

BUILDING INSPECTOR  
SUPPLEMENTAL QUESTIONNAIRE

Please provide complete, but concise responses to the following questions. In your responses, please note the position(s) held and the length of service where you acquired related experience, as applicable. If you do not have any experience or training related to a question, please enter "N/A".

Each answer should not exceed one 8.5 x 11 inch page, single-spaced with all margins no less than one-inch. At the top of each page please include your name and page number. For each question, please write it out completely before responding. The responses to these questions will be reviewed and evaluated prior to the next step in the recruitment process.

1. Describe your experience with Federal, State, and Municipal Codes, ordinances, and/or regulations related to building construction, electrical, mechanical, plumbing and gas installations.
2. Describe your experience with reviewing construction plans and conducting field inspections of buildings and development projects. Please include the number of years of experience you possess and your scope of responsibilities.
