Mayor Bertrand called the meeting to order at 5:15 p.m. with the following in attendance:

There were no members of the public present and the Council adjourned to the City Manager’s Office to discuss the following items in closed session:

**CONFERENCE WITH LABOR NEGOTIATOR [Govt. Code § 54957.6]**
Negotiator: Larry Laurent
Employee Organizations: (1) Association of Capitola Employees; (2) Capitola Police Captains, (3) Confidential Employees; (4) Mid-Management Group; and (5) Department Heads

**CONFERENCE WITH LEGAL COUNSEL - ANTICIPATED LITIGATION**
Initiation of litigation pursuant to Govt. Code § 54956.9(d)(4).
(One potential case)

**REGULAR MEETING OF THE CAPITOLA CITY COUNCIL - 6 PM**

1. **PLEDGE OF ALLEGIANCE**

2. **REPORT ON CLOSED SESSION**
   City Attorney Samantha Zutler reported that Council discussed the two listed items and provided direction.

3. **ADDITIONAL MATERIALS**
   A. Item 9.D – corrected staff report
   B. Item 10.A – public comment
   C. Item 10.B – California Coastal Commission comment

4. **ADDITIONS AND DELETIONS TO AGENDA - None**

5. **PUBLIC COMMENTS**
   Cherrie McCoy spoke about the Capitola Mall and her desire for a destination site that reflects Capitola's charm.

6. **CITY COUNCIL / STAFF COMMENTS**
   Mayor Bertrand expressed his pleasure with the community dialog he has seen during his tenure a mayor and he encouraged public participation in the many local non-profit organizations. He praised efforts to train police officers in de-escalation, which he recently observed in practice, and thanked Public Works on behalf of residents for the new small
park in the McCormick triangle. Vice Mayor Petersen presented him with a plaque thanking him for service as mayor.

7. COUNCIL REORGANIZATION

1. City Council Reorganization for the Selection of Mayor and Vice Mayor [120-37]
   **RECOMMENDED ACTION:** City Council consideration of a new Mayor and Mayor Pro Tempore.

   **MOTION:** APPOINT KRISTEN PETERSEN AS MAYOR
   **RESULT:** ADOPTED [UNANIMOUS]
   **MOVER:** Ed Bottorff, Council Member
   **SECONDER:** Sam Storey, Council Member
   **AYES:** Brooks, Bottorff, Storey, Petersen, Bertrand

   Former Mayor Bertrand handed the gavel to incoming Mayor Petersen, who chaired the remainder of the meeting.

   **MOTION:** APPOINT YVETTE BROOKS AS VICE MAYOR
   **RESULT:** ADOPTED [UNANIMOUS]
   **MOVER:** Sam Storey, Council Member
   **SECONDER:** Jacques Bertrand, Council Member
   **AYES:** Brooks, Bottorff, Storey, Petersen, Bertrand

8. BOARDS, COMMISSIONS AND COMMITTEES APPOINTMENTS

   A. Appoint Art and Cultural Commission Members
      **RECOMMENDED ACTION:** Reappoint Mary Beth Cahalen, Laurie Hill, and James Wallace as at-large members for terms expiring in December 2021 as recommended by the Art and Cultural Commission.

      **MOTION:** REAPPOINT MARY BETH CAHALEN, LAURIE HILL, AND JAMES WALLACE AS RECOMMENDED
      **RESULT:** ADOPTED [UNANIMOUS]
      **MOVER:** Sam Storey, Council Member

      **MOTION:** APPOINT AYDEN MACKENZIE AS A YOUTH MEMBER AS RECOMMENDED
      **RESULT:** ADOPTED [UNANIMOUS]
      **MOVER:** Ed Bottorff, Council Member
      **SECONDER:** Sam Storey, Council Member
      **AYES:** Brooks, Bottorff, Storey, Petersen, Bertrand
C. Consider Council Financial Advisory Committee membership

RECOMMENDATION: Determine if the new mayor and vice mayor wish to serve on the Finance Advisory Committee, and provide direction on related appointments and recruitment.

Mayor Petersen and Vice Mayor Brooks both indicated they will serve on the committee. Therefore, no other council members need to serve. Council Member Bertrand will need to make an appointment. The vacancy will be noticed as required.

