

## *Become A Museum Volunteer*

The **Capitola Historical Museum** is recruiting volunteers to take 2-hour shifts during open hours this coming year. You need not be an expert on Capitola history, but you must enjoy meeting people and welcoming visitors to Capitola.

**Training is provided.**

This year's exhibition features pictures taken between 1907 and 1915 by photographer **Ole Ravnos**. A special orientation on the new exhibition will take place Saturday, Feb. 27th, 10 a.m. to noon in the Capitola Community Room, 410 Capitola Avenue.
