable TV Access (City Manager):** This special revenue fund accounts for PEG cable television fees. The expenditures are restricted to PEG access-related activities.

**Capitola Village & Wharf Business Improvement Area (Finance):** Established to generate revenue for the exclusive purpose of promoting business in the Capitola Village and Wharf Business Improvement Area.

**Community Development Block Grants (Community Development):** This fund accounts for active CDBG reimbursement grants that are awarded to the City on a project-by-project basis.

**Community Development Block Grant Program Income (Community Development):** This fund accounts for income from housing loans that are funded with Community Development Block Grant funds. Loans and interest repaid to the fund are restricted to CDBG approved uses.

**Library (City Manager):** The new Capitola Branch Library opened in June 2021. The Friends off the Capitola Branch Library raised over \$600,000 of donations for project enhancements with approximately \$50,000 remaining in the Library fund.

**HOME Program Reuse (Community Development):** This fund accounts for housing loans due to the City from the recipients of previous HOME Program grants. Receipts in the Home Program Reuse Fund are restricted to affordable housing activities in accordance with the federal HOME program re-use guidelines.

**Housing Trust (Community Development):** The City Council adopted an Inclusionary Housing Ordinance in November 2004, which created an Affordable Housing Trust Fund. It is funded from in-lieu fees, which can be used for new affordable housing and rehabilitation of existing affordable housing.

**Permanent Local Housing Allocation (PLHA):** In 2017, Senate Bill 2 (SB 2) established a \$75 recording fee on real estate documents and created the Permanent Local Housing Allocation Fund (PLHA). PLHA funds are allocated to local governments for eligible housing and homelessness activities and provide a permanent, on-going source of funding for housing-related projects and programs that address the unmet housing needs of communities.

**Capitola Housing Successor (Community Development):** When the Capitola Redevelopment Agency dissolved, the City elected to become the Housing Successor to the former Low- and Moderate-Income Housing Fund of the RDA.

## SUPPLEMENTAL LAW ENFORCEMENT SERVICES

### POLICE

The City of Capitola receives money each year from the State of California Citizens Option for Public Safety (COPS) program. The COPS program requires the funds to be for front-line law enforcement services and not supplant existing funding. These funds were used last year to fund police vehicles and equipment.

In FY 2022-23 the Police Department began replacing radios and related communication equipment utilizing SLESF funds in addition to grant funding.

Capital Outlay – Flock cameras, thermal drone and software, handheld radios.

Other financing uses – transfer to IT ISF for purchase of PD technology updates.

**RESTRICTED TRANSIENT OCCUPANCY TAX (TOT)**

CITY COUNCIL

This fund accounts for the 0.75% of restricted Transient Occupancy Tax (TOT) as approved by Capitola voters in 2018. The Restricted TOT Fund is used to receive and distribute half of the 0.40% of restricted TOT revenues for local business groups with the other half going directly to the Capitola Village & Wharf Business Improvement Area fund and the 0.35% of restricted TOT revenue dedicated to early childhood and youth programming.

**GAS TAX****PUBLIC WORKS**

This fund accounts for receipt and expenditure of gasoline tax revenue as provided by state law. The Gas Tax Fund is primarily used to cover the expenses related to maintenance and operation of the City's traffic signals and streetlights. Other Gas Tax Fund programs include street maintenance patching and striping project, street sweeper lease payments, and engineering.

The Gas Tax funds must be spent within 5 years of receipt. Future Gas Tax funds cannot be pledged for current projects with future repayment; therefore, the funds can only be spent once they have been received.

- Street sweeper maintenance - \$15,000

**WHARF****PUBLIC WORKS**

The Wharf Fund accounts for rental income generated from wharf operations and expended on operating costs as well as major repairs and improvements. The Wharf Fund accumulates these revenues in order to help meet the majority of its expenditure demands. Major repairs that tend to occur in a 3–5-year cycle require occasional general fund support in order to keep this key public facility open.

With the passage of Measure F, the City will begin to design and construct an improved wharf. The Measure F funds are accounted for in the Capital Improvement Fund (CIP). The Wharf Funds are for maintenance and repair of the current Wharf.

## GENERAL PLAN UPDATE & MAINTENANCE

### COMMUNITY DEVELOPMENT

In 2002, the State Legislature passed AB 2936 to enable cities to collect fees “reasonably necessary to prepare and revise the plans and policies that a local agency is required to adopt before it can make any necessary findings and determinations”. The General Plan Maintenance Fee is currently 0.5% of the total building valuation with a cap of \$100,000 to cover the cost of a future comprehensive update of the City’s General Plan.

Valuation is calculated on a cost per square foot basis. The City of Capitola uses \$200/square foot valuation for the average house, and \$300/square foot for houses with increased values.

The City adopted a General Plan Update in June 2014, a Climate Action Plan and General Plan Housing Element in 2015, and a comprehensive update to the Zoning Code which was certified by the California Coastal Commission in 2021. The City is currently working on the 6<sup>th</sup> Cycle Housing Element Update. The adopted budget provides adequate resources to fund consultant contracts and staff time to continue these efforts.

## GREEN BUILDING

## COMMUNITY DEVELOPMENT

The Green Building Ordinance (Chapter 17.10 to the Capitola Municipal Code) was adopted in May 2008 and later amended in November 2014. The Green Building Ordinance establishes the Green Building Fund, which provides funding for the administration and implementation of the Green Building program and related sustainability initiatives. The intent of the Green Building fund is to provide resources for programs and initiatives which promote environmental sustainability, resource conservation, greenhouse gas emission reductions, and solid waste reduction.

Application and Use of Funds (per City municipal code): The Capitola Green Building Regulation applies to non-residential additions and/or exterior remodels totaling 1,000 or more square feet and residential additions and/or remodels totaling 350 square feet or more. Building permits which are required to comply with the Green Building Regulations shall be assessed a fee of 0.0025 times the overall valuation of the project. Revenues collected shall be maintained by the Finance Department as a revolving Green Building Fund and shall be used only for program management, training, publications, public educational purposes, incentive programs, materials and supplies necessary to promote sustainable development, water conservation, storm water pollution prevention, and climate action planning activities.

