Commissioner Hill said that it has been difficult to reserve very far ahead. Will meet with Nikki at Recreation. May need to revisit the date in future years. Will move forward with invitational event this year due to reduced size of the facility. Parking is a concern at Jade Street.
 - b. **Summer Events:** Staff reported on status of the events and sponsorship. Commissioner Storey asked for list of sponsors be sent to the commission.
 - c. **Tree Stump Art Project:** Commissioner Mozumder reported on the status of the project. The draft call to artists is attached. Chair Johnson made some suggestions. Commissioner Hill responded that accessibility would have to be incorporated if there was an interpretive aspect to the project. Commissioner Hill asked if Council approval would be necessary before

issuing a call to artists. Commissioner Storey felt that informing the council during public comments would be good and maybe speaking with individual Council Members before bringing for consideration would be a good idea. Chair Johnson would prefer to talk once in person.

Commissioner Cahalen stated that the next step would be to issue a Call to Artists. Subcommittee consists of Commissioners Hill, Cahalen, and McPeak.

f. Monterey Avenue Railing Project: Chair Johnson reported that a draft of the Call to Artist was in the agenda packet. Need the dimensions of the project. Commissioner Cahalen commented that they should speak with Planning Commissioner Peter Wilk who had originally brought the idea to the Commission. Chair Johnson stated that we will need give all the people in the area the information on what was being done.

Commissioner Storey felt that it should be treated as a city project and green cards should be distributed and that Council should be informed.

Commissioner Storey asked why the call to artist stated paint was not allowed. Chair Johnson felt maintenance would be difficult. Staff will get the dimensions on the project.

7. **Commissioner Reports** – Commissioner McPeak asked about the sign in the village. Commissioner Storey responded that it will be considered at the May 12th Council meeting. CAPITOLA ART & CULTURAL COMMISSION

ANNUAL REPORT 2021

Background:

The Capitola Art & Cultural Commission's purpose is to advise the City Council as to the allocation of public funds for the support and encouragement of existing and new programs in the arts; acquire by purchase, gift or otherwise, works of art subject to City Council approval; initiate, sponsor or direct special programs which will enhance the cultural climate of the City; establish close liaison with other commissions and civic organizations in order to foster public interest in the arts; and implement the Art & Cultural Master Plan.

The Art and Cultural commission is composed of the following: One (1) City Council Member; One (1) Planning Commissioner; One (1) Artist or Arts Organization Representative Member; One (1) Arts Professional Member and Five (5) "At-Large" Members. Appointments are made by the City Council. The commission is staffed by a ¼ time administrative assistant and the Assistant to the City Manager.

The Art & Cultural Commission meetings are on the 2nd Tuesday of the month. In addition, the commission holds a planning retreat in the beginning of the year.

Members during 2021:

Roy Johnson (Chair and Arts Professional Member), Sam Storey (Vice-Chair and Council Representative), Courtney Christiansen (Planning Commission Member), Kelly Mozumder (Artist Representative), Laura Alioto (At-Large Member), Mary Beth Cahalen (At Large Member), Laurie Hill (At Large Member), Susan McPeak (At-Large Member, and James Wallace (At Large Member)

2021 Highlights: Events & Entertainment:

Due to the COVID-19 pandemic, the 2021 summer events got off to a late start. With the State of California easing some of its requirements, the City Council was able to approve moving forward with the summer events at the June 24, 2021 meeting. The summer events were then able to begin on July 14th.

Twilight Concerts:

The Art and Cultural Commission organized the 36th annual Twilight Concerts Series. This annual series originally had eight free concerts in Capitola Village on Wednesday evenings during last summer months. The free, family concerts attract over 1,000 attendees to each of the free, family friendly. With the short window to get sponsors, the sponsorship program was changed for 2021. Instead of having sponsorships limited to sponsoring individual concerts, staff created a sponsorship level program for all the summer events. The tiered level program went from \$2500 down to a less than \$500 donation level. This allowed sponsors to contribute different amount. Each sponsorship level afforded different benefits. This program was so successful that it was continued in 2022. The performing bands are paid \$1250 for the concert. A sound engineer is contracted to provide the audio for the concerts. Because of the popularity of the of the concerts and the late start, two additional concerts were added in September.

Postcards were created and distributed at the events, however, due to the late start, postcards were not mailed to households. Advertising was focused on social media and other electronic formats. Staff did not see any significant change in attendance, in fact it may have been higher. Art and Cultural Commissioners attended the concerts to pass out information and give announcements

2021 Sponsors: Gayle's Bakery & Rosticceria, Marriott-Fairfield Inn – Capitola, Best Western Plus – Capitola, Zelda's, Lanai Financial Solutions-Christine McBroom, Toyota of Santa Cruz, Capitola Mall, Capitola Beach Suites, Pizza My Heart, Green Waste Recovery, Steve & Dianne Pereira, Swenson Builders, Devcon Construction, The Sand Bar Capitola.

2021 Bands: Extra Large, Live Again, Mambo Tropical, Joint Chiefs, Mike Hammer and the Nails, Tsunami Band, Everyday People, The Billy Martini Show, Digbeats, Jive Machine, B-Movie Kings.

Planned/Considered Changes: Return to the normal June to August schedule with twelve concerts in 2022. Mail postcards to Capitola residents.

Movies at the Beach:

Organized the annual Movies at the Beach events. The free Movies on the Beach series was comprised of two movies on September 10th and 17th. The movies regularly attract over 200 people, with the animated movies bringing the largest crowds, weather depending. The attendance is younger and more local than the concerts. There was no free popcorn in 2021 due to ongoing COVID-19 concerns

In 2021 the attendance for the movies was not as high as normal for the September movies. Staff believes this was due to the movies taking place in September and not mailing the postcards.

