the City Manager. Costs can also mean direct cost of a consultant. When consultant costs are	
included 21% of such costs will be charged to cover staff time for contract management. Staff costs	
do not accrue during an appeal unless appeal is made by applicant.	
Deposits are stated as minimums. Actual deposits depend on the evaluation by staff of an individual	
project or application. The City Manager may lower minimum deposits if the application or project	
justifies a lower deposit. When an application involves multiple minimum fees the highest minimum	
fee applies.