## PUBLIC ART

CITY MANAGER

The City established a Public Arts fee in 2004. The purpose is to ensure that 2% of the cost of eligible municipal capital improvement, renovation, or restoration projects funded in whole or in part by the City of Capitola or any private, non-residential development project with a total building permit valuation of \$250,000 or more is set aside for the acquisition of works of art to be displayed in or about public places within the City. For a private development, there is an in-lieu option to contribute 1% of the total budget to the Public Art Program. As part of the program expenses, up to 20% of the art allocations may be expended on program administration, project management and community outreach activities.

**PARKING RESERVE****PUBLIC WORKS**

In 2009, as part of a parking meter rate increase, the City Council established the Parking Reserve Fund. Revenues deposited into this fund represent 16% of parking meter revenues from the Village area (Parking Meter Zone A1). The fund was established to fund parking improvement projects throughout the Village.

**TECHNOLOGY FEE****COMMUNITY DEVELOPMENT**

On November 12, 2009, the City of Capitola adopted a resolution establishing the Technology Fee. The fee is 5% of the Community Development and Public Works permit fees. The City has updated building, planning, and public works permitting software. The system better coordinates plan review activities among departments and will allow the public to inquire and search records and monitor progress of applications through the internet. The City will continue to make changes to the system in order to provide better service to the public and to improve internal processes. The zoning update process and its implementation will also benefit from the system's data resources and enhanced reporting capabilities.

## **PUBLIC EDUCATION/GOVERNMENT CABLE TV ACCESS (PEG)**

CITY MANAGER

This Special Revenue Fund accounts for Public, Education & Government (PEG) cable television fees. The PEG Access fee from all cable service providers is 64 cents per subscriber and is due to the City concurrent with the Franchise Fee Payments. The City is required to segregate PEG access fees and related purchases.

The funds received through PEG fees are retained by the City and utilized for capital equipment purchases in support of PEG access only. PEG channels are set aside for the following purposes:

- Public - available for use by the public
- Education - available for use by educational institutions for educational programming
- Government – available for programming by local governments

## CAPITOLA VILLAGE/WHARF BUSINESS IMPROVEMENT AREA (BIA)

### FINANCE

In June 2005, the City of Capitola adopted Ordinance No. 889, which added Chapter 5.10 to the Capitola Municipal Code establishing the Capitola Village and Wharf Business Improvement Area (BIA). It was established to generate revenue for the sole purpose of promoting business in Capitola village and on the wharf. State law requires certain annual actions and public hearing to continue this assessment district. The program is run with the assistance of a BIA Board of Directors, which provides city council with an annual budget proposal.

## COMMUNITY DEVELOPMENT BLOCK GRANTS (CDBG)

### COMMUNITY DEVELOPMENT

The Community Development Block Grant (CDBG) program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The program is funded through the Federal Department of Housing and Urban Development (HUD) and Capitola participates in the competitive Small Cities Grant Program administered by the California Department of Housing and Community Development.

In recent years, the City has been awarded with CDBG grants to fund the Green Economy/Environmental Economic Analysis, 41<sup>st</sup> Avenue/Capitola Mall Re-Visioning Plan the City's Local Hazard Mitigation Plan (LHMP) and Safety Element of the General Plan Update, and CARES Act funding in response to the pandemic. In 2021, the City was awarded with a \$497,000 CDBG grant for public food assistance and transit including funds for Second Harvest Food Bank (\$119,840), Meals on Wheels/Lift Line (\$299,720), and Grey Bears (\$52,950). The remaining funds will cover administration of the grant.

Contract services – 2021 CDBG Grant of \$485,670 to be distributed during FY 2023-24 and 2024-25

- FY 2023-24 includes final \$20,000 of Coronavirus grant disbursements.

## **COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM INCOME**

### COMMUNITY DEVELOPMENT

This special revenue fund accounts for issuance and repayment of CDBG-funded housing loans made by the City to income-qualifying households. These funds are referred to as CDBG Program Income. CDBG Program Income must be used for CDBG-approved purposes. The three primary sources of CDBG Program Income are the payoff of Loma Vista Mobile Home Park resident loans, CDBG-funded First Time Homebuyer Program loans, and CDBG-funded Rehabilitation Program loans.

If the total amount of Program Income received in any fiscal year is less than \$25,000, the funds received are not subject to Federal CDBG regulations. If the amount exceeds \$25,000, all Program Income received during that fiscal year is restricted to CDBG-approved Federal spending guidelines. Since the FY 2022-23 Program Income had no loan payoffs, there are no funds to reallocate in the current budget cycle.

## LIBRARY

CITY MANAGER

This special revenue fund accounts for revenue and expenses related to the design and construction of the new Capitola Branch Library. The former Redevelopment Agency contributed \$2.6 million to the County of Santa Cruz which was held in a trust fund for the future construction of a new branch library.

The Voters of Santa Cruz County authorized the Santa Cruz Libraries Facilities Financing Authority to issue general obligation bonds in an aggregate principal amount not exceeding \$67 million. The City of Capitola will receive \$10.0 million from the bonds to be used towards the construction of the new branch library, bringing the City's total available funds to \$12.6 million.

The City started utilizing the County Trust Fund money in FY 2016/17 to hire a project manager to oversee the development of plans and ultimately the construction of the Library. Under the trust fund agreement, the City can utilize 15 percent of the funds for pre-construction activities.

In addition to the funding sources mentioned above, the Friends of the Capitola Branch Library (Friends) conducted a fundraising campaign raising over \$600,000. The funds donated to the Friends were utilized for enhancement projects throughout the Library. The City completed construction of the new Library in June 2021, however, there remains approximately \$50,000 of donated funds that the Friends are evaluating for the best use of those remaining funds.

### SOURCES AND USES

## HOME PROGRAM REUSE

### COMMUNITY DEVELOPMENT

This special revenue fund accounts for revenue from the repayment of Federal Home Investments Partnership Program (HOME) loans. Expenditures in this fund must be used for affordable housing activities in accordance with the Federal HOME Program Reuse Guidelines, including first-time homebuyer loans, owner-occupied rehabilitation projects, and affordable housing assistance projects. As loans are paid off, those funds are returned to the Home Program Reuse Fund and become available for affordable housing activities.

Annual revenue of \$12,300 represents principal and interest payments on the 30-year \$238,000 Wharf Road Manor Mobile Homeowners Association Acquisition and Rehabilitation Project loan from 2004.