9. CONSENT CALENDAR

| MOTION: | APPROVE OR ADOPT AS RECOMMENDED |
| RESULT: | ADOPTED [UNANIMOUS] |
| MOVER: | Jacques Bertrand, Mayor |
| SECONDER: | Yvette Brooks, Council Member |
| AYES: | Brooks, Bottorff, Storey, Petersen, Bertrand |

A. Consider the November 26, 2019, City Council Regular Meeting Minutes

RECOMMENDED ACTION: Approve minutes.

B. Receive the Planning Commission Action Minutes for the Regular Meeting of December 5, 2019

RECOMMENDED ACTION: Receive minutes.

C. Approval of City Check Registers Dated November 1, November 8, November 15, November 22, and November 29, 2019

RECOMMENDED ACTION: Approve check registers.

D. Consider a Resolution Authorizing an Increase in the Residential and Commercial Garbage Collection Rates [930-45]

RECOMMENDED ACTION: Adopt a Resolution approving the Rate Schedule for Residential and Commercial Garbage Collection and Recycling in Capitola, resulting in a 3.03 percent rate increase pursuant to the franchise agreement with GreenWaste Recovery, effective January 1, 2020.

E. Adopt a Resolution Setting the Interest Rate for Tenants’ Security Deposits for 2020 at Zero Percent (0.00%) [750-10]

RECOMMENDED ACTION: Adopt Resolution.

F. Adopt an Ordinance Amending Capitola Municipal Code Chapter 12.64 Sidewalk Vending Prohibitions

RECOMMENDED ACTION: Approve the second reading of an ordinance to amend Chapter 12.64 to allow sidewalk vending consistent with Senate Bill 946, by title only, waiving further reading.

10. GENERAL GOVERNMENT / PUBLIC HEARINGS

A. Consider an Appeal of the Planning Commission's Denial of a Tree Removal Permit for a Coast Redwood at 1600 49th Avenue

RECOMMENDED ACTION: Deny the appeal and support approval of pruning measures established in the arborist report.

Planner Matt Orbach presented the staff report, walking the Council through the process
to date and the findings required to grant a permit. Council Member Storey asked about maintenance to avoid branch failure. Community Development Director Katie Herlihy clarified the City’s arborist recommends branch trimming, not tree removal.

Appellants Michael and Vickie Oliver presented their concerns and why they believe safety concerns cannot be mitigated, leaving removal as the only option. They shared images showing sizable branch failure. Mrs. Oliver shared her fears of future failure.

In public comment, Robert McGanty, adjacent neighbor, said he fears falling large branches could cause injuries.

Council Member Bertrand noted tree appears unbalanced and heavier toward the neighbor’s property, and confirmed that many failures are branches near the area of the trunk that narrows. He believes staff came to the correct conclusion based on arborist's report; however, previous trimming has made the tree unstable. Council members agreed that the tree is a safety hazard. Council Member Storey acknowledged that the required finding that there are no feasible alternatives is more challenging, but members agreed that since the tree was previously topped, growth will continue on lower branches, making them heavier and more likely to fail even if trimmed.

**MOTION:** MAKE THE REQUIRED FINDINGS FOR REMOVAL, GRANT THE REMOVAL PERMIT, AND REFUND THE COUNCIL APPEAL FEE.

**RESULT:** ADOPTED AS AMENDED [UNANIMOUS]

**MOVER:** Sam Storey, Council Member

**SECONDER:** Jacques Bertrand, Mayor

**AYES:** Brooks, Bottorff, Storey, Petersen, Bertrand

---

**B. Report on Emergency Declaration from December 3, 2019**

**RECOMMENDED ACTION:** Receive a report on a Proclamation of Existence of a Local Emergency made by the City Director of Emergency Services on December 3, 2019, in response damages to the Grand Avenue Pathway following heavy rains, and authorize associated expenditures from Measure F funding.

Public Works Director Steve Jesberg presented the staff report and images of the damage that began with a storm December 2. The emergency drain installation was done by hand and with workers tied off should further bluff failure occur.

Several council members had questions and concerns about the Coastal Commission communication including safety concerns about removing asphalt, fencing and other elements as requested by Coastal Commission and the feasibility of reclaiming land for the path.