The movies are promoted on the event postcard, as well as the City website, scroll, social media, and banners.

- Movie Event Evaluation: All movies were shown on a screen secured to the bandstand stage.
- Movies: Dolittle, Frozen 2

Planned/Considered Changes: Move the two movies to August. Include free popcorn if possible.

Sunday Art at the Beach:

The Commission helped organized the Sunday Art at the Beach Events. This event takes place on Sunday's during the summer months. In 2021, three events were held in July and August.

This event is free to attend. The Sunday Art and Music at the Beach program continues to be coordinated by Leslie Fellows on a contract basis. Artists pay for booth rentals to display and sell their arts and the funds are used to pay the program coordinator.

Music was not included in 2021 due to the short timeline and the additional work needed to have the music. Artists were very happy to have the event return and have a place to sell their work.

Planned/Considered Changes:

- Music is not planned for 2022. The overall event will be evaluated after 2022

Capitola Plein Air

The Art and Cultural Commission added a Plein Air event in 2015. In, 2021, the event took place November 1st - 7th. Artists painted throughout the City, but primarily along the coast and Soquel Creek. Forty artists were invited to take part in the juried competition, exhibition and sale. The artists created art in the open air throughout

Capitola. People had the opportunity to watch artists create art throughout the weekend. The judging and sale took place on the November 7th at New Brighton Middle School and was a tremendous success. Artists sold over \$15,000 in paintings at the event.

In 2021, the City of Capitola Plein Air was chair by Commissioner Laurie Hill. In addition, it took many volunteer hours to put on the event, with many commissioners assisting. Special acknowledgement needs to go to Commissioner Laurie Hill, who has served as the chair since 2016 as well as Commissioners Susan McPeak and Courtney Christiansen who all donated a significant number of hours to ensure the event took place and was a tremendous success.

The City Council approved \$1000 to produce the Plein Air event and \$2250.00 to purchase the first and second place winners in the professional division. Summer event sponsors contributed \$2500 to the event. The winning paintings will remain part of the City's permanent art collection. Artists were charged entry fees and sales commissions are to be used for future children's art in the community. Additional sponsors were secured to help put on the event.

First place winner in 2021 was "Awe: Steel Bridge" by Barbara Tapp and second place winner was "Incoming" by Steven McDonald. Many other paintings received awards and recognition.

Plein Air Sponsors: Lenz Arts, Gayle's Bakery and Rosticceria, Best Western Plus Capitola, Fairfield Inn and Suites Capitola, and Shadowbrook Restaurant.

Special Recognition Awards to artists from Capitola Soquel Chamber of Commerce, Capitola Village Business Association, Palace Arts, Times Publishing, and Santa Cruz Realtors Association.

Planned/Considered Changes: Commission needs to form a subcommittee to plan and secure sponsors.

“Awe: Steel Bridge” by Barbara Tapp

“Incoming” by Steven McDonald

Food Truck Fridays

The Food Truck Fridays took place on July 30th, August 27th, and September 24th. The Food Truck events were included in the 2021 sponsorship programs. Music at the events were paid for by sponsors.

Planned/Considered Changes: Based on the concerns of some restaurants in the village, sponsorship of the Food Truck events may be separated from the rest of the events.

Public Art Project & Improvements:

In 2004, the City Council approved the implementation of a Public Arts Fee. The purpose was to ensure that 2% of the cost of eligible municipal capital improvement, renovation, or restoration projects funded in whole or in part by the City of Capitola, or any private, non-residential development project with a total building permit valuation of \$250,000 or more be set aside for the acquisition of works of art to be displayed in or about public places within the City. For a private development, there is an “in lieu” option to contribute 1% of the total budget of the project to the Public Arts Program. Fees collected are placed in a restricted Public Arts fund.

The Commission worked with the Capitola Village Business Improvement Association to create and install banners on light posts in Capitola Village.

The Commission brought the Depot Hill Stair Mural project to the City Council in 2021, however due to concerns of some Depot Hill residents, the project was not approved.

The Art and Cultural Commission is working on finding appropriate public art projects and locations for public art.

The following is a list of projects funded in 2021 by the Public Art Fee:

- Professional winning paintings from Plein Air Event. Will be displayed at the City and become part of the City’s permanent collection.

The Commission has begun working on several public art projects for 2022, including the Tree Stump, Begonia Festival art, and the Railing on Monterey Avenue.

ART & CULTURAL COMMISSION AGENDA REPORT

MEETING OF JUNE 14, 2022

FROM: Staff
DATE: June 10, 2022
SUBJECT: Monterey Avenue Railing

Recommended Action: Discuss and Provide Direction

BACKGROUND The Monterey Avenue Railing project was approved as a project by the Commission prior to the COVID-19 pandemic. It was decided that the project would wait until in-person meeting started again before moving forward. The commission should provide direction on if it wishes to move ahead with the project.

Attached is a draft version of the Call to Artists, if the commission wants to move forward, an updated version will be brought to the Commission for approval. Original project budget was \$100,000 from the Public Art Fund. The current balance of the Public Art fund is \$171,000. Commercial building projects over \$250,000 generally contribute 1% of the project valuation to the public art fund. In 2021-2022 only one project had to contribute to the fund (\$5,000), which is not reflected in the balance yet.

Chair Johnson is the chair of the subcommittee.

FISCAL IMPACT Original project budget was \$100,000 from the Public Art Fund. The current balance of the Public Art fund is approximately \$171,000.