In January 2009, the City of Capitola entered a Standard Agreement with the California Department of Housing and Community Development for a HOME grant in the amount of \$2,000,000 for rehabilitation expenses related to the 109-unit Bay Avenue Senior Apartments Project. Construction of the project was completed in May 2011. The grant was provided to First Community Housing, the Bay Avenue Senior Apartments project developer, as a residual receipts loan at 3% interest. In May 2011, the HOME program increased the grant award by \$1.2 million dollars to cover additional costs related to required rent level revisions, which are lower than estimated in the original pro-forma. The grant funds have been received and dispersed. In recent years, multiple loans have been paid off creating a healthy fund balance for future HOME projects.

## HOUSING TRUST

### COMMUNITY DEVELOPMENT

In November 2004, the City Council adopted an inclusionary housing ordinance as part of the City's ongoing efforts to provide affordable housing. This ordinance created the Affordable Housing Trust Fund to use as a flexible local source of funding for the creation of new affordable housing, rehabilitation of existing affordable housing, funding of local programs to assist lower and moderate-income buyers purchase affordable housing, or as leverage of local funds for larger State and Federal grants. This housing activity is funded through in-lieu fees collected from development projects and does not impact the General Fund.

The Affordable Inclusionary Housing Ordinance refers to a City Municipal Code Section that requires that fifteen percent (15%) of the units in a new for-sale residential construction project be made available to low or moderate-income buyers. Condominium conversion projects are also covered under this ordinance. As outlined in the ordinance, project developers provide affordable set-aside units or under certain conditions can pay an in-lieu fee.

The City's Housing Trust Fund allows for up to \$75,000 per year to be spent on affordable housing program administration. This includes working with developers on fee collection, administration of the Housing Trust Fund, and implementation of the Inclusionary Ordinance.

**PERMANENT LOCAL HOUSING ALLOCATION****COMMUNITY DEVELOPMENT**

In 2017, Senate Bill 2 (SB 2) established a \$75 recording fee on real estate documents and created the Permanent Local Housing Allocation Fund (PLHA). PLHA funds are allocated to local governments for eligible housing and homelessness activities and provide a permanent, on-going source of funding for housing-related projects and programs that address the unmet housing needs of communities.

On May 10, 2023, the City of Capitola was awarded \$481,732 in PLHA funds for the first three years of the allocation (2019-2021) and a total five-year estimate of \$630,557. The City anticipates additional funding on an annual basis. The first PLHA activity approved is for predevelopment cost related to affordable housing developments. The second activity is to fund the very low income homeless through an annual contribution of \$35,000 to the Housing for Health Partnership to support year-round emergency shelter operations in Santa Cruz County. A portion of the funding will cover administrative expenses.

## CAPITOLA HOUSING SUCCESSOR

### COMMUNITY DEVELOPMENT

In 2011, the California State Legislature passed ABX1 26 to dissolve redevelopment agencies. The legislation was contested and upheld by the California Supreme Court. It requires a number of actions to be taken by the city in the winding down of the RDA. Among other things, it allows cities to elect to retain the former RDA Low- and Moderate-Income Housing Fund. The Capitola City Council elected to retain the former RDA Housing with the following new city special revenue fund, the Capitola Housing Successor.

A further requirement of the legislation is the establishment of a program income fund to segregate loan payoffs received by the Housing Successor after the dissolution of the Redevelopment Agency. These funds were initially restricted in their use, repayment, and reuse and the Housing Successor continues this restriction. As payments are received on loans associated with the original RDA Low- and Moderate-Income Housing Fund or the Capitola Housing Successor it will be applied to the Capitola Housing Successor.

Newly implemented SB341 requires annual reporting on the Housing Successor Assets to be included with the Annual Financial Statements and the Housing and Community Development (HCD) Annual Progress Report on the Housing Element of the General Plan.

# RESERVES

## RESERVES

**Emergency Reserves** (Finance Department): The City Council established the Emergency Reserve Fund to accumulate funds to meet future unanticipated needs. The City of Capitola Administrative Policy III-3, Financial Management Policy, amended on February 28, 2013, to increase the required level of emergency reserves from five to ten percent of operating expenditures.

**Contingency Reserve** (Finance Department): The City Council established the Contingency Reserve Fund to accumulate a prudent level of financial resources to protect the City against temporary revenue shortfalls or unanticipated operating costs, and/or to meet short-term cash flow requirements. The City of Capitola Administrative Policy III-3, Financial Management Policy, amended on February 28, 2013, to increase the level of contingency reserves from 10 to 15 percent of operating expenditures.

**PERS Contingency Reserve** (Finance Department): The City Council established the PERS Contingency Reserve Fund in FY 2015/16. The Council discussed possible uses of a General Fund positive ending balance and wanted to set aside funds for future PERS increases. In FY 2022-13 an additional \$500,000 was deposited into the Trust to add to the previously deposited \$800,000.

**Facilities Reserve** (Finance Department): The City Council established the Facilities Reserve Fund to serve as a resource to fund capital improvements and major repairs on City facilities. Based on the National Research Council Stewardship of Federal Facility guidelines, the City's goal is to provide annual contributions equal to two percent of the facility replacement values. This annual contribution will be determined each budget year.

## EMERGENCY RESERVES

The City of Capitola adopted an Emergency Reserve Policy as part of the City's Financial Management Policies. This reserve protects against significant one-time costs that arise from major unpredictable emergency events. In FY 2012/13, the City amended the Financial Management Policies to increase the funding level of Emergency Reserves from five to ten percent of the General Fund budgeted expenditures, or approximately \$1.5 million in FY 2021-22.

The Emergency Reserve fund was nearly depleted in March of 2011 due to an underground storm drain failure that flooded Capitola Village and the surrounding area. The City was required to recognize a \$1.4 million extraordinary loss on the FY 2010/11 and FY 2011/12 financial statements. An additional \$200,000 was needed to fund a related retaining wall project. In FY 2012/13, a settlement was reached with the City's insurance carrier to pay \$1.35 million in damages to the City.

The March 2011 pipe failure repairs were paid from the City's Emergency Reserve Fund. As funding in the Emergency Reserve Fund fell short of the flood-related costs, additional funding to respond to the flood event was provided through interfund loans from the Contingency Reserve Fund and Capital Improvement Fund. In FY 2011/12, the Emergency Reserve Fund balance was \$410,000 lower than the targeted balance. In FY 2012/13, funds were transferred from the internal service funds, Measure O revenue receipts, and the General Fund operating balance to assist in replenishing the reserves.