Director Jesberg noted responses will be part of the permit application, will goes to the Planning Commission. Footpath failures are already within a foot of private property so the path cannot be restored without taking private property. An entire new drainage system is required to address full bluff protection and would be very costly. The current drains were identified 10 years ago as the affordable option. Any new expenditures would need Council approval.
MOTION: AUTHORIZE THE USE OF MEASURE F FUNDS TO PAY FOR EMERGENCY REPAIRS AS RECOMMENDED
RESULT: ADOPTED [UNANIMOUS]
MOVER: Ed Bottorff, Council Member
SECONDER: Jacques Bertrand, Mayor
AYES: Brooks, Bottorff, Storey, Petersen, Bertrand

C. Receive Update Report on the Construction of the Capitola Branch Library

RECOMMENDED ACTION: Receive report.

Director Jesberg presented the staff report. He announced PG&E provided the long-awaited undergrounding plans this week, with omissions already identified by staff and now being addressed by PG&E. He noted that revenue is above original projections by more than $375,000.

Council Member Brooks requested the library staff look into access furniture.

RESULT: RECEIVED REPORT

D. Receive Audit Report for Fiscal Year 2018-19

RECOMMENDED ACTION: Receive report.

Finance Director Jim Malberg introduced Ahmad Gharaibeh, CPA, an auditor from Eide Bailly, which recently completed its review of fiscal year 2018/19 finances. The audit confirms that the City has accurately reported its financial statements. He noted many requirement changes in recent years make the reports more complex.

RESULT: RECEIVED REPORT

E. Consider a Consolidated Coastal Development Permit Process for Pure Water Soquel

RECOMMENDED ACTION: Authorize a Consolidated Coastal Development Permit application for California Coastal Commission review of a major public works facility, in lieu of a local Coastal Development Permit.

Council Member Brooks lives within 500 feet of the proposed well site, so she recused herself and left the dais.

Community Development Director Katie Herlihy provided an overview of the consolidated permit process, which Soquel Creek Water District's (SCWD) Pure Water Soquel is seeking. Staff emphasized two mitigation measures in its proposed letter of support.

Ron Duncan and Melanie Schumaker of SCWD gave a brief look at the Capitola portion of the project. The project has received financial support from a $49 million grant from the Environmental Protection Agency and $50 million from the state, which is also providing a $36 million low-interest loan.

Ms. Schumaker offered images of the well site and pledged strong public outreach efforts. It will have very low noise impact once well is up and running, but the district will offer to relocate residents during the 24-hour drilling. The district hopes the permit will be

Mayor Petersen asked the district to investigate options for short-term home rental rather than only hotel rooms, and Council Members encouraged using the project as an ongoing educational opportunity.

SUBJECT: Consider Contracts with the City of Santa Cruz Marine Safety Division for Beach Lifeguard Services and with Central Fire Protection District for Lifeguard Training Services

RECOMMENDED ACTION: Authorize the City Manager to sign one-year contracts in an amount not to exceed $91,500 with the City of Santa Cruz Marine Safety Division and $13,000 with Central Fire Protection District.

BACKGROUND: In 2012, the City contracted with Santa Cruz Marine Safety Division (SCMSD) to operate beach lifeguard services at Capitola Beach. Capitola contracted with SCMSD due to its well-established training protocols, access to significant resources, and operations on nearby beaches. City Council authorized extensions through September 2019.

After the City contracted for beach lifeguard services with SCMSD in 2012, the California Surf Lifesaving Association (CSLSA) became concerned that the City’s Junior Lifeguard Program was not being managed by a lifeguard agency. To address this, beginning in 2014 Capitola began working with SCMSD to train the City’s Junior Lifeguard instructors according to United States Lifesaving Association (USLA) standards. After the summer of 2016, SCMSD notified the City it would be unable to continue to provide training for the City’s Junior Guard program staff.

The City attempted to resolve the Junior Guard training needs with a staff solution for 2017 and 2018, however that solution proved unsustainable. For the 2019 season Council authorized a contract with Central Fire Protection District (CFPD) to provide training in Open Water Lifeguarding according to USLA standards, Title 22 and CPR.

The City and CFPD began working together in 2019 with the intent to pursue a larger partnership where CFPD would provide beach lifeguard services for Capitola Beach in addition to Junior Guard program staff training for the 2020 season. In recent months Central Fire began a merger with Aptos/La Selva Fire Protection District. In November the CFPD Board gave direction for the merger to take priority and to revisit beach lifeguarding services for the 2021 season at a later date. The CFPD board supported continuing to provide the City with lifeguard training services for the Junior Guard program staff for the 2020 season.

