

STAFF REPORT

TO: PLANNING COMMISSION

FROM: COMMUNITY DEVELOPMENT

DATE: APRIL 21, 2016

SUBJECT: **Zoning Code Update All Properties within Capitola**

Continuation of Comprehensive Update to the City of Capitola Zoning Code (Municipal Code Chapter 17)

The Zoning Code serves as the Implementation Plan of the City's Local Coastal Program and therefore must be certified by the Coastal Commission.

Environmental Determination: Addendum to the General Plan Update EIR
 Property: The Zoning Code update affects all properties within the City of Capitola.

Representative: Katie Cattan, Senior Planner, City of Capitola

BACKGROUND: The Planning Commission began the review of the draft zoning code on March 3 and held subsequent meeting on March 17 and April 18. The draft code, zoning map, and previous staff reports with attachments are available online at: <http://www.cityofcapitola.org/communitydevelopment/page/zoning-code-update>.

DISCUSSION: The draft code is being reviewed sequentially from beginning to end. To prepare for the review, each Planning Commissioner provided staff with suggested minor edits and topics for further discussion prior to the first meeting on March 3rd. Staff organized the edits and discussion requests into two lists (Attachments 2 and 3). This list follows the sequence of the draft code and will be utilized throughout the review by Planning Commission to guide discussion topics during public hearings. The list will be updated to include the direction provided by the Planning Commission following each public hearing. The direction of the April 18 and April 21 meetings will be included in the May zoning code update staff report due to the limited time between meetings.

The draft code is separated into 5 parts, as follows:

- Part 1: Enactment and Applicability
- Part 2: Zoning Districts and Overlay Zones
- Part 3: Citywide Standards
- Part 4: Permits and Administration
- Part 5: Glossary

At the time of publishing this report, the Planning Commission has provided direction on all of Part 1 and the first two sections of Part 2. There are two special meetings scheduled for April; the first on Monday April 18th and the second on Thursday April 21st. It is anticipated that the following sections will be discussed during the meetings, although additional sections may be reviewed as

time allows. Sections listed in bold are estimated to take additional time due to the intricacy of topic and discussion requests received by the Planning Commission.

Meeting Date	Sections to Be Reviewed
April 18	17.24 (Commercial and Industrial Zoning Districts), 17.28 (Visitor Serving Zoning Districts), 17.32 (Special Purposes Zoning Districts), 17.36 (Planned Developments), 17.40 (Residential Overlay Districts), 17.48 (Height, Setbacks, and Floor Area), Coastal Zone & Geologic Hazards preview/discussion
April 21	17.52 (Accessory Structures and Uses), 17.56 (Archaeological and Paleontological Resources), 17.60 (Fences and Walls), 17.64 (Environmentally Sensitive Habitat Areas), 17.72 (Landscaping), 17.74 (Secondary Dwelling Units), 17.76 (Parking and Loading)

At the conclusion of the April 18 meeting, the public hearing will be continued to April 21. Staff will begin the discussion during the April 21 meeting with next draft code section.

CEQA: An Addendum to the General Plan Update Environmental Impact Report has been prepared.

RECOMMENDATION: Accept the staff presentation, discuss the proposed draft Zoning Code update, identify desired code revisions, and continue the public hearing to the May 5, 2016 meeting.