In FY 2014/15 and FY 2015/16, \$465,100 and \$213,000, respectively, were budgeted for transfer to the fund to prepare for any unforeseeable emergencies and to meet the new Emergency Reserve targeted levels. As the chart below shows, the reserve balance is currently below the target level for FY 2022-23 in part due to the transfer of \$60,000 for the Noble Gulch Park emergency storm drain repair. The FY 2023-24 Proposed Budget includes a general fund transfer as part of the City Council Goals in anticipation of the City's estimated costs related to storm damage sustained during Jan. 2023.

## CONTINGENCY RESERVES

The City of Capitola adopted a Contingency Reserve Policy as part of the City's Financial Management Policies. This reserve was established to provide a prudent level of financial resources to protect against temporary revenue shortfalls, unanticipated operating costs, and/or to meet short-term cash flow requirements. In FY 2012/13, the City amended the Financial Management Policies to increase the Contingency Reserve target from 10 to 15 percent of General Fund budgeted expenditures, or approximately \$2.25 million in FY 2021-22.

Due to the expenses associated with the March 2011 pipe failure, a loan was made from the Contingency Reserves Fund to the Emergency Reserves Fund. As a result, Contingency Reserves were \$727,000 below their Financial Management Policy funding goal in FY 2011/12. In FY 2012/13, funds were transferred from the Internal Service Funds, Measure O revenue receipts, and the General Fund operating balance to assist in replenishing and building the reserves.

In FY 2014/15 and FY 2015/16, a total of \$182,600 and \$89,400 were transferred to the fund to meet the new Contingency Reserve targeted levels. As the chart below shows, the reserve balance is currently estimated to be below the target level for FY 2022-23. The FY 2023-24 Proposed Budget includes a general fund transfer of \$172,000 to reach the target balance.

## PERS CONTINGENCY RESERVES

The City of Capitola established a PERS Contingency Reserve as part of the FY 2015/16 Budget process. The fund was set up to help stabilize the City's finances and help manage future increases in PERS contributions.

The PERS Contingency Fund was initially funded with a \$300,000 transfer from the General Fund. The \$300,000 allows for two years of PERS projected increases and time to evaluate options to address the larger unfunded liability and yearly obligations.

In December 2016, \$300,000 was invested in a moderately conservative trust fund with Public Agency Retirement Services (PARS). The FY 17/18 budget transferred an additional \$500,000 into the PERS trust fund to offset rising pension costs. During the FY 2022-23 goal setting session the City Council allocated \$500,000 of existing fund balance to the PERS Trust reserve.

## FACILITIES RESERVES

The Facilities Reserve Fund was established in FY 2014-15 to serve as a resource to fund capital improvements and major repairs on City facilities. The National Research Council Stewardship of Federal Facilities recommends setting aside two to four percent of building replacement costs to preserve or extend the life of facilities. The estimated replacement value of the City's facilities is \$17.5 million.

The Facilities Reserve is used to fund future facility needs of the City. The Proposed FY 2023-24 Budget returns funding to the facility reserve at pre-pandemic levels.

# MULTI-YEAR ASSETS & OBLIGATIONS

THIS PAGE INTENTIONALLY LEFT BLANK

## MULTI-YEAR ASSETS & OBLIGATIONS

**City & Joint Powers Authority (JPA) Multi-Year Obligations:** The City of Capitola has six multi-year obligations, two of which are part of a Joint Powers Authority. The obligations are paid from various funding sources.

**Pacific Cove Lease Financing:** In March 2011, a pipe failure flooded the City-owned Pacific Cove Mobile Home Park. The City of Capitola entered into a \$2,390,000 lease/sublease agreement to finance the relocation of mobile home residents and close the park.

**Beach and Village Parking Lot II:** The City of Capitola initiated a \$1,372,500 California Infrastructure and Economic Development Bank (I-Bank) loan to fund the development of a parking lot and related improvements at the site of the former Pacific Cove Mobile Home Park.

# CITY/JOINT POWERS AUTHORITY MULTI-YEAR ASSETS & OBLIGATIONS

## GENERAL GOVERNMENT

The City of Capitola has seven multi-year obligations, three of which are part of a Joint Powers Authority. The obligations are paid from various funding sources. All obligations are shown in the budgets of the applicable funds and all payments are current.

City Multi-Year Obligations	Principal balance June 30, 2023	Form of payment	Original Obligation	Other Terms
Current employee compensated absences (a)	\$ 896,141	Accrual	Ongoing	On-going. No interest due. (Refer to Compensated Absence Fund)
Net Pension Liability	\$ 20,932,976	Actuarial	N/A	Pension Liability to CalPERS.
Pacific Cove Lease Financing	\$ 725,145	Financing Lease	20 years	\$2,390,000 loan - 20 year term beginning 9/2012, 3.25% fixed rate through 10 years, then resets to 10 Yr. T-Bill + 1.5%.
Beach & Village Parking Lot II Lease Financing	\$ 895,732	Tax Exempt Lease	20 years	\$1,372,500 I-Bank loan - 20 year term beginning FY 2013/14, 2.26% interest.
<b>Total City Multi-Year Obligation</b>	<b>\$ 23,449,994</b>			

(a) Compensated absences and Net Pension Liability are as of June 30, 2022.

JPA Bond Obligations	Original Principal	Form of payment	Original Obligation	Other Terms
Santa Cruz Consolidated Emergency Communications Center (SCCECC) JPA Bond	\$ 3,965,000	JPA membership and paid via premiums	22 years	In 2002, SCCECC issued \$5.76 million in lease revenue refunding bonds, which were refinanced in April 2012, at \$3,965,000. Payments are made to Santa Cruz Regional 911 from the Police Department's contracts services budget. The Use Agreement between Capitola and SCCECC is effective through June 15, 2034.

