

2025 City of Capitola Pavement Maintenance Project

Notice is hereby given that the City of Capitola Public Works will soon begin work on a slurry seal project on the following streets near you.

42nd Ave (Clares St to Capitola Rd), **47th Ave** (Portola Dr to Topaz St)

Beverly Ave (Capitola Ave to Riverview Dr), **Cherry Ave** (Fanmar Way to Park Pl)

Francesco Circle (full loop), **Hill St** (Bay Ave to End), **Carl Ln** (full street)

Oak Drive (Bay Ave to Riverview Drive), **Riverview Ave** (Riverview Drive to Trestle)

Rosedale Ave (Bay Ave to North End), **Terrace Way** (Fanmar Way to Cherry Ave)

Alma Ln (full street), **Rosedale Ct** (full street), **Reposa Ave** (West end)

Plum St (Rosedale Ave to Brookvale entrance), **Sunset Drive** (full street)

Graham Contractors has been awarded the contract and it is anticipated that work will take place between 6/25 and 8/29, 2025. During construction there will be limited vehicle traffic access and periods of no on street parking. On street parking will be available at night. Notices will be posted in advance along the street. Your cooperation in having your vehicle parked off the street in a location you can access without having to drive on the affected street will greatly assist in completing the project as quickly as possible. During this time, some delays and inconveniences should be expected.

Representatives of both the City and Graham Construction will be in the field during construction should any issues arise.
