FROM: Committee Chairs and Staff  
DATE: September 20, 2023  
SUBJECT: Report out for budgeted Art & Cultural programs.

**Recommended Action:** Receive report from committee chairs for budgeted programs.

---

## **BACKGROUND**

The Capitola Art & Cultural Commission is an advisory body whose responsibility is to advise the City Council as to the allocation of public art funds and encouragement of existing and new programs in the arts for the enjoyment of the residents.

The Art & Cultural Commission participates in annual goal setting from which programs in the arts are planned for production in the budget year. The 2023/24 budget has planned twelve (12) Twilight Concerts, four (4) Art at the Beach including a themed Ukrainian Art in the Park, two (2) Movies at the Beach and Plein Air.

Committees shall consist of no fewer than two (2) and no more than three (3) commissioners. The development of a committee will appoint a chair and two other commissioners. If a vacancy occurs, the commission can choose to appoint a commissioner to the vacancy. The program committees are as follows:

- 1) Twilight Concerts: Commissioner Wallace serves as Chair. Chair Johnson sits on the committee.
- 2) Art at the Beach: Chair Johnson serves as Chair. Vice Chair Hill and Commissioner Cahalen sits on the committee.
  - A. Ukrainian Art in the Park: Vice Chair Hill serves as Chair. Commissioner Cahalen and Commissioner Wallace sit on the committee.
- 3) Movies at the Beach: Commissioner Cahalen serves as Chair.
- 4) Plein Air: Vice Chair Hill serves as Chair. Commissioner Major sits on the committee.

## **DISCUSSION**

The production of programs requires long term planning and collaboration with partners, volunteers, commissioners, and Staff. Regular reports from committee chairs are provided to enhance communication and planning as well as keeping the entire commission up to date on progress of program activities. Additionally, committees shall report to the commission no less than a quarterly basis. Program Reports are intended to only report out on the progress of a budgeted event and committee activity. Any action requiring the entire commission to make a decision outside of committee activity will be added to the agenda under General Business.

## Twilight Concerts program report

Art & Cultural commission hosted 12 concerts from June 14 through August 30, 2023.

A variety of genres was offered and were very well received. The feedback from concert attendees was very positive. There were several requests that next year the Commission focus on hosting bands that offer cover songs instead of originals. Also had several requests for a country music performer.

Sound engineer services were provided by Jon DuFour with Classified Sound. Jon continues to offer excellent professional services.

Public Works did an amazing job in keeping needs met. Set up and clean up were always handled promptly and professionally. Employees Jose and George fulfilled the needs. The windscreen and sponsor banner were hung every week.

T-shirt, hats and bags were sold during the concerts. The addition of the clover payment device was extremely helpful.

The commissioners volunteered to help staff the events. There were no incidents requiring Police Presence for the whole season.

The weather varied from sunny to foggy but never rained during the 2023 season.

Staff added the addition of a magical bubble machine. Which seemed to bring huge cheer to the event. Staff highly recommends. We continue offering Bubble services during these events.

**Program Coordinator Job 2024:**

Shift help during show days makes the job doable for me and I am willing to continue as Coordinator next year with similar assistance. Jennifer Slinger is happy to be the afternoon point person. We can find someone (or a few different people) to cover the break-down shift from 5-6:30 if Roy Johnson doesn't want to do it again. I'd like to do four (4) shows to accommodate more artists.

Many thanks to the Art & Cultural Commission for sponsoring the event. A very special thanks to Kelly Barreto for her administrative support and to Roy Johnson for his help with the break-down shift.

Kindly direct any comments or feedback to me at [leslieafellows@yahoo.com](mailto:leslieafellows@yahoo.com) or 831/419-7485.

## Movies at the Beach program report

Movies at the beach were held August 28 and September 1, 2023. Both movies had moderate to successful attendance turn out.

Weathers was cooperative.

Movie started at 8 PM 8/28 and 7:55 PM 9/1.

Titles were mostly popular with families with young children.