## PACIFIC COVE LEASE FINANCING

### DEBT SERVICE

The City of Capitola owns 426 Capitola Avenue, which formerly housed the 41 mobile home Pacific Cove Mobile Home Park. On March 24, 2011, a 72" storm drain that carries Noble Gulch Creek water from Bay Avenue to Soquel Creek catastrophically failed following a heavy rain storm. This resulted in flooding of the Pacific Cove Mobile Home Park, City Hall and village residences and businesses. The initial estimate to bring the park up to code was \$1.33 million. Due to the high cost and potential for future liability, Capitola City Council approved a Relocation Impact Report (RIR) for the closure of Pacific Cove Mobile Home Park in January 2012. The RIR provided a cost estimate for relocating residents and professional relocation consultants to help displaced residents find suitable replacement housing. The City executed a \$2.39 million lease/sublease agreement using the existing City Hall site and adjacent upper parking lot as the pledged property. The City verified income status as part of the relocation process and determined that a percentage of Housing Trust Fund monies could be used to repay the debt service at a proportion no greater than the number of low income mobile home occupants that were relocated. The funding sources for debt service payments will be determined annually. Any General Fund monies for the share of allowable costs from other funding sources may be reimbursed in subsequent years as funds become available.

At the time the loan was issued, there was some uncertainty as to whether the property would be developed for public or private use. This resulted in the City entering into a 20-year taxable lease/sublease agreement at an interest rate of 5.14%. In FY 12/13, the City determined that the site would be converted to a public parking lot, now named Beach & Village Parking Lot II (BVPL II). This public use allows the City to refinance the existing debt at a 3.25% tax-exempt interest rate with a 10-year Treasury Bill reset + 1.5% in year 10. As a result of the refinancing, annual loan payments were reduced by approximately \$28,000, with an estimated nine-year interest savings of approximately \$350,000. In FY 12/13 the City reached a \$1.35 million insurance settlement related to the pipe failure. This resulted in a principal reduction of \$476,200, with a prepayment penalty of \$23,800. During the FY 2023-24 City Council Goal setting the Council allocated \$725,000 to pay off the outstanding balance saving approximately \$150,000 of interest costs over the next several years.

**BEACH & VILLAGE PARKING II – LEASE FINANCING****DEBT SERVICE**

In April 2013, the City of Capitola received \$1,372,000 in funding from the California Infrastructure and Economic Development Bank (I-Bank) for development of a parking lot on the former Pacific Cove Mobile Home Park site. The funding was used to create the 226 space Beach & Village Parking Lot II. The project included grading, pay station installation, shuttle bus stops, landscaping, pedestrian walkways, and pay stations for the upper parking lot. The I-Bank loan is 2.26% tax exempt reimbursement financing.

This project improved parking capacity for Capitola Village, Capitola Beach, and Capitola Wharf, and is especially helpful during peak seasons. The additional parking spaces are also anticipated to facilitate the development of a hotel. The parking lot contributes about \$44,000 annual revenue to the General Fund and the I-Bank annual debt service of \$88,002 is paid with funds transferred from the General Fund.

**City of Capitola  
Special City Council Meeting Agenda  
Thursday, May 18, 2023 – 6:00 PM**

REVISED 5/15/2023 1:00 PM

City Council Chambers  
420 Capitola Avenue, Capitola, CA 95010  
Teleconference Location – 2101 Francesco Circle, Capitola, CA 95010

**Mayor:** Margaux Keiser

**Vice Mayor:** Kristen Brown

**Council Members:** Yvette Brooks, Joe Clarke, Alexander Pedersen

**Closed Session – 5:30 PM**

Closed Sessions are not open to the public and held only on specific topics allowed by State Law (noticed below). An announcement regarding the items to be discussed in Closed Session will be made in the City Hall Council Chambers prior to the Closed Session. Members of the public may, at this time, address the City Council on closed session items only. There will be a report of any final decisions in City Council Chambers during the Open Session Meeting.

- i. CONFERENCE WITH LABOR NEGOTIATORS (Gov't Code § 54957.6)  
Negotiator: Chloe Woodmansee, Assistant to the City Manager  
Employee Organizations: Mid-Management Employees

**Special Meeting of the Capitola City Council – 6 PM**

All correspondence received prior to 5:00 p.m. on the Wednesday preceding a Council Meeting will be distributed to Councilmembers to review prior to the meeting. Information submitted after 5 p.m. on that Wednesday may not have time to reach Councilmembers, nor be read by them prior to consideration of an item.

**1. Roll Call and Pledge of Allegiance**

Council Members Yvette Brooks, Joe Clarke, Alexander Pedersen, Kristen Brown and Mayor Margaux Keiser.

**2. Additions and Deletions to the Agenda**

**3. Additional Materials**

Additional information submitted to the City after distribution of the agenda packet.

**4. Oral Communications by Members of the Public**

Please review the Notice of Remote Access for instructions. Oral Communications allows time for members of the Public to address the City Council on any "Consent Item" on tonight's agenda, or on any topic within the jurisdiction of the City that is not on the "General Government/Public Hearings" section of the Agenda. Members of the public may speak for up to three minutes, unless otherwise specified by the Mayor. Individuals may not speak more than once during Oral Communications. All speakers must address the entire legislative body and will not be permitted to engage in dialogue. A maximum of 30 minutes is set aside for Oral Communications.

**5. Staff / City Council Comments**

Comments are limited to three minutes.

# Caustic Commentary

Sally Fallon Morell

in mice. Farmed salmon may also contain fire retardants called polybrominated diphenyl ethers (PBDEs), linked to infertility, birth defects, neurodevelopmental delays, reduced IQ, hormone disruption and cancer. Use of PBDEs was restricted in 2004, but they still persist in the food fed to salmon. It takes up to eight pounds of fish feed to produce a pound of farmed fish, and much of this comes from the polluted Baltic Sea, into which nine industrial countries dump their toxic waste. Pesticides and microplastics also find their way into the fish. And while wild salmon is a good source of omega-3 fatty acids, farmed fish is super high in omega-6 (childrenshealthdefense.org, February 2, 2022). Genetically engineered salmon became available to consumers in 2021 and promises to pose additional health risks.