Based on the success of the past season, staff is recommending the City extend the contract with SCMSD for an additional year of beach lifeguard services at Capitola Beach and also to extend the contract with Central Fire for an additional year of lifeguard testing and training services for Junior Guard program staff.
DISCUSSION: Under the proposed agreement with SCMSD, they will continue to assume full responsibility for lifeguard operations of Capitola Beach for the 2020 season, providing services between Memorial Day and Labor Day. Additionally, should the lifeguard staffing needs at Capitola Beach extend beyond the established schedule, the contract includes provisions for those services to be rendered on an actual cost basis.

SCMSD will staff the two existing Capitola lifeguard towers and provide one roving Beach Lifeguard II for supervisor support on summer weekdays. During weekends, holidays, and periods of high surf advisory, SCMSD will staff additional roving lifeguards on the beach as precautionary measures dictate. The City of Santa Cruz will operate the Capitola Beach Lifeguard Operations including recruiting, hiring, training, scheduling, organizing, administration, payroll, and equipment.

Under the proposed agreement with Central Fire, they will administer at least two 500-meter swim tests for Junior Guard staff candidates to determine eligibility for employment as Capitola Lifeguard/Junior Guard instructors and coordinators. CFPD will also provide training services for seasonal open water lifeguards according to USLA standard that will include at least 40 hours of course instruction in open water lifesaving and Title 22 First Aid or equivalent.

FISCAL IMPACT: The SCMSD proposed contract from May to September 2020 is $91,119. This is an increase of approximately $8,000 from the previous contract. The contract increase is due to increased hours and increased personnel costs. The CFPD proposed contract to provide testing and training services for the Junior Guard program staff is $12,085 which is the same amount as the prior year. If approved, these contract amounts will be included in the FY 2020-21 budget.

FROM: Public Works Department

SUBJECT: Report on Damage Sustained on the Capitola Wharf

RECOMMENDED ACTION: Receive a report on the January 1, 2020, damage to the Capitola Wharf; ratify emergency actions taken to protect the wharf; if necessary, approve additional emergency actions to facilitate repairs to the wharf; and authorize associated expenditures from Measure F funding.

BACKGROUND: High surf on January 1, 2020, damaged two pilings on the wharf. The two piles were located underneath the small boat hoist and the damage severely compromised the structural stability of the wharf in this area (Attachment 1). The wharf was closed to the public and will remain closed until the area is stabilized and further assessments can be completed to ensure the area is safe to the public. City staff have been in contact with both businesses on the wharf and is keeping them informed on the status of the repairs.

DISCUSSION: On January 2, 2020, Public Works staff met with engineers from Moffatt and Nichol, which provides marine engineering services, and Power Engineering, which has completed past repairs to the wharf, to assess the damage and develop a plan of action. The assessment quickly determined the hoist was in danger of falling into the bay and needed immediate action to prevent this from happening. The engineer and contractor developed a plan to install a steel beam spanning the failed area that could support the weight of the hoist and concrete ballast. The Public Works Director authorized the contractor to proceed immediately with this work, which is preliminarily estimated to cost less than $25,000. The contractor mobilized on January 3 and as of the writing of this report has begun installation of the steel beam. Staff anticipates work will continue until the danger of losing the hoist has been mitigated. The California Coastal Commission has issued the City an emergency permit for this work.

The next phase of work will include replacement of the broken piles and related broken structural members. Public Works will work with Moffatt and Nichol to develop this scope, which may include removal and reinstallation of the hoist. Staff anticipates this scope of work will be consistent with the planned wharf rehabilitation project currently expected to be completed in the next two years. The urgency of this work cannot be determined until further evaluation of the damage has been completed. Staff will provide a verbal update to the Council at the meeting on January 9, 2020. This report may include the necessity to declare an emergency and consideration of awarding an emergency contract for additional repairs.

FISCAL IMPACT: Funding for the current work to save the hoist and subsequent further repairs,
if needed, may come from the Measure F funds in the Capital Improvement Fund allocated to the Wharf Rehabilitation Project. Currently this fund balance totals just over $1.2 million and is earmarked for flume, jetty, and wharf improvements.

SUBJECT: Consider Items for a Municipal Code Title 2 Administration Cleanup Ordinance

RECOMMENDED ACTION: Provide direction.

BACKGROUND: The City’s municipal code is a living document that is frequently amended to address changes in state law and implement new approaches and requirements. Staff regularly refers to the Code to confirm what is permitted in various situations, and at times finds sections that are outdated or no longer relevant. Additionally, last year during the adoption hearings for Ordinance No. 1036, which created residency requirements for Planning Commission members, Council members directed staff to develop code amendment options to revise the process for removing a planning commissioner.

