

TO: All Plan holders and Prospective Bidders
FROM: City of Capitola Public Works
DATE: December 15, 2022
RE: **Community Center Renovation**

RFP Questions & Answers

1. Does the City have an anticipated date for consultant interviews?

Consultant interviews for this project will take place on Monday, January 30, 2023, in the City of Capitola.

2. We are very likely going to be submitting a proposal for your community center renovation project, and we'd like to know it is possible to tour the building before we do so.

Please feel free to contact the Community Center staff directly to arrange a visit. Their mainline is 831-475-5935. They are generally unavailable on Monday and Wednesday mornings due to activities being held at those times.