## THE GRAPHENE AGE

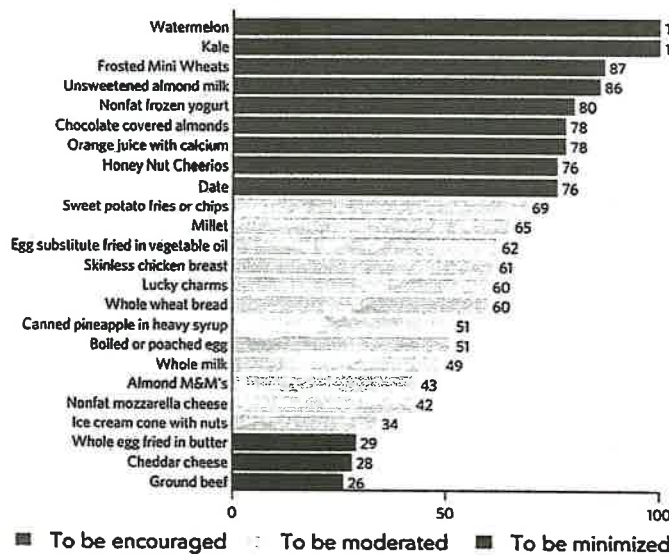

# 5G

Graphene oxide (GO) is a compound of carbon, oxygen and hydrogen in variable ratios, which can be formed into ultra-thin layers about one nanometer thick. Graphene's high conductivity and flexibility make it the linchpin of 5G wireless technology, as it is a super absorber of microwaves. Graphene oxide transistors are in every 5G transmission device. The optimal signal multiplication frequency for graphene transistors is 26 GHz—the very frequency that the Federal Communications Commission (FCC) is currently auctioning off. (Wi-Fi microwave frequency bands range from 2.4 to 5 GHz.) Frequencies in the 5G range operate at more potent power densities than those in the 4G range. A recent paper in *Annals of Case Reports* by EMF researcher Dr. Lennart Hardell indicates that exposure to the high frequencies and power density of 5G results in a host of neurological symptoms such as tinnitus, fatigue, insomnia, emotional distress, skin disorders and blood pressure variability (<https://doi.org/10.29011/2574-7754.101112>). Moreover, the high energy consumed by 5G cells is discharged into the

air, exposing plants, animals and humans to unprecedented levels of electricity. But there's more. Researchers in both Spain and the U.K. have found graphene oxide in the Covid vaccines and have observed strange transistor-like structures in the blood of Covid-vaccinated individuals—raising the possibility that 5G frequencies can communicate with the graphene-oxide structures in the blood. Moreover, a 2020 study in *Talanta* found that graphene oxide nanoparticles showed “excellent selective sensing ability towards adrenaline and tyrosine” (pubmed.ncbi.nlm.nih.gov/31514900/). Now, let's put this all together. Vaccinated athletes pumped up in an adrenaline rush, performing in stadium environments of intense Wi-Fi and other 5G frequencies, fall over with cardiac arrest. The last two years have seen over one thousand such deaths. Coincidence? We think not.

## MORE OF THE SAME

The U.S. Dietary Guidelines Committee is gearing up for new guidelines in 2025. Of course, they will be more of the same, advising Americans to limit saturated fat and salt by avoiding healthy foods like butter, whole milk, meat, cheese, charcuterie, soups and coconut oil. The guidelines do recommend whole grains but provide no information on how to prepare them to make them digestible; and suggest limiting “added sugars” to fifty grams per day—that's over three tablespoons!—with no advice on how to avoid irresistible sugar cravings on a lowfat diet. Recently, several papers have pointed out conflicts of interest among committee members.

In an April 2022 paper published in *Public Health Nutrition* (2022 Mar 21;1-28), the authors noted a total of more than seven hundred conflicts of interest in the 2020 Dietary Guidelines Advisory Committee, with more than 50 percent of committee members connected to thirty industry entities alone, the most notable being Kellogg, Abbott, Kraft, Mead Johnson, General Mills and Dannon. A December 2022

5-18-23

To Capitola City Council

I call on you to sign  
on to the attached 5-13-23  
letter in opposition to  
AB 1085, which would  
increase the massive  
dangerous rollout of more  
radiation emitting  
wireless infrastructure. AB 1085  
inform me of plans  
to agencies this  
item at your next  
meeting.

Thank you

Marilyn Garrett

(submitted in person tonight)

**Towards an Internet of Living Beings**

**PO Box 5754**

**Oroville, CA 95966**

May 13, 2023

The Honorable Chris Holden  
Chair, Assembly Appropriations Committee  
1021 O St., suite 8220  
Sacramento, CA 95814

Oppose: AB 1065

Dear Chairperson Holden and Appropriations Committee Members,

We are writing to urgently request that you oppose AB 1065, a bill currently in the suspense file, which would provide funding for the increasingly massive rollout of wireless installations, and take it away from the much safer, more reliable and energy-efficient option of wired internet connections. The bill would allow companies that provide wireless infrastructure to apply for FFA (Federal Funding Account) funds. Wireless companies are currently ineligible for FFA funds (allocated at two billion dollars) since CPUC regulators have determined that wired connections are technologically superior to wireless, and will provide much better access for the communities this program hopes to reach. We have described below the numerous reasons you should oppose this bill.

**Bill would Saddle Underserved Communities with Expensive and Inferior internet**

Wireless internet connections are more costly than the wired connections, and slower to boot. (The much touted promise of faster internet speeds from 5G has generally not materialized according to tests done by the editors of PC Magazine.)

What's the alternative to the disaster that is occurring throughout California which this bill would like to expand—the disaster of ubiquitous and ugly 4G/5G installations littering our neighborhoods? Copper wire and fiber-to-the-premises wired internet connections have none of the downsides of 4G/5G wireless infrastructure, the only benefit of which is to increase the industry's profits. Instead of supporting the wireless industry's demand for handouts, the legislature should be reinvigorating and adding to the wired connections that have served California so well, without any of the downsides

of wireless cell towers (either macro or small) which emit massive radiation into our schools, elder facilities, and homes.

These small cells are not actually for the purpose of increasing internet access. The industry claims that (small) cell towers in our neighborhoods are necessary for 5G (fifth generation) internet, which claims to provide faster download speeds and also facilitate the internet of things, by which every item in our environment will be connected via electrosmog. Yet some upscale California communities, such as most towns in Marin County, have refused to allow these extremely dangerous small cells in their residential districts, while still enjoying all the benefits of highspeed internet.

Low income people already have the option of highspeed internet service at no cost, via the federal ACP program. Although ACP users can use wireless connections if they choose, they also may choose to exclusively use wired connections that transmit through their phone lines. Cable and fiber to the premises are other methods that allow high speed access without the terrible health, environmental, and fiscal impacts of wireless.

