The criteria used for financial need is a percentage of the Santa Cruz County Area Median Income calculated by the State of California.

Full scholarships are not available, and instead represent a percentage of the tuition minus the registration fee. Applications are reviewed in the order they are received.

Scholarship applicant must first register for the desired program and then submit a scholarship application. When registering, choose payment plan to pay only for the registration fee. If you are denied a scholarship you will be refunded your registration fee if you choose to withdraw from the program.

Award will be received as credit to your CivicRec Account.

Any unused credit will be removed from your account and returned to the scholarship fund after the start of the session.

Scholarships will be awarded as funds are available.
