2. Wage Schedules/ Hourly Rates

The wage schedules contained in, or attached to, this Memorandum of Understanding set forth the base pay, subject to such adjustments (such as longevity pay) as are specifically set forth in this MOU. Letters, such as "A" to "F", designate the respective pay steps for each position. The rates contained in the wage schedule do not include overtime or benefits.

Whenever it is necessary to compute an hourly pay rate in order to apply an provision of this MOU, that will be done by multiplying any monthly rate by 12 in order to derive an annual rate, and dividing the annual rate by 2080 (or proportionate number of hours for part time positions, e.g., 1040 for a half-time position).

3. Service

The word “service” as used in this Memorandum of Understanding means continuous full-time service in the position in which the employee is being considered for salary advancement, service in a higher position, or service in a position allocated to the same salary schedule and having generally similar duties and requirements. A lapse of service of any employee for a period of time longer than thirty days by reason of resignation or discharge shall serve to eliminate the accumulated length of service time of such employee, and any such employee re-entering the service of the City shall be considered as a new employee.

4. Types of Appointment

The following types of appointment may be either full-time, as established by the City Manager:

A. Probationary appointment

A probationary appointment is for a specified period of time, during which job performance is evaluated as a basis for subsequent regular appointment.

B. Regular appointments.

A regular appointment ordinarily follows successful completion of a probationary period. “Regular” means a position that is, regardless of the number of hours worked per week, intended to be continuous and uninterrupted (except for authorized paid or unpaid leave). Positions intended to be seasonal, of a limited term, on call only, emergency, intermittent, substitute, or on any other irregular basis are not “regular.” The positions set forth in the wage schedule are all regular positions, and unless specifically stated, the pay rate is applicable to a full-time position. All positions covered by the section are half time or more.
C. **Acting appointments.**

An acting appointment occurs when an employee is temporarily assigned to, and performs all the duties of a position other than the position he/she normally occupies, or when an employee is assigned an acting appointment pending evaluation of the employee’s ability to perform the duties of the position.

D. **Accruals for part time positions.**

When a position is less than full time it will be classified by a fraction. For example, “half-time” regular employment is expected to average 20 hours per week; “three-quarters” employment is expected to average 30 hours per week. Vacation accrual, sick leave accrual, Flex Plan contributions, holidays, personal holidays are paid or accrued according to these classifications. Thus, compared to a full-time employee, a half-time employee, even if actual time occasionally exceeds or falls below 20 hours in a week, when compared to a full-time employee: receives one-half the Flex Plan contribution; accrues one-half the number of hours of vacation or sick leave; and is paid for four hours on a holiday or personal holiday.

5. **Beginning Salary Rates**

A new employee’s base pay shall be computed by using the rate shown as step “A” in the schedule allocated to the class of employment for which the employee has been hired, except that upon recommendation of the department head under whom the employee will serve and with the approval of the City Manager, such new employee may be employed at a higher step, depending upon the employee’s qualifications.

6. **Advancement within the Schedule**

The following provisions govern salary advancement within the schedule:

A. **Probationary advancement**

Upon successful completion of probation, an employee (except an employee that was hired at the top step) will advance one step.

B. **Regular Merit advancement**

An employee may be considered for advancement upon completion of the minimum length of service specified for step increases. Unless specifically otherwise stated, this will be 12 months for full-time appointments and proportionately adjusted for other appointments. For instance half-time appointments will be evaluated for regular merit adjustments every 24 months. Advancement to higher steps shall be granted only for continued meritorious and efficient service and
continued improvement by the employee in the effective performance of the duties of the position held.

C. Special Merit advancement

When an employee consistently demonstrates exceptional ability and proficiency in the performance of assigned duties, the supervising department head may recommend to the City Manager that said employee be advanced to higher pay step without regard to the minimum length of service provisions contained in this resolution. The City Manager may approve and effect such advancement.

D. Denial of advancement

When an employee has not been approved for advancement to the next higher wage step, such employee may be reconsidered for such advancement after the completion of three months of additional service.

7. Promotion to New Position

When an employee is promoted to a position in a higher classification, such employee shall be assigned to step “a” in the appropriate schedule for the higher classification. However, if such employee is already being paid at a rate equal to or higher than step “A”, he/she shall be placed in the step in the appropriate salary schedule which will grant such employee a salary increase of not less than 5%.

9. Personnel Rules

The City retains the right to amend and create personnel rules, provided they are not in conflict with specific provisions of the MOU. Where appropriate, City will meet and confer with applicable employee group or groups (Government Code Section 3300 and following), before amending or creating new personnel rules.

10. Effective Date of Pay Increase

A merit-pay advancement for an employee shall become effective on the first day of the pay period in which the minimum length of service has been satisfactorily completed. Any other mid-pay period payroll adjustments will occur at the beginning of the pay period in which the adjustment falls for all odd numbered calendar years; and, at the beginning of the following pay period for the even number calendar years.

13. Sick Leave Defined

Employees have the right under federal and state law (see Section 17 below) to be absent from regularly scheduled work without being reprimanded, disciplined, or discharged. They may also have additional rights under their MOUs. "Sick leave" as used herein refers to an employee's rights to be compensated, by means other than Workers Compensation benefits, while on medical leave or where so allowed, by specific provisions in the MOU, such as bereavement leave.
16. **Bereavement Leave**

Leave of absence with pay because of death in the immediate family of an employee shall be granted for a period not to exceed three days. Entitlement to leave of absence under this section shall be in addition to any other entitlement for sick leave, or any other leave. For purposes of this section, "immediate family" means mother, step-mother, father, step-father, husband, wife, son, step-son, daughter, step-daughter, brother, sister, foster parent, foster child, brother-in-law, sister-in-law, mother-in-law, father-in-law and grandparents.

17. **Family & Medical Leave Act of 1993**

The City shall follow the provisions provided for family leave as specified in the federal Family & Medical Leave Act of 1993, and the state Family Rights Act as it applies to public employees.

19. **Accruals after Date of Separation**

An employee’s separation date is the last date actually worked, except that an employee who, as of the last day worked, has not used all of his/her yearly allotment of vacation may extend the separation date by the number of days necessary to reach the full yearly allotment. “Yearly allotment” means the amount of vacation that the employee was entitled to accrue in his/her last year of employment. Unless otherwise provided by state law, none of the following accrue after the date of separation: sick leave, vacation, personal holidays, holiday pay, administrative leave, Flex Plan contributions, or the insurance described in Section 16 of the Standard MOU.

22. **Drug Policy**

The City is implementing its "Drug Free Workplace Policy".

26. **Re-opener**

Upon request of any bargaining unit, the parties will negotiate whether specific provisions will be added to the MOU about awards of days off for five years of accident free work.

40. **Holiday Schedule**

There shall be twelve (12) holidays granted annually for the life of the MOU. The holidays to be observed during the calendar year are set forth below.