### **Numerous Peer Reviewed and/or Government Studies showing Harm to Health**

The wireless industry would also like you to believe that “the jury’s still out” on whether wireless radiation has harmful health impacts. However, peer-reviewed, published science indicates that exposures to wireless radiation increase rates of cancer, diabetes, heart disease, stroke, male infertility, memory loss and Alzheimers. (See Sarah Benson’s review of the studies here <https://biocircuitry.com.au/wp-content/uploads/2014/12/2014-Joining-the-Dots-now.pdf> . Of particular note are the cancer clusters that have been found to occur in people living close to cell towers, which Benson describes beginning on p. 9.

The new small cells have the same 4G technology that have been found to be associated with these greatly increased rates of cancer etc., with the added bonus of the ultra-high frequency 5G (5<sup>th</sup> generation) technology. The evidence of harmful health impacts from wireless radiation was given a big boost with the release of a \$30-million dollar study, conducted by the National Toxicology Program of NIH, which found “clear evidence” of a link between wireless radiation from cell phones/wireless devices and cancer. <https://microwavenews.com/news-center/ntp-final-rf-report>

Just because a young child playing with an iPhone or video game is not experiencing immediate health effects, studies have shown that this population is the one that is most

vulnerable, due to children's thinner skulls. It takes ten to twenty years for brain cancers to develop from constant exposure to wireless radiation, and when these children become young adults, their doctor may or may not make the connection to their childhood addiction to wireless gadgets. Doctors have less difficulty diagnosing the cause for the increasing amounts of breast cancer in young women, cancers discovered to be in the exact shape and size of the cell phone the young women carried in their bras.

As described by Joel Moskowitz of Berkeley's School of Public Health, writing in the *Scientific American*, over 250 scientists and medical doctors from around the world issued a declaration calling for an immediate moratorium on the rollout of 5G cell antennas, citing human health effects, and impacts to wildlife.

(<https://blogs.scientificamerican.com/observations/we-have-no-reason-to-believe-5g-is-safe/>) The frequencies of the new 5G antennas will be much, much stronger than the previous 4G (4G operates at 6Ghz or less, while 5G begins at 24 Ghz and can go up to 100, or even 300, Ghz). As opposed the previous "macro towers," which were put in out-of-the-way areas to protect the public, the new "small cells," are to be located everywhere that people live, work and play.

Thousands of studies have found harm to health and the environment from wireless radiation (see <https://www.greenmedinfo.health/anti-therapeutic-action/electromagnetic-fields> and [www.mdsafetech.com](http://www.mdsafetech.com) and <http://www.bioinitiative.org>), and these dangerous effects will be magnified tremendously with 5G. An industry spokesperson admitted to Congress that there are no studies showing the safety of 5G radiation, and they do not plan to do any.

### **Even the U.S. Court of Appeals Agrees—No Evidence that Cell Tower Radiation is Safe**

In August of 2021, the United States Court of Appeals ordered the FCC to throw out its antiquated safety guidelines created in 1996—before there was 3G, 4G or 5G, and before there were so many different sources of wireless radiation permeating our environment, leading to greater and greater cumulative absorption of this radiation. The result of increased absorption has yielded a whole range of negative health effects. This Federal case against the FCC was brought by the Environmental Health Trust, et. al., and was supported by over 11,000 scientific studies.

The Appeals Court declared "the FCC's failure to provide a reasoned explanation for its determination that its 25-year-old guidelines adequately protect against the harmful effects of exposure to radiofrequency radiation unrelated to cancer, renders its decision capricious, arbitrary and not evidence based, in violation of the Administrative Procedures Act (APA)."

As one of the plaintiff attorneys, Dafna Tachover, noted, "This ruling from the second highest court in the country effectively stated that at this point in time it cannot be argued that the FCC guidelines are protective or that wireless and 5G are safe. The wireless technology industry is proceeding as if this ruling never took place."

### **Firefighters Given Protection from Cell Tower Proximity, but None for Community**

According to medical writer Susan Foster, who did a study in 2004 of firefighters who worked at a station with a 2G cell tower placed nearby (a much less powerful frequency than the proposed 4G/5G installations), after five years, all the firefighters studied suffered major neurological damage. Some of the impaired firefighters, on more than one occasion, were unable to find their way around town in response to a 911 call, in the town where they had lived all their lives. (Foster describes her study in a letter dated August 14, 2017, to Assembly Member Lorena Gonzalez-Fletcher, Chair of the Appropriations Committee, regarding the proposed bill SB 649.)

Foster also notes in her letter what an invitation to lawsuits against the government this presents. AB 57 (passed into law in 2015), the failed 2017 bill SB 649, and the 2021 bill AB 537, give exemptions to fire stations from close proximity cell installations. If firefighters, among the healthiest and strongest members of our community, are given an exemption on health grounds, what about young children, the aged, or infirm, who are much more susceptible to this kind of injury? Or are we starting to revert to the philosophy of Nazi Germany, where the weak and infirm were considered to be useless eaters, to have "life not worthy of life"?

### **Increasing Cell Tower Radiation is Very Harmful to Wildlife + Invasion of Privacy**

The term small cells may sound innocuous, but the reality is quite different. The wireless antennas will emit microwaves and basically function as cell towers. Each installation can have hundreds of antennas that are transmitting simultaneously and 24/7. (See <https://www.cellphonetaskforce.org/5g-from-blankets-to-bullets/>) This radiation harms various forms of wildlife, and will provide much more surveillance of our personal lives. (<https://www.dundee.ac.uk/news/2018/5g-study-raises-security-concerns-for-next-generation-of-mobile-communication.php>)

- <https://www.newyorker.com/news/annals-of-communications/the-terrifying-potential-of-the-5g-network>

### **Ubiquitous Towers Prevent Accurate Weather Prediction**

Because 5G is somewhat blocked by buildings and trees, the quality of connections will not be great and the speeds will slow down when many people are using it. 5G even prevents accurate weather prediction, which is so essential in these days of increasingly devastating climate events.

