

Enrique Dolmo Campaign Statement

I have been a dedicated member of the Capitola community for the last 12 years and I am ready to help take this city to the next level. For the last 9 years, I worked at NBMS in numerous roles, including Athletic Director, Campus Supervisor, Transportation Operator and Head Coach. I was recently elected CSEA Union President where I reworked labor contracts, secured better working conditions and terms for my members, as well as being an integral part of securing the largest raise in union history. At NBMS, I coached soccer, basketball, cross-country, track and golf. I run an Open Community Gym in order to provide a safe place for adults and youth to play indoor sports, including basketball. I recently received the Rising Star Award for my work with the 388 CSEA Union.

I lead with a positive attitude and infectious optimism. The NBMS Athletic Program is the premier Middle School program in the county due to my hard work and keen leadership. I believe I would be an excellent addition to the Capitola City Council because I will bring that same positive energy to the team and also bring new ideas to improve the city of Capitola. Vote for Enrique Dolmo!