DISCUSSION: Staff has developed a list of several items for a code “cleanup” to sections of Title 2, Administration and Personnel. Some of those items require Council direction prior to preparation of the draft ordinance. Specifically, one item staff is seeking input regarding is the process for removal of a planning commissioner.

Section 2.12.020 currently reads:

Once appointed, a planning commissioner may serve the term above provided unless:

A. The council member who made the appointment requests removal; and

B. At least three council members vote for the commissioner’s removal at the next council meeting at which four or more council members are present. (Ord. 428 (part), 1978; Ord. 295 § 2, 1967; Ord. 58 § 2, 1951)

As written, the code requires a two-step process. First the appointing council member must request removal, then the matter is voted on by the full Council. Some other cities where council members appoint individual planning commissioners, such as Auburn, Windsor, and Norwalk, allow removal by a majority of the Council. Norwalk’s code allows for removal either by the appointing member or a Council majority. Council could also consider a removal provision that required a super majority of the full City Council.

Many cities also specifically reference a number of absences as an automatic trigger for removal. Capitola addresses board and commission attendance in Administrative Policy I-5 rather than in the Municipal Code, allowing three non-consecutive absences a year. The Planning Commission has not historically had absence issues.
Another issue staff has noted is how tasks are referred to an advisory body. When items are assigned to an advisory body, the assignment often requires a significant amount of work, both by staff and the public committee members. It is likely that directing this level of work should be based on a determination by more than one council member. Currently the City’s code is silent on this issue but, over the last few years, single council members generally refer items to an advisory body. Options the Council may wish to consider are:

- Requiring that referring issues to advisory committees be an agendized item and require a Council majority; or
- A council member could make a referral at a Council meeting with the concurrence of one/two other members.

The last code cleanup item staff is seeking direction regarding is whether or not the chairs of boards and commissions should be granted the authority to place items on City Council agendas. Currently the code allows council members to place items on future agendas, provided the item is requested at a City Council meeting. However, the code includes more permissive language for the chair of any City board or commission. Specifically, 2.04.140 states that the chair of any board or commission may place an item on an agenda, “provided the subject is reasonably related to the powers and duties of the body and concerns a matter upon which the council has authority to act.” Council may wish to remove this authority so an advisory board chairperson does not have greater agenda-setting authority than council members.

Other amendments that will be included in the ordinance update are more straightforward and include removing outdated references and updating language to reflect current practice. These include:

- Removing references to policies and bonds that do not need to be codified
- Addressing changes to meeting times and places to match existing practice
- Removing outdated Election Code references
- Updating public comment process to eliminate a preference for persons who have notified the City Clerk in advance of a hearing
- Clarifying appeal hearing process language
- Updating the language regarding the selection of Mayor for consistency with State law
- Eliminating the Redevelopment Agency section

These specific changes will be included in a future cleanup ordinance for Council review.

FISCAL IMPACT: None.

SUBJECT: Annual Donations Report

RECOMMENDED ACTION: Receive the donations and contributions report.

BACKGROUND: In July 2013, the City implemented Administrative Policy III-15, which authorizes the City Manager to accept and appropriate donations or grants of $5,000 or less to support existing City projects and programs. Attachment 1 shows donations and contributions for the period July 2018 through June 2019.

DISCUSSION: Between July 2018 and June 2019, the City received $68,086.19 in donations and contributions with values of $5,000 or less. The contributions include support for the summer twilight concert series, Sunday art and music, movies at the beach, museum donations, library donations, CPR and first aid training, and junior lifeguard supplies.

During this period the City also received $154,226.11 in state and federal grants (Attachment 2). Included was $96,540 for 38th Avenue sidewalk reconstruction, $37,568 for Park Avenue storm damage repairs, and a $7,500 safety grant from the Monterey Bay Area Self Insurance Authority (MBASIA).

In February 2019, the Friends of the Capitola Branch Library contributed $225,000 towards the Capitola Library capital campaign through its fundraising efforts, with help from the Santa Cruz County Community Foundation. Additionally, in Fiscal Year 2018-19 more than $28,000 was raised from individual donors through the library paver program and capital campaign.

FISCAL IMPACT: The City of Capitola benefits greatly from the generosity of individual citizens, local businesses, non-profit agencies, and others. Between July 2018 and June 2019, the City received over $447,000 in donations, contributions, and grant funding.