Public Works assisted with covering the light post and the light outside of the bathroom so it didn't interfere with the viewing of the screen. Also Public Work employee George staffed the events and helped to ensure the park was clean and had extra trash cans in place. As well as providing a wind break, sponsor banner, and the use of the 12 foot ladder.

Projectionist Fred Meng was prompt and professional as always.

Both titles were rented through Swank.

## **Plein Air**

Artists selected/invited. Jenny Shelton leading Quick Draw on Saturday - cash prizes. Quick Draw Invite list includes artists declined for the full event. Still need to ID a food truck and musician and meet with City staff re: procedures for purchasing art on the day of the exhibition.

# ART & CULTURAL COMMISSION AGENDA REPORT

## MEETING OF October 10, 2023

FROM: STAFF  
DATE: September 5, 2023  
SUBJECT: Art & Cultural program expenses and processing

---

**Recommended Action:** Receive presentation from Director of Finance, Jim Malberg, about Art & Cultural programs budget.

---

### **BACKGROUND**

The Capitola Art & Cultural Commission operates within two different budgets. The first is a general fund program budget that details income and expenditure for all events the commission produces throughout the year. The second is the Public Art Special Revenue Fund which is restricted for the use of Public Art projects the commission identifies and vets to occur with the budget year.

### **DISCUSSION**

The Art & Cultural Program budget has revenue and expense accounts for each program offered: Twilight Concerts, Movies at the Beach, Art at the Beach. One new revenue account has been added for Plein Air and includes detailed expenses (i.e., contract services, supplies) However, for Plein Air at the end of each fiscal year the revenue in excess of the expenditures will move to a deposit account so that the funds remain with the Art & Culture program budget. This is similar to how donations are tracked for the City Museum activity.

With the elimination of the Friends Checking Account all expense and income activity will be done under the purchasing authority of Staff using the standard invoicing and reimbursement policies of the City. Staff will provide quarterly financial reports to the committee, for the next budget cycle on the following tentative schedule: Oct. (July – Sept.), Jan. (Oct. – Dec.), April (Jan. – Mar.), and July (Apr. – June) as well as the July – June annual financial report.

### **FISCAL IMPACT**

The Friends Checking account has been deposited into the City Fund and used for Plein Air related expenses as well as other Art & Cultural Committee directed program activities subject to availability of funds.

# ART & CULTURAL COMMISSION AGENDA REPORT

## MEETING OF October 10, 2023

FROM: Staff  
DATE: September 5, 2023  
SUBJECT: Monterey Ave Railing Public Art Project

---

**Recommended Action:** Receive committee presentation of the Monterey Ave Railing Public Art project and select one artist and concept for Council recommendation.

---

### **BACKGROUND**

The Monterey Avenue Railing project was approved as a project by the Commission prior to March 2020. The project was delayed due to the onset of the COVID-19 pandemic. Chair Johnson is the chair of the committee with Commissioner Christiansen and Commissioner Cahalen. The committee was provided with all responses to the posted Call to Artist for review and at the May 2023 meeting the Commission selected three artists to present a proposal for final selection. At the August 2023 Art & Cultural regular meeting three (3) artists Bruce Harman, Standteiner and Peter Goldlust presented their concept and responded to questions.

### **DISCUSSION**

The committee took feedback from the Commission and chose to return to committee for further discussion and return to the commission with a presentation and recommendation.

**FISCAL IMPACT** Project costs from the Public Art fund will be \$50,000. The Public Art Fund currently has a balance of \$171,667 and the commission has approximately \$75,500 committed to current projects.

If the Commission wishes to end the “Movies at the Beach” committee then on an annual basis Staff will present a selection of movies for the entire Commission and collect feedback for selection. Staff will provide an annual report on program outcomes.

If the Commission wishes to continue the “Movies at the Beach” committee then nominations for at least one additional Committee appointment and no more than two should be made. The Committee Chair will be expected to report to the Commission no less than quarterly.