[\(\(https://www.washingtonpost.com/weather/2019/11/22/global-g-deal-poses-significant-threat-weather-forecast-accuracy-experts-warn/?fbclid=IwAR1M\\_DdIYXhZkRYinNRchdPVfWUuR7hCFV5dRbxBqPsdBP1QCLssr9YLFS4\)\)](https://www.washingtonpost.com/weather/2019/11/22/global-g-deal-poses-significant-threat-weather-forecast-accuracy-experts-warn/?fbclid=IwAR1M_DdIYXhZkRYinNRchdPVfWUuR7hCFV5dRbxBqPsdBP1QCLssr9YLFS4)

## **Overloading Utility Poles Causes High Risk of Wildfires**

Unless you have been paying very close attention to the rollout of these so-called small cells (short for cell towers), you may not be aware that they allow for small-refrigerator-size cabinets of heavy equipment, sometimes filled with highly flammable material (such as diesel or propane fuel, or lithium batteries), to be hung perilously from utility poles—or placed on the ground—closely spaced throughout our neighborhoods. In news reports of a wildfire sweeping through Santa Rosa, it was noted that propane generators were exploding everywhere.

Senator Dianne Feinstein has warned about the risks of wildfires caused by overloading utility poles with these small cell installations, as she wrote in this OpEd: “Wireless companies won’t bear the responsibility when things go wrong. Attaching 5G cells that are the size of mini-refrigerators to city poles will make poles less stable. When poles come down, they pose significant risk for physical harm, property damage, blackout and even wildfires in dry regions. And under FCC rules, cities and residents would be on the hook for that damage.”

**We already know that overloading utility poles can be the cause of a wildfire that can destroy a community, as happened in Malibu in 2007.** <http://archive.vcstar.com/news/accusations-exchanged-over-utility-poles-after-malibu-fire-ep-371956105-%20350885791.html/>

Those poles in Malibu didn’t even contain the possibility of the ticking-time-bomb fuels that the 5G installations have. What if there’s an earthquake, car accident, or period of high winds?

**Even before the rollout of these hundreds of thousands of new “mini cell towers” throughout the U.S., cell towers have often been the source of fires. You can see numerous articles about dangers of cell towers here.**

<https://ourweb.tech/fires-and-collapses/>

Also extremely concerning re fire dangers, is the testimony by fire safety expert Susan Dana Foster, at an April 19, 2021 hearing of the Assembly Committee on Energy, Utilities and Communications (concerning SB 556). This fire safety expert testified that the telecom companies have often managed to evade electrical codes at the state, county and local level.

**Even more alarming, firefighters cannot even directly fight the fires using water at small cell installations, because they are electrical fires and they would risk electrocution.** They have to wait for the power to be shut off, which can take from ten minutes to two hours. Would you want a small cell installation burning out of control outside a child's bedroom for up to two hours?

**Add to that the very high fire risk caused by the smart meters that the telecoms quite often place on the 4G/5G installations.** Here is a link to comprehensive report (50 pages long) on the fire hazards presented by smart meters. <https://smartmeterharm.files.wordpress.com/2019/07/fire-and-electrical-hazards-report.pdf>

The report describes many reasons that smart meters have led to fires. Most notably, unlike analog meters, smart meters do not have surge protectors or any connection to ground (pp. 4-5). When a power surge hits them, which often happens after PG&E re-energizes electrical lines after a power shut-off (more and more common now), these meters can explode and cause a fire (p. 6 and 8).

**When worker-whistleblowers have attempted to alert the power companies to the problem of smart meters causing fires, they have been fired.** At a CPUC hearing held in Santa Rosa in 2012, a former PG and E worker named Patrick Wrigley testified that he noticed frequent fires related to smart meters, when the power was turned on after it had been off for a while. When he reported this problem to his superiors, instead of acting to protect the community, they fired him. (His testimony can be seen in the excellent documentary "Take Back Your Power," available online.)

**Due to periodic periods of severe drought, California has been at great risk from out of control wildfires.** We simply cannot afford this technology, so filled with potential danger, to be expanded with very limited oversight by local governments.

### **European Governments are Taking Protective Measures, Why isn't California?**

In Europe, many countries are starting to officially recognize the harm that wireless radiation is causing, and are calling for more limitations and regulation of this technology, even banning it in some areas (as in schools for young children and public libraries). Yet we in the United States are so enamored of this technology that we are supposed to accept an ever more massive and unregulated roll-out of cell towers, despite the hundreds of peer-reviewed studies showing great harm to health.

### **Profound but Hidden Fiscal Impacts**

So what are the fiscal impacts of this increasingly massive and unregulated roll-out? A lot more people will be getting sick. A lot more people will be unable to work and needing paid sick leave. A lot more children will be staying home from school and for every school day missed, the schools will not get paid for that child's attendance.

A lot more people will be needing to take extended leave from their jobs and will require disability payments. A lot more people will be flooding into doctors' offices and emergency rooms, looking for the unknown cause of the terrible headaches, confusion, ear ringing, seizures, nose bleeds, chest pain and heart palpitations, and numerous other symptoms that people have reported as result of massive exposure to wireless radiation (most noticeable after the smart meter roll-out, since the symptoms suddenly occurred which had not been present before). The doctors may or may not be able to properly diagnose them and medical treatments are virtually non-existent.

How many untold billions will future out of control wildfires cost to governments, businesses and California residents?

### **Increased Homelessness Will Result**

People, especially those on the lower end of the income scale (who cannot afford very expensive measures for personal protection from wireless radiation) will end up becoming homeless, sleeping in their cars as they only way to limit the amount of their exposure. Those without cars will be left with zero options, not even homeless shelters, since virtually all the residents carry cell phones.

### **Transferring Liability away from Telecoms to the State Government**

And of course there will be lawsuits. As attorney Harry Lehmann pointed out a few years ago, in his excellent legal analysis of the impact of SB 649 (the unsuccessful bill to allow for massive rollout of 5G installations with no community oversight), it is a thinly disguised strategy to transfer most or all of the liability from the industry to the government. Every week brings new studies and new evidence of harm from wireless radiation, and when people begin to understand the cause of the illness which is destroying their lives, they will turn to legal action. Doesn't California have better uses for its resources than defending against widespread lawsuits?

### **California can Avoid These Disasters by Exercising the Precautionary Principle**

Instead of passing this legislation that will greatly add to the long painful process of allowing and encouraging additional unregulated wireless towers everywhere, and then discovering what a huge mistake that was, from every possible angle, why not exercise the Precautionary Principle, and provide government support only for technologies that have been proven to be safe, energy-efficient, extremely fast, and protective of people and the environment?

Respectfully,  
Jenny Miller  
Convener, Towards an Internet of Living Beings
