

Retired Sheriff's Sergeant

For the last 35 years, I have dedicated my life to serving this community where I have been fortunate to raise my three children and two grandchildren. Throughout my career in Law Enforcement, I have held several positions that have given me an appreciation for what it takes to properly administer all affairs of the City of Capitola. Duties included K9 Officer, School Resource Officer, SWAT Team Member, Hostage Negotiator, Bailiff Supervisor of the Santa Cruz Superior Courts, Search and Rescue Supervisor, and Director of Police Services at Cabrillo College.

My academic experience includes Cabrillo College, CSU Long Beach, and the Sherman Block Supervisory Leadership Institute.

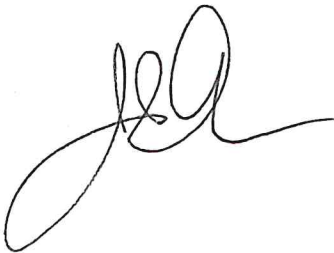

I believe we need to protect our neighborhoods and our financial base. I also believe that we need to provide substantial public safety for our residents, improve our city streets and preserve our city's distinctive Seaside character.

I am committed to working hard to achieve these goals and be a strong advocate with community-minded planning for our future. I will continue to strongly support community programs like Capitola Public Safety and Community Services Foundation, Capitola Jr. Guards, and Operation Surf.

Experience and foresight matter. Please vote for me on November 8th.
